The Non-Verbal Ninja Training Course Non-verbal reasoning questions in the 11+ exam provoke anxiety amongst students and parents alike, since the test seems, at first, to

be unlike the activities of normal everyday life. In reality, however, it is straightforward to train to improve one's performance in these puzzles. The Non-Verbal Ninja Training Course from Eureka! Eleven Plus Exams is a three-part series of training books with several features to maximise the skill boost they provide to students. Full explanations are given immediately after each block of questions Visual explanations are provided where these are easier to understand The early questions of each type are easy, testing only one or two rules Challenging, broad-ranging questions are soon introduced Each question teaches an additional skill or reinforces a core skill You are not told in advance exactly what the rule will be, so you build confidence in identifying the rule for yourself - a crucial skill for exam success The series of books, studied in sequence, covers the spectrum of types of format of questions and of the types of rule being tested. Some rules can be tested in many different settings. Dedicated practice and, more importantly, careful

review of the explanations of questions that turned out to be difficult, is the key to success in Non-Verbal Reasoning.

Written by Philip Kay, one

of our very experienced eleven plus tutors, he has used these skills and techniques for many years to explain Verbal Reasoning questions to his pupils. Now this knowledge is contained in this well-structured book which is invaluable in preparing children for their 11+ exam. 18 different Verbal Reasoning question types are explained in a simple "Step by Step" manner. Each question type is dealt with in a separate unit and each unit has two sections: 1. The INTRODUCTION with a worked Verbal Reasoning question and Step-by-Step instructions. 2. PRACTICE QUESTIONS to reinforce the teaching and learning with some "Hints" for extra help.
