ATTENTION: You have just been granted special access to be a fly on the wall and spy in 10 private conversations with people who have the following in common: 1. Every single person in this book has generated over ONE MILLION DOLLARS in online sales 2. They didn't inherit the money. Instead, each person built an online business from scratch, from humble beginnings, stumbled at several obstacles, but thanks to an overwhelming desire to meet their goals, course-corrected their way to success 3. Whether it was through software, seminars, services, affiliate marketing, or information products -- each person found a way to channel their passion to a side business, remove the 80% that didn't work, and scale up the 20% that remained into a full time income 4. Each person you'll hear from found a way to move outside their comfort zone -- and use tools like paid advertising, public speaking, list building, social media, or joint venture to generate traffic and put that business on autopilot 5. All the interviewees listed here are so enthusiastic about their business that they freely share what's working for them -- there's nothing left out, there are no "half baked" action plans, and there are no "closed door" secrets. It's all laid out in the open for you in this guide and it's up to you to apply them Although you might not be a PHP programmer like Robert Plank, a list builder like Lance Tamashiro, a product creator like Kevin Riley, an internet marketer like Willie Crawford, an affiliate marketer like Jason Parker, a business builder like Stu McLaren, a copywriter like Ryan Healy, a strategist like Ray Edwards, a speaker like David Cavanagh, or a teacher like Armand Morin... you can definitely apply the techniques explained here in your own business and everyday life.

Find out exactly where to start, what to do, and how to follow up each action you take with more action to achieve Massive Action results. Learn the "Estimation of Effort" calculation to ensure you exceed your targets Make the Fourth Degree a way of life and defy mediocrity Discover the time management myth Get the exact reasons why people fail and others succeed Know the exact formula to solve problems Extreme success is by definition outside the realm of normal action. We are losing ourselves. We're chasing the wrong things, asking the wrong questions, and polluting our minds. It's time to stop, it's time to resist and it's time to rethink the fundamental social blueprint that our lives are built upon. As an 18-year-old, black, broke, lonely, insecure, university drop-out, from a bankrupt family, I wrote in my diary that I wanted to be a 'Happy Sexy Millionaire' by the age of 25. By 25 I was a multi-millionaire having created a business worth over \$300m dollars. Ironically, in achieving everything I set out to, I learnt that I was wrong about almost everything... The world had lied to me. It lied to me about how you attain fulfilment, love and success, why those things matter, and what those words actually mean. In this book, I'll dismantle the most popular, unaddressed lies about happiness that we've been led to believe. I'll expose the source of these lies, examine the incentives that fuel them and replace them with a practical set of scientifically proven and unconventional ideas that will help you to live a truly fulfilled life, a life full of the love you seek and the success you deserve.

Researcher, thought leader, and New York Times bestselling author Brené Brown offers a liberating study on the importance of our imperfections—both to our relationships and to our own sense of self. The quest for perfection is exhausting and unrelenting. There is a constant barrage of social expectations that teach us that being imperfect is synonymous with being inadequate. Everywhere we turn, there are messages that tell us who, what and how we're supposed to be. So, we learn to hide our struggles and protect ourselves from shame, judgment, criticism and blame by seeking safety in pretending and perfection. Brené Brown, PhD, LMSW, is the leading authority on the power of vulnerability, and has inspired thousands through her top-selling books *Daring Greatly*, *Rising Strong*, and *The Gifts of Imperfection*, her wildly popular TEDx talks, and a PBS special. Based on seven years of her ground-breaking research and hundreds of interviews, *I Thought It Was Just Me* shines a long-overdue light on an important truth: Our imperfections are what connect us to each other and to our humanity. Our vulnerabilities are not weaknesses; they are powerful reminders to keep our hearts and minds open to the reality that we're all in this together. Brown writes, "We need our lives back. It's time to reclaim the gifts of imperfection—the courage to be real, the compassion we need to love ourselves and others, and the connection that gives true purpose and meaning to life. These are the gifts that bring love, laughter, gratitude, empathy and joy into our lives."

Named a Best Book of 2018 by the Financial Times and Fortune, this "thrilling" (Bill Gates) New York Times bestseller exposes how a "modern Gatsby" swindled over \$5 billion with the aid of Goldman Sachs in "the heist of the century" (*Axios*). Now a #1 international bestseller, *BILLION DOLLAR WHALE* is "an epic tale of white-collar crime on a global scale" (*Publishers Weekly*, starred review), revealing how a young social climber from Malaysia pulled off one of the biggest heists in history. In 2009, a chubby, mild-mannered graduate of the University of Pennsylvania's Wharton School of Business named Jho Low set in motion a fraud of unprecedented gall and magnitude—one that would come to symbolize the next great threat to the global financial system. Over a decade, Low, with the aid of Goldman Sachs and others, siphoned billions of dollars from an investment fund—right under the nose of global financial industry watchdogs. Low used the money to finance elections, purchase luxury real estate, throw champagne-drenched parties, and even to finance Hollywood films like *The Wolf of Wall Street*. By early 2019, with his yacht and private jet reportedly seized by authorities and facing criminal charges in Malaysia and in the United States, Low had become an international fugitive, even as the U.S. Department of Justice continued its investigation. *BILLION DOLLAR WHALE* has joined the ranks of *Liar's Poker*, *Den of Thieves*, and *Bad Blood* as a classic harrowing parable of hubris and greed in the financial world.
