Najeeb's dearest wish is to work in the

Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of

his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. Goat Days was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature, Benyamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

In this "courageous" (The Washington Post) memoir of survival, a former

captive of the Islamic State tells her harrowing and ultimately inspiring story. Nadia Murad was born and raised in Kocho, a small village of farmers and shepherds in northern Iraq. A member of the Yazidi community, she and her brothers and sisters lived a quiet life. Nadia had dreams of becoming a history teacher or opening her own beauty salon. On August 15th, 2014, when Nadia was just twenty-one years old, this life ended. Islamic State militants massacred the people of her village, executing men who refused to convert to Islam and women too old to become sex slaves. Six of Nadia's brothers were killed, and her mother soon after, their bodies swept into mass graves. Nadia was taken to Mosul and forced, along with thousands of other Yazidi girls, into

the ISIS slave trade. Nadia would be held captive by several militants and repeatedly raped and beaten. Finally, she managed a narrow escape through the streets of Mosul, finding shelter in the home of a Sunni Muslim family whose eldest son risked his life to smuggle her to safety. Today, Nadia's story—as a witness to the Islamic State's brutality, a survivor of rape, a refugee, a Yazidi—has forced the world to pay attention to an ongoing genocide. It is a call to action, a testament to the human will to survive, and a love letter to a lost country, a fragile community, and a family torn apart by war.

Ann Marie reads fragments of her dead husband's unfinished book, and the many love letters he sent her, and in

them the social and political events of the time. As she ponders over the writing and the years that the brilliant Jithendran squandered working for a toy company that makes drum-playing monkeys, the narrative gives way to the sweeping saga of a village by the river Periyar. Grappling with issues of equality, love, caste, religion and politics, Thachanakkara is a microcosm of twentieth-century Kerala. Told through the history of three generations of a feudal Nair family, this sprawling story is reminiscent of the craft of Gabriel Garcia Marquez's *One Hundred Years of Solitude* and has the scale of Sunil Gangopadhyay's *Those Days*. *Manushyanu Oru Amukham* is an artistic meditation on human existence and is a contemporary classic.

SATYR

Harper Collins

A restlessness born of guilt and despair leads Ravi to embark on a journey that ends in the remote village of Khasak in the picturesque Palghat countryside in Kerala. A land from the past, potent with dreams and legends, enfolds the traveller in a powerful and unsettling embrace. Ravi is bewitched and entranced as everything around him—the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans—takes on the quality of myth. And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there

is no escape from the relentless dictates of karma... Often poetic and dark, always complex and rich, *The Legends of Khasak*, O.V. Vijayan's much-acclaimed first novel, translated into English by the author, is an extraordinary achievement

Great Words Win Hearts Penguin UK
This book analyses how multiple and hybrid 'modernities' have been shaped in colonial and postcolonial India from the lens of sociology and anthropology, literature, media and cultural studies, law and political economy. It discusses the ideas that shaped these modernities as well as the lived experience and practice of these modernities. The two broad foci in this book are: (a) The dynamism of modern institutions in India, delineating the specific ways in which ideas of modernity have come to

define these institutions and how institutional innovations have shaped modernities; and (b) perspectives on everyday practices of modernities and the cultural constituents of being modern. This book provides an enriching read by bringing together original papers from diverse disciplines and from renowned as well as upcoming scholars. *Manjaveyil Maranangal* Juggernaut Books "In a small town by the river Nila, a thirty-five-year-old writer kills herself. Can the dead tell their stories? In the hands of a good forensic surgeon, they certainly can. First published in 2010 in Malayalam as *Oru Police Surgeonte Ormakkurippukal*, this is the bestselling memoir of Kerala's most famous forensic surgeon, Dr B. Umadathan. Popularly known as the 'Sherlock Holmes of Kerala', Dr Umadathan revisits some of his strangest and most interesting cases, like the Chacko murder masterminded by Sukumara Kurup; the sensational Polakkulam case; and the baffling Panoor Soman case. Chilling, shocking and, at times, downright bizarre, *Dead Men Tell Tales* is unputdownable.

A Fight with a Cannon Ratna Translation
Collector Bro: The quixotic 'thallals'*of a civil servant (*Thallal - exaggerated bragging in colloquial Malayalam)This is

a true story. An untold one that played out in the district of Kozhikode when a young IAS officer took charge as the District Collector in 2015. Over the next two years, he led the district and transformed the very concept of public administration with the use of social media, public consultation, usage of technology, volunteerism and public participation in governance. The two year tenure of 'Collector Bro' in Kozhikode transformed the landscape and narrative of district administration and communication with the citizens forever. Within a couple of months, 'Collector Kozhikode' Facebook page became a trendsetter in Kerala, and the most followed district administration page in India. It still is. With initiatives like Compassionate Kozhikode,

Operation Sulaimani, Savari Giri Giri, Kozhipedia, Freedom Café, Yo Appooppa and Tere Mere Beach Mein, IAS officer Prasanth Nair, who was the District Collector of Kozhikode at that time, ushered in a new language of governance that endeavoured to bridge the gap between the district administration and citizens through the optimal employment of social media. The District Collector descended from the colonial ivory towers and mingled as one amongst the common man, totally dismantling the hierarchical stereotypes that the society was used to. This book traces the story of how exactly this happened and how and why the public responded so overwhelmingly to such an initiative. It also chronicles how these experiences transformed the young

officer also - from a hesitant public speaker to a crowd-puller, from an introvert to a seemingly extrovert energetic leader. For the first time, the emotional roller-coaster of events that re-shaped the attitude and language of engagement by District administration is narrated with all the inside-stories. Straight from the horse's mouth. The author however takes pains not to take centre-stage in the book and manages that somewhat with wit and self-deprecating humour. This book has got nothing to do with government; but it is all about governance, life and compassion. At one level it is a collection of case-studies, the most readable and engrossing ones, narrated with fun and illustrations. At another level it is a chronicle of a personal journey of a

compassionate administrator. This is not a typical arrogant bureaucratic 'I did this' book, but an 'I went through this' book. Not a high-horsed motivational 'you can do it' book, but a book that makes you think and prioritise what you want to do in life. As Dr. Shashi Tharoor says in the foreword, a must read for all civil servants, civil-service aspirants, students of public administration and all citizens who dream for a better tomorrow.
