Will Hobbs's classic tale of whitewater adventure is back in print with an exciting new look. No adults, no permit, no river

map. After fifteen-year-old Jessie gets sent to Discovery Unlimited, an outdoor education program, she and six companions "borrow" the company's rafting gear and take off down the Colorado River through the Grand Canyon on their own. Floating beneath sheer red walls, camping on white sand beaches, and exploring caves and waterfalls, Jessie and the others are having the time of their lives—at first. But when they're pursued by helicopters, they boldly push on into the black-walled inner gorge, the heart of the Grand Canyon, only to encounter huge rapids, bone-chilling rain, injuries, and conflict within the group. What will be the consequences of their reckless adventure? This riveting novel includes an author's note about his own rafting experiences

and has been ranked by the American Library Association as a "100 Best of the Best" for twenty-five years—a testament to the enduring popularity of the action and adventure that await in Downriver.

Samuel, 13, spends his days in the forest, hunting for food for his family. He has grown up on the frontier of a British colony, America. Far from any town, or news of the war against the King that American patriots have begun near Boston. But the war comes to them. British soldiers and Iroquois attack. Samuel's parents are taken away, prisoners. Samuel follows, hiding, moving silently, determined to find a way to rescue them. Each day he confronts the enemy, and the

tragedy and horror of this war. But he also discovers allies, men and women working secretly for the patriot cause. And he learns that he must go deep into enemy territory to find his parents: all the way to the British headquarters, New York City.

Lawn Boy Returns Teaching Resources Dancing Carl, Gary Paulsen's first novel, was a ALA Best Book for Young Adults and a Notable Children's Trade Book for the Language Arts. In the winter, life in McKinley, Minnesota, revolves around the rinks, where kids play hockey and grown-ups skate to scratchy phonograph records. Then, the year Marsh and his best friend, Willy, are twelve, Carl appears at the rink, wearing a battered, old leather flight jacket and doing a strange dance that is both beautiful and disturbing to watch. It is Marsh and Willy who discover the terrible secret behind Carl's dance, a secret that threatens to destroy him. But a small miracle occurs, and Carl's dance becomes a fragile and tentative expression of hope and the healing power of love.

Two boys, separated by the canyons of time and two vastly different cultures, face the challenges by which they will become men. Coyote Runs, an Apache boy, takes part in his first raid. But he is to be a man for only a short time. More than a hundred years later, while camping near Dog Canyon, 15-year-old Brennan Cole becomes obsessed with a skull that he finds, pierced by a bullet. He learns that it

is the skull of an Apache boy executed by soldiers in 1864. A mystical link joins Brennan and Coyote Runs, and Brennan knows that neither boy will find peace until Coyote Runs' skull is carried back to an ancient sacred place. In a grueling journey through the canyon to return the skull, Brennan confronts the challenge of his life.

Brian sets out on the hunt of a lifetime in this follow-up to the award-winning classic *Hatchet* from three-time Newbery Honor-winning author Gary Paulsen! Brian Robeson has stood up to the challenge of surviving the wilderness in *Hatchet*, *The River*, *Brian's Winter*, and *Brian's Return*. Now, while camping alone on a lake in the woods, he finds a wounded and whimpering dog. As Brian treats her wounds, he worries about who or what did this to her. His instincts tell him to head north, quickly, to check on his Cree friends. With his new companion at his side, he sets out on the hunt. Gary Paulsen expertly delivers a riveting story that brilliantly combines two of his great themes: the human animal's place in nature, and the mysterious and wonderful bond between humans and dogs. "The

Brian books reveal nature and humankind's place in it with spare prose that seems ideally suited to the setting and plot." —VOYA "Based on real incidents, this well-written sequel to Hatchet and its successors will be gobbled up by the author's legions of fans."

BRIAN'S WINTER : A NOVEL STUDY

[North Battleford, SK] : Rainbow Horizons Pub.

Longlisted for the National Book Award The Newbery Honor-winning author of Hatchet and Dogsong shares surprising true stories about his relationship with animals, highlighting their compassion, intellect, intuition, and sense of adventure. Gary Paulsen is an adventurer who competed in two Iditarods, survived the Minnesota wilderness, and climbed the Bighorns. None of this would have been possible without his truest companion: his animals. Sled dogs rescued him in Alaska, a sickened poodle guarded his well-being, and a horse led him across a desert. Through his interactions with dogs, horses, birds, and more, Gary has been struck with the belief that animals know more than we may fathom. His understanding and admiration of animals is well known, and in *This Side of Wild*, which has taken a lifetime to write, he proves the ways in which they have taught him to be a better person.

"To know things, for us to know things, is bad for them. We get to wanting and when we get to wanting it's bad for them. They think we want what they got . . . That's why they don't want us reading." --

Nightjohn "I didn't know what letters was, not what they meant, but I thought it might be something I wanted to know. To learn."--Sarny Sarny, a female slave at the Waller plantation, first sees Nightjohn when he is brought there with a rope around his neck, his body covered in scars. He had escaped north to freedom, but he came back--came back to teach reading. Knowing that the penalty for reading is dismemberment Nightjohn still returned to slavery to teach others how to read. And twelve-year-old Sarny is willing to take the risk to learn. Set in the 1850s, Gary Paulsen's groundbreaking new novel is unlike anything else the award-winning author has written. It is a meticulously researched, historically accurate, and artistically crafted portrayal of a grim time in our nation's past, brought to light through the personal history of two unforgettable characters.

For fans of Hatchet and *Island of the Blue Dolphins* comes Theodore Taylor's classic bestseller and Lewis Carroll Shelf Award winner, *The Cay*. Phillip is excited when the Germans invade the small island of Curaçao. War has always been a game to

him, and he's eager to glimpse it firsthand—until the freighter he and his mother are traveling to the United States on is torpedoed. When Phillip comes to, he is on a small raft in the middle of the sea. Besides Stew Cat, his only companion is an old West Indian, Timothy. Phillip remembers his mother's warning about black people: "They are different, and they live differently." But by the time the castaways arrive on a small island, Phillip's head injury has made him blind and dependent on Timothy. "Mr. Taylor has provided an exciting story...The idea that all humanity would benefit from this special form of color blindness permeates the whole book...The result is a story with a high ethical purpose but no sermon."—New York Times Book Review "A taut tightly compressed story of endurance and revelation...At once barbed and tender, tense and fragile—as Timothy would say, 'outrageous good.'"—Kirkus Reviews * "Fully realized setting...artful, unobtrusive use of dialect...the representation of a hauntingly deep love, the poignancy of which is rarely achieved in children's literature."—School Library Journal, Starred "Starkly dramatic,

believable and compelling."—Saturday Review "A tense and moving experience in reading."—Publishers Weekly "Eloquently underscores the intrinsic brotherhood of man."—Booklist "This is one of the best survival stories since Robinson Crusoe."—The Washington Star · A New York Times Best Book of the Year · A School Library Journal Best Book of the Year · A Horn Book Honor Book · An American Library Association Notable Book · A Publishers Weekly Children's Book to Remember · A Child Study Association's Pick of Children's Books of the Year · Jane Addams Book Award · Lewis Carroll Shelf Award · Commonwealth Club of California: Literature Award · Southern California Council on Literature for Children and Young People Award · Woodward School Annual Book Award · Friends of the Library Award, University of California at Irvine *The River* Simon and Schuster Fourth-graders Hank, Ashley, and Frankie are excitedly preparing for a magic show at the Rock 'N Bowl when Hank's creative alternative to an English essay lands him in detention and grounded the week of the show.

 NATIONAL BESTSELLER • At once an incredible adventure narrative and a penetrating biographical portrait—the bestselling author of *Destiny of the Republic* brings us the true story of Theodore Roosevelt's harrowing exploration of one of the most dangerous rivers on earth. The River of Doubt—it is a black, uncharted tributary of the Amazon that snakes through one of the most treacherous jungles in the world. Indians armed with poison-tipped arrows haunt its shadows; piranhas glide through its waters; boulder-strewn rapids turn the river into a roiling cauldron. After his humiliating election defeat in 1912, Roosevelt set his sights on the most punishing physical challenge he could find, the first descent of an unmapped, rapids-choked tributary of the Amazon. Together with his son Kermit and Brazil's most famous explorer, Cândido Mariano da Silva Rondon, Roosevelt accomplished a feat so great that many at the time refused to believe it. In the process, he changed the map of the western hemisphere forever. Along the way, Roosevelt and his men faced an unbelievable series of hardships,

losing their canoes and supplies to punishing whitewater rapids, and enduring starvation, Indian attack, disease, drowning, and a murder within their own ranks. Three men died, and Roosevelt was brought to the brink of suicide. *The River of Doubt* brings alive these extraordinary events in a powerful nonfiction narrative thriller that happens to feature one of the most famous Americans who ever lived. From the soaring beauty of the Amazon rain forest to the darkest night of Theodore Roosevelt's life, here is Candice Millard's dazzling debut.

Gary Paulsen's funny follow-up to *Lawn Boy* is full of big surprises and big laughs. *Lawn Boy* says: The summer I was twelve, mowing lawns with Grandpa's old riding mower turned into big business. With advice from Arnold the stockbroker, I learned all about making money. Six weeks and hundred of thousands of dollars later, life got more complicated. You see, the prizefighter I sponsor, Joey Pow, won a big fight. And a TV interview made me famous. As Arnold says, "Capitalism plus publicity equals monster commerce." Even my best friends wanted a piece of the

action. Meanwhile, some scary guys showed up at Joey's gym. . . .

One day I was 12 years old and broke. Then Grandma gave me Grandpa's old riding lawnmower. I set out to mow some lawns. More people wanted me to mow their lawns. And more and more. . . . One client was Arnold the stockbroker, who offered to teach me about "the beauty of capitalism. Supply and Demand. Diversify labor. Distribute the wealth." "Wealth?" I said. "It's groovy, man," said Arnold. If I'd known what was coming, I might have climbed on my mower and putted all the way home to hide in my room. But the lawn business grew and grew. So did my profits, which Arnold invested in many things. And one of them was Joey Pow the prizefighter. That's when my 12th summer got really interesting.

Woodsong HarperCollins
Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel *Hatchet* with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. *Hatchet* has also been nominated as one of America's best-loved novels by PBS's *The Great American Read*. Thirteen-year-old Brian Robeson,

haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.
