"The chemistry Wulf and Raegan have is amazing and the fact that they are both so stubborn makes their relationship funny at times. The series covers everything from finding out about the good, bad, and ugly of each other to meeting the family. There

are raw emotions in these books." ~~Random Musesomy Book Blog This [Theo and Lizzy] series just takes my breath away. Breathless!!!! That's how this book made me feel from beginning to end. It was one of those books I just couldn't put down until some of my questions were answered. I was constantly on the edge of my seat anxiously hoping it would turn out

the way I hoped. I had this same sense of anxious excitement from the very first book of this series and it has not left me yet. This is not your typical cliched romance novel, where you can tell practically from the first page what is going to happen. Oh no! This book has you waiting with bated breath to see what happens next. I cannot wait for the next book. Ms Babylon is a genius, who

proves every skeptic who says all romance novels are alike, wrong! All I can say is they have never read an erotic romance Blair Babylon style. ~~Karen R. Amazon Review. "Literary GOLD. Of the three BID books I have read thus far, this is by far my favorite. I haven't cried this much about a book in forever! I mean I literally cried through the final 20 pages of Xan & Georgie's

book.... I mean I tear up every time just thinking about it. Ever had a book that touches your romantic spirit? Ever had a book that breaks your heart? Ever had a book that touched your musical soul? Well this one does that. ADVICE: Do yourself a favor, and don't read these books out of order. I am glad that I went back and read these books in order." - Just Because, Amazon Reviewer
