Pride and Prejudice runs into the Wild West A duke's son not contemplating marriage. A young American woman who bowls him over. Can their friendship turn into love? Laurel Bellamy has no desire to stay in England after her sister marries the handsome and rich Christopher Lockwood, the 6th Marquess of Sheffield. The ridiculous snobbishness from his titled social circle thoroughly sours her on aristocratic life—until she runs into George, literally. George Mitchell's title of Marquess Marlow might work against him when getting to know the exciting cowgirl. Americans don't have an aristocracy, so his title isn't impressing her. While George is utterly drawn to Laurel in a way he never expected, his parent's, The Duke and Duchess of Bromley, are less than satisfied with her lack of title and social standing. With such persistent and devious interference, George must make a choice between his family's traditions and his own happiness. The Duke's Son and the Cowgirl is a Victorian Western romance novel of approximately 53,000 words. No cheating. No cliffhangers, and a guaranteed happily ever after.

1890 A kind-hearted Nevadan cowboy is roped into becoming a matchmaker for a lonely widowed British duke's daughter. Lady Charlotte, twenty-four, is left wealthy by her deceased husband, a British Marquess, but over the past lonely year, she's learned she cannot tell the difference between the true gentlemen who pursue her, and fortune-hunting rogues. When she hears of Laurel Bellamy's wedding, Charlotte worms an invitation out of her former step-son and his wife, Laurel's sister, to travel to America with them to attend. But she quickly learns she doesn't fit it. For the past year, Robert Bellamy's been working part-time as one of his pa's cowhands, and the rest of his time he's caring for his brother's horse ranch—until Charlotte asks him in confidence to

be her matchmaker. She's young and breathtakingly beautiful, and he likes to believe that he always does his best. Right now, Charlotte is in desperate need of a friend, and he will make it his priority to be that friend while she's here, and to find her a husband. When Robert finds himself secretly hoping Charlotte doesn't like the gentlemen who wish to court her, his feelings change from a friend to something deeper. Could it be love?
