### POPULAR MECHANICS

We are living in the last days as described in the Bible. We are constantly surrounded by threats of war. There are starving people throughout the world. Across the globe, Christians are being murdered and tortured for their faith. Devastation from natural disasters seems to be becoming more commonplace and less shocking. These are the days before the end times. During the tribulation, Christians will be tested like never before. God wants us to be able to survive, both physically and spiritually. Millennial Ranger: Spiritual Survival while Surviving examines both end-times prophecy and how to survive by implementing an adapted version of the US military's survival plan. This is not just a book about how to build fires and find food. This is a book about finding yourself in Christ and being able to do the will of God. Your mission is to harvest souls for Christ. Survival will not matter if you do not accept Jesus into your life and repent of your sins. \"For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord\" (Romans 6:23).
