A Tempest A
TempestBased on
Shakespeare's The
Tempest, Adaptation for a
Black Theatre
The twenty poems in this

book, presented in French
with facing English
translations, have been
chosen to illustrate
fundamental aspects of
Cesaire's thought,
imagery, and style as
these crystallized into a
single, coherent system in
the late 1940's and the

1950's. The work aims to
assist both nonspecialist
reader and scholar to a
deeper comprehension of
the poems and their
formidable linguistic
difficulties.

 Haunted by scandal and secrets, Lillian Baptiste fled Dominica when she was fourteen after discovering she was the daughter of Iris, the half-crazy woman whose life was told of in chanté mas songs sung during Carnival—songs about a village on a mountaintop littered with secrets, masquerades that supposedly fly and wreak havoc, and a man who suddenly and mysteriously dropped dead. After twenty years away, Lillian returns to

her native island to face the demons of her past—and with the help of Teddy, a man who has loved her for many years, she may yet find a way to heal. Set in both contemporary Washington, D.C., and post-World War II Dominica, *Unburnable* weaves together West Indian history, African culture, and American sensibilities. Richly textured and lushly rendered, *Unburnable* showcases a welcome and assured new voice. *Tempest in the Caribbean*

 Arden Performance Editions are ideal for anyone engaging with a Shakespeare play in performance. With clear facing-page notes giving definitions of words, easily accessible information about key textual variants, lineation, metrical ambiguities and pronunciation, each edition has been developed to open the play's possibilities and meanings to actors and students. Each edition offers: -Facing-page notes

-Short, clear definitions of words -Easily accessible information about key textual variants -Notes on pronunciation of difficult names and unfamiliar words -An easy-to-read layout -Space to write notes -A short introduction to the play The Complete Poetry of Aimé Césaire Springer Church and state during Shakespeare's lifetime were in significant conflict on issues stemming from Henry VIII's break with Rome, issues centering principally on questions of authority and obedience -

religious conformity, the form of church government, the jurisdiction of spiritual and temporal courts, and the source and scope of the monarch's power. To what extent were these disputes present in Shakespeare's work? In her compelling reassessment of Shakespeare's historicity, Donna Hamilton rejects the notion that the official censorship of the day prevented the stage from representing contemporary debates concerning the relations

among church, state, and individual. She argues instead that throughout his career Shakespeare positioned his writing politically and ideologically in relation to the ongoing and changing church-state controversies and in ways that have much in common with the shifts on these issues identified with the Leicester-Sidney-Essex-Southampton-Pembroke group. In her readings of King John, Comedy of Errors, Twelfth Night, Measure for Measure, Cymbeline and

Henry VIII, Hamilton finds Shakespeare reappropriating a wide range of idioms from church-state discourse, particularly those of anti-catholicism and nonconformity. And she uses this language to broach some of the broad social and political issues involving obedience, privacy, property, and conscience - matters that were often the focus of church-state disputes and that provided this historical period with its central rhetorics of subjectivity. In this first

full-scale study of Shakespeare and church politics, Hamilton also provides an important reassessment of censorship practices, of the means by which dissident views circulated, of the centrality of anti-catholic discourse for all church-state debates, and of the overwhelming significance of church-state issues as an agent for print and stage.

A REASSESSMENT

Northwestern World Classics
A troupe of black actors

perform their own *Tempest*. Césaire's rich and insightful adaptation draws on contemporary Caribbean society, the African-American experience and African mythology to raise questions about colonialism, racism and their lasting effects.

SHAKESPEARE AND THE POLITICS OF PROTESTANT ENGLAND

French List
THE STORY: In the 1930s, burlesque impresarios welcomed the hilarious comics and musical

parodies of vaudeville to their decidedly lowbrow niche. A headliner called "the nance"—usually played by a straight man—was a stereotypically camp homosexual and master of comic double entendre. THE NANCE recreates the naughty, raucous world of burlesque's heyday and tells the backstage story of Chauncey Miles and his fellow performers. At a time when it was easy to play gay and dangerous to be gay, Chauncey's uproarious antics on the stage stand out in marked

contrast to his offstage life.

A Tempest University of Chicago Press
This powerful twentieth-century reimagining of Shakespeare's King Lear centers on a wealthy Iowa farmer who decides to divide his farm between his three daughters. When the youngest objects, she is cut out of his will. This sets off a chain of events that brings dark truths to light and explodes long-suppressed emotions. Ambitiously conceived and stunningly written, A Thousand Acres takes on

themes of truth, justice, love, and pride—and reveals the beautiful yet treacherous topography of humanity.

LOCAL APPROPRIATIONS IN FILM AND PERFORMANCE

background notes, act-by-act summaries, and answer keys included.

The Book of Marvels and Travels

Oxford University Press, USA

In Shakespeare's

Tempest, Caliban says to Miranda and Prospero:

"...you taught me

language, and my profit

on't Is, I know how to

curse. " With this

statement, he gives voice

to an issue that lies at the

centre of post-colonial

studies. Can Caliban own

Prospero's language? Can

he use it to do more than

curse? Caliban's Voice

examines the ways in which post-colonial literatures have transformed English to redefine what we understand to be 'English Literature'. It investigates the importance of language learning in the imperial mission, the function of language in ideas of race and place, the link between language and identity, the move from orature to literature and the significance of translation. By demonstrating the dialogue that occurs between writers and

readers in literature, Bill Ashcroft argues that cultural identity is not locked up in language, but that language, even a dominant colonial language, can be transformed to convey the realities of many different cultures. Using the figure of Caliban, Ashcroft weaves a consistent and resonant thread through his discussion of the post-colonial experience of life in the English language, and the power of its transformation into new and creative forms. On the Art of Singing Ubu

Repertory Theater Publications

The articles included in this collection cover a wide range of literatures and topics, but most of them address the ways in which ethnic writers create themselves in opposition and resistance to the mainstream. These narratives of opposition and resistance do not equate protest narratives but represent a consciously subversive effort. There is agency and creativity in the confrontation, for the majority of the these

narratives are not only demystifying an old world and order but creating a new one; there narratives are not reproducing as much as producing and forging culture and literature. The articles we presente resist not only the politics of traditional canon formation but the politics of cultural nationalism as well; they challenge the margins as well as the center. With this revisionist agenda, the aim or this collection is to invite readers to further their rethinking of American and Caribbean

literatures.

A Thousand Acres

Wesleyan University Press
Aimé Césaire's work is foundational for decolonial and postcolonial thought. His *Discourse on Colonialism*, first published in 1955, influenced generations of scholars and activists at the forefront of liberation struggles in Africa, Latin America, and the Caribbean and it remains a classic of anticolonial thought. This unique volume takes the form of a series of interviews with Césaire that were

conducted by Françoise Vergès in 2004, shortly before his death. Césaire's responses to Vergès' questions cover a wide range of topics, including the origins of his political activism, the legacies of slavery and colonialism, the question of reparation for slavery and the problems of marrying literature to politics. The book includes a substantial postface by Vergès in which she situates Césaire's work in its intellectual and political context. This timely book brings

Césaire back into the present-day conversation on race, slavery and the legacy of colonialism. His penetrating insights on these matters should appeal to scholars and students throughout the humanities and social sciences as well as to the general public.

Prospero's Daughter
Routledge

The surrealist poetry of the noted Martinican author, Aime Cesaire, portrays Africa's fight for freedom from colonialism
Shakespeare and the Ethics of Appropriation

University of Toronto Press

An examination of the effects of colonialism on those who are held in check

Unburnable University of Virginia Press

This play by renowned poet and political activist Aime Césaire recounts the tragic death of Patrice Lumumba, the first prime minister of the Congo Republic and an African nationalist hero. A Season in the Congo follows Lumumba's efforts to free the Congolese from Belgian rule and the

political struggles that led to his assassination in 1961. Césaire powerfully depicts Lumumba as a sympathetic, Christ-like figure whose conscious martyrdom reflects his self-sacrificing humanity and commitment to pan-Africanism. Born in Martinique and educated in Paris, Césaire was a revolutionary artist and lifelong political activist, who founded the Martinique Independent Revolution Party. Césaire's ardent personal opposition to Western imperialism and racism

fuels both his profound sympathy for Lumumba and the emotional strength of *A Season in the Congo*. Now rendered in a lyrical translation by distinguished scholar Gayatri Chakravorty Spivak, Césaire's play will find a new audience of readers interested in world literature and the vestiges of European colonialism.

A CULTURAL HISTORY

University Press of Kentucky
The Complete Poetry of Aimé Césaire gathers all

of Césaire's celebrated verse into one bilingual edition. The French portion is comprised of newly established first editions of Césaire's poetic œuvre made available in French in 2014 under the title *Poésie, Théâtre, Essais et Discours*, edited by A. J. Arnold and an international team of specialists. To prepare the English translations, the translators started afresh from this French edition. Included here are translations of first editions of the poet's

early work, prior to political interventions in the texts after 1955, revealing a new understanding of Césaire's aesthetic and political trajectory. A truly comprehensive picture of Césaire's poetry and poetics is made possible thanks to a thorough set of notes covering variants, historical and cultural references, and recurring figures and structures, a scholarly introduction and a glossary. This book provides a new cornerstone for readers

and scholars in 20th century poetry, African diasporic literature, and postcolonial studies.

The Tragedy of King Christophe Bloomsbury Publishing

A collection of ten poems Césaire published in 1949, in an edition including thirty-two etchings by Picasso.

The Transformation of English in Post-Colonial Literatures Univ of California Press

Despite being central to the project of postcolonialism, the concept of resistance has

received only limited theoretical examination. Writers such as Frantz Fanon, Edward Said, and Homi K. Bhabha have explored instances of revolt, opposition, or subversion, but there has been insufficient critical analysis of the concept of resistance, particularly as it relates to liberation or social and cultural transformation. In *Postcolonial Resistance*, David Jefferess looks to redress this critical imbalance. Jefferess argues that interpreting resistance, as these critics

have done, as either acts of opposition or practices of subversion is insufficient. He discerns in the existing critical literature an alternate paradigm for postcolonial politics, and through close analyses of the work of Mohandas Gandhi and the South African reconciliation project, Postcolonial Resistance seeks to redefine resistance to reconnect an analysis of colonial discourse to material structures of colonial exploitation and inequality. Engaging

works of postcolonial fiction, literary criticism, historiography, and cultural theory, Jefferess conceives of resistance and reconciliation as dependent upon the transformation of both the colonial subject and the antagonistic nature of colonial power. In doing so, he reframes postcolonial conceptions of resistance, violence, and liberation, thus inviting future scholarship in the field to reconsider past conceptualizations of political power and opposition to that power.

FRENCH CULTURAL STUDIES

Saddleback Educational Publ

Set on a Caribbean island in the grip of colonialism, this novel is “masterful . . . simply wonderful . . . [an] exquisite retelling of *The Tempest*” (Kirkus Reviews, starred review). When Peter Gardner’s ruthless medical genius leads him to experiment on his unwitting patients—often at the expense of their lives—he flees England, seeking an environ where his

experiments might continue without scrutiny. He arrives with his three-year-old-daughter, Virginia, in Chacachacare, an isolated island off the coast of Trinidad, in the early 1960s. Gardner considers the locals to be nothing more than savages. He assumes ownership of the home of a servant boy named Carlos, seeing in him a suitable subject for his amoral medical work. Nonetheless, he educates the boy alongside Virginia. As Virginia and Carlos come of age

together, they form a covert relationship that violates the outdated mores of colonial rule. When Gardner unveils the pair's relationship and accuses Carlos of a monstrous act, the investigation into the truth is left up to a curt, stonehearted British inspector, whose inquiries bring to light a horrendous secret. At turns epic and intimate, *Prospero's Daughter*, from American Book Award winner Elizabeth Nunez, uses Shakespeare's play as a template to address

questions of race, class, and power, in the story of an unlikely bond between a boy and a girl of disparate backgrounds on a verdant Caribbean island during the height of tensions between the native population and British colonists. "Gripping and richly imagined . . . a master at pacing and plotting . . . an entirely new story that is inspired by Shakespeare, but not beholden to him." —The New York Times Book Review "Absorbing . . . [Nunez] writes novels that resound with thunder and

fury.” —Essence “A story about the transformative power of love . . . Readers are sure to enjoy the journey.” —Black Issues Book Review (Novel of the Year)
