Fandom and first love collide in in this joyful, feminist contemporary romance from acclaimed author Cori McCarthy—perfect for fans of Rainbow Rowell and Ashley Poston Iris Thorne wants to blaze her own path. That's easier said than done when you're the granddaughter of M. E. Thorne, famous author of the Elementia series, hailed as the feminist response to J. R. R. Tolkien's Lord of the Rings. And with a major motion picture adaptation of her grandmother's books in the works, Iris can say goodbye to her dream of making her own way in the music industry. When Iris and her brother get invited to the film set in Ireland, she's pretty sure the trip will be a nightmare. Except Iris can't deny the rugged beauty of the Irish countryside. And brushing shoulders with the hot, young cast isn't awful, especially the infuriatingly charming lead actor, Eamon O'Brien. Iris even finds the impassioned female director inspiring. But when the filming falls into jeopardy, everything Iris thought she knew about Elementia—and herself—is in question. Will making a film for the big screen help Iris to see the big picture?

## REDEFINING MORALITY. THE CONCEPT OF DHARMA IN ARAVIND ADIGA'S "THE WHITE TIGER"

Simon and Schuster

"Precisely detailed and delicately suggestive: the best work of Gao's yet to appear in English translation."—Kirkus Reviews A collection of six exquisite short stories from Gao Xingjian, the first Chinese writer to win the Nobel Prize in Literature. These beautifully translated stories take as their themes the fragility of love and life, and the haunting power of memory. In "The Temple," the narrator's acute and mysterious anxiety overshadows the delirious happiness of an outing with his new wife on their honeymoon. In "The Cramp" a man narrowly escapes drowning in the sea, only to find that no one even noticed his absence. In the title story the narrator attempts to relieve his homesickness only to find that he is lost in a labyrinth of childhood memories. Everywhere in this collection are powerful psychological portraits of characters whose unarticulated hopes and fears betray the never-ending presence of the past in their present lives.

The White Tiger Strange Chemistry

From the bestselling, Booker Prize-winning author of The White Tiger and Amnesty, a "ferociously brilliant" (Slate) novel about

two brothers coming of age in a Mumbai slum, raised by their crazy, obsessive father to be cricket champions. \*A NETFLIX ORIGINAL SERIES \* AN NPR BEST BOOK OF THE YEAR \* A NEW YORK TIMES and WASHINGTON POST NOTABLE BOOK Manjunath Kumar is fourteen and living in a slum in Mumbai. He knows he is good at cricket—if not as good as his older brother, Radha. He knows that he fears and resents his domineering and cricket-obsessed father, admires his brilliantly talented sibling, and is fascinated by curious scientific facts and the world of CSI. But there are many things, about himself and about the world, that he doesn't know. Sometimes it even seems as though everyone has a clear idea of who Manju should be, except Manju himself. When Manju meets Radha's great rival, a mysterious Muslim boy privileged and confident in all the ways Manju is not, everything in Manju's world begins to change, and he is faced by decisions that will challenge his sense of self and of the world around him. Filled with unforgettable characters from across India's social strata—the old scout everyone calls Tommy Sir; Anand Mehta, the big-dreaming investor; Sofia, a wealthy, beautiful girl and the boys' biggest fan—Selection Day “brings a family, a city, and an entire country to scabrous and antic life” (Chicago Tribune).

A visionary novel from the author of *Super Sad True Love Story* and *Little Failure*. The *Russian Debutante's Handbook* introduces Vladimir Girshkin, one of the most original and unlikely heroes of recent times. The twenty-five-year-old unhappy lover to a fat dungeon mistress, affectionately nicknamed "Little Failure" by his high-achieving mother, Vladimir toils his days away as a lowly clerk at the bureaucratic Emma Lazarus Immigrant Absorption Society. When a wealthy but psychotic old Russian war hero appears, Vladimir embarks on an adventure of unrelenting lunacy that takes us from New York's Lower East Side to the hip frontier wilderness of Prava--the Eastern European Paris of the nineties. With the help of a murderous but fun-loving Russian mafioso, Vladimir infiltrates the Prava expat community and launches a scheme as ridiculous as it is brilliant. Bursting with wit, humor, and rare insight, *The Russian Debutante's Handbook* is both a highly imaginative romp and a serious exploration of what it means to be an immigrant in America.

Welcome to Kittur, India. It's on India's southwestern coast, bounded by the Arabian Sea to the west and the Kaliamma River to the south and east. It's blessed with rich soil and scenic beauty, and it's been around for centuries. Of its 193,432 residents, only 89 declare themselves to be without religion or caste. And if the characters in *Between the Assassinations* are any indication, Kittur is an extraordinary crossroads of the brightest minds and the poorest morals, the up-and-coming and the downtrodden, and the poets and the prophets of an India that modern literature has rarely addressed. A twelve-year-old boy named Ziauddin, a gofer at a tea shop near the railway station, is enticed into wrongdoing because a fair-skinned stranger treats him with dignity and warmth. George D'Souza, a mosquito-repellent sprayer, elevates himself to gardener and then chauffeur to the lovely, young Mrs. Gomes, and then loses it all when he attempts to be something more. A little girl's first act of love for her father is to beg on the street for money to support his drug habit. A factory owner is forced to choose between buying into underworld economics and blinding his staff or closing up shop. A privileged schoolboy, using his own ties to the Kittur underworld, sets off an explosive in a Jesuit-school classroom in protest against casteism. A childless couple takes refuge in a rapidly diminishing forest on the outskirts of town, feeding a group of "intimates" who visit only to mock them. And the loneliest member of the Marxist-Maoist Party of India falls in love with the one young woman, in the poorest part of town, whom he cannot afford to wed. *Between the Assassinations* showcases the most beloved aspects of Adiga's writing to brilliant effect: the class struggle rendered personal; the fury of the underdog and the fire of the iconoclast; and the prodigiously ambitious narrative talent that has earned Adiga acclaim around the world and comparisons to Gogol, Ellison, Kipling, and Palahniuk. In the words of *The Guardian* (London), "*Between the Assassinations* shows that Adiga...is one of the most important voices to emerge from India in recent years." A blinding, brilliant, and brave mosaic of Indian life as it is lived in a place called Kittur, *Between the Assassinations*, with all the humor, sympathy, and unflinching candor of *The White Tiger*, enlarges our understanding of the world we live in today.

A Spare and Unsparing Look at Affliction and Recovery that Heralds a Stunning New Voice The events that began in 1995 might keep happening to me as long as things can happen to me. Think of deep space, through which heavenly bodies fly forever. They fly until they change into new forms, simpler forms, with ever fewer qualities and increasingly beautiful names. There are names for things in spacetime that are nothing, for things that are less than nothing. White dwarfs, red giants, black holes, singularities. But even then, in their less-than-nothing state, they keep happening. At twenty-one, just starting to comprehend the puzzles of adulthood, Sarah Manguso was faced with another: a wildly unpredictable disease that appeared suddenly and tore through her twenties, vanishing and then returning, paralyzing

her for weeks at a time, programming her first to expect nothing from life and then, furiously, to expect everything. In this captivating story, Manguso recalls her nine-year struggle: arduous blood cleansings, collapsed veins, multiple chest catheters, the deaths of friends and strangers, addiction, depression, and, worst of all for a writer, the trite metaphors that accompany prolonged illness. A book of tremendous grace and self-awareness, *The Two Kinds of Decay* transcends the very notion of what an illness story can and should be.

Seminar paper from the year 2016 in the subject American Studies - Literature, grade: 1,0, University of Kassel (Anglistik/Amerikanistik Literaturwissenschaft), course: Visions of India, language: English, abstract: The guiding question of this paper is how Balram justifies his criminal acts and on which moral concept he bases his decisions. In the course of this paper, I will attempt to show that the protagonist is a gritty anti-hero who does not act in accordance to dharma and reinvents his own concept of morality. The first chapter will give a brief explanation of dharma, one of the four purushartas, a significant concept in Indian philosophy, especially in Hinduism when talking about morality. "Dharma is inextricably linked with the ethos of India and the entire personal, social, ecological, and spiritual life is guided by it for ultimate liberation" (Mathew, 2015:131). In the following chapter, the criminal acts committed by the protagonist and the circumstances and reasons leading to it will be analyzed in terms of morality, taking the concept of dharma into consideration. This chapter underlies the difficulty of how to cope with the paradox issue of the protagonist being a murderer and a victim at the same time. Subsequently, the strategies employed by the protagonist to justify his immoral acts will be discussed in detail, attempting to find out how Balram distinguishes between right and wrong. Firstly, the depiction of other humans in the novel will be examined since the narrator strategically portrays them as being immoral and corrupt in order to comparatively put himself on a higher level. Secondly, his heroic self-image will be analyzed, considering his name 'the white tiger'. The third subchapter will focus on how the protagonist employs the metaphor of the rooster coop as a justification for the murder, taking the consequences of the murder into account and discussing Balram's ultimate aims.

How are linguistic wars for global prominence literarily and linguistically inscribed in literature? This book focuses on the increasing presence of cosmetic multilingualism in prize-winning fiction, making a case for an emerging transparent-turn in which momentary multilingualism works in the service of long-term monolingualism.

About the Book : - Winner of the Man Booker Prize 2008 Meet Balram Halwai, the 'white tiger': servant, philosopher, entrepreneur, murderer Born in a village in the dark heart of India, the son of a rickshaw puller, Balram is taken out of school and put to work in a teashop. As he crushes coal and wipes tables, he nurses a dream of escape. His big chance comes when a rich landlord hires him as a chauffeur for his son, daughter-in-law, and their two Pomeranian dogs. From behind the wheels of a Honda, Balram sees Delhi and begins to see how the Tiger might escape his cage. For surely any successful man must spill a little blood on his way to the top' *The White Tiger* is a tale of two Indias. Balram's journey from the darkness of village life to the light of entrepreneurial success is utterly amoral, brilliantly irreverent, deeply endearing and altogether unforgettable.

"The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian

magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. The author's world encompasses dilapidated fight arenas, state mental hospitals & chaotic emergency rooms. The inhabitants are his brilliantly etched characters, who battle desperately against fate in a game of life they cannot win but dare not lose. As we approach the end of the century & the millennium, no one writes better or more vividly than Jones does about the personal, private apocalypses we all face in our darkest moments. In one story, a Vietnam vet, a Recon Marine, swims alone across the English Channel, the Straits of Gibraltar, & the Bosphorus to maintain "the edge" that kept him alive in wartime - & that is all he now has left. In another, a brilliant doctor verges on a breakdown. In the title story, a young amateur fighter stoically endures repetitive beatings because he knows the world of boxing shields & protects him from the even crueller world outside of the ring. A number of these stories have appeared in different forms in the *New Yorker*, *Playboy*, & *Esquire*.

World Bank literature is more than a concept -- it is a provocation, a call to arms. It is intended to prompt questions about each word, to probe globalization, political economy, and the role of literary and cultural studies. As asserted in this major work, it signals a radical rewriting of academic debates, a rigorous analysis of the World Bank and the International Monetary Fund (IMF), and a consideration of literature that deals with new global realities. Made more relevant than ever by momentous antiglobalization demonstrations in Seattle and Genoa, World Bank Literature brings together essays by a distinguished group of economists, cultural and literary critics, social scientists, and public policy analysts to ask how to understand the influence of the World Bank/IMF on global economic power relations and cultural production. The authors attack this question in myriad ways, examining World Bank/IMF documents as literature; their impact on developing nations; the relationship between literature and globalization; the connection between the academy and the global economy; and the emergence of coalitions confronting the new power. World Bank Literature shows, above all, the multifarious and sometimes nefarious ways that abstract academic debates play themselves out concretely in social policy and cultural mores that reinforce traditional power structures.

John Banville's stunning powers of mimicry are brilliantly on display in this engrossing novel, the darkly compelling confession of an improbable murderer. Freddie Montgomery is a highly cultured man, a husband and father living the life of a dissolute exile on a Mediterranean island. When a debt comes due and his wife and child are held as collateral, he returns to Ireland to secure funds. That pursuit leads to murder. And here is his attempt to present evidence, not of his innocence, but of his life, of the events that lead to the murder he committed because he could. Like a hero out of Nabokov or Camus, Montgomery is a chillingly articulate, self-aware, and amoral being, whose humanity is painfully on display.

A New York Times Notable Book of the Year Winner of the Somerset Maugham Award *The Country Life*, Rachel Cusk's third novel, is a rich and subtle story about embarrassment, awkwardness, and being alone; about families, or the lack of them; and about love in some peculiar guises. "A brilliant oxymoron—a serious farce . . . Cusk's ability to keep us interested in innumerable human collisions is uncanny." —The New Yorker Stella Benson sets off for Hilltop, a tiny Sussex village housing a family that is somewhat larger-than-life. Her hopes for the Maddens may be high, but her station among them—as a pair to their irascible son, Martin—is undeniably low. What could possibly have driven her to leave her home, job, and life in London for such rural ignominy? Why has she severed all contact with her parents? And why is she so reluctant to talk about her past?
