Letting Go of the Goodness Gospel

Baker Books

No one can deny our culture is opposed to Christian values, and the influences bombarding our children's moral development are difficult to contend with. But few parents and church leaders realize that a child's moral development is set by the age of nine. It is therefore critical to start developing a child's biblical worldview from the very earliest years of life. The problem is complex: parents who themselves did not receive early spiritual training leave their children's training to the church. Yet the church often focuses on older children. The answer is for churches to come alongside parents to provide them biblical worldview training, parenting information, and counseling that will equip them to help their children become the spiritually mature church of tomorrow. This helpful and hopeful book unpacks just how to develop this kind of dynamic church/parent relationship and

includes profiles of churches that are effectively ministering to children and winning the war for their hearts and minds.

Child Discipleship and the Fearless Future of the Church Baker Books

In the strange, us-versus-them Christian subculture of the 1990s, a person's faith was measured by how many WWJD bracelets she wore and whether he had kissed dating goodbye. Evangelical poster child Addie Zierman wore three bracelets asking what Jesus would do. She also led two Bible studies and listened exclusively to Christian music. She was on fire for God and unaware that the flame was dwindling—until it burned out. Addie chronicles her journey through church culture and first love, and her entrance—unprepared and angry—into marriage. When she drops out of church and very nearly her marriage as well, it is on a sea of tequila and depression. She isn't sure if she'll ever go back. When *We Were on Fire* is a funny, heartbreaking story of untangling oneself from what is expected to arrive at faith that is not bound by tradition or current church

fashion. Addie looks for what lasts when nothing else seems worth keeping. It's a story for doubters, cynics, and anyone who has felt alone in church.

If the Tomb Is Empty Revell

Some memories are permanently seared into our childhood brains with a hot iron of adrenaline and fear. For five-year-old Greg, it was the memory of his ma walking back to the house after confronting his stepdad with a splintered, bloodied baseball bat in her hand. Greg Stier was raised in a family of bodybuilding, tobacco-chewing, fist-fighting thugs. He never knew his biological father because his mom had met his dad at a party; she got pregnant, and he left town. Though his mom almost aborted him, in a last-minute twist, Greg's life was spared for so much more. *Unlikely Fighter* is the incredible story of how God showed up in Greg's life—and how he can show up in yours as well. This is a memoir of violence and mayhem—and how God can transform everything.

TURNING KID-INFLUENCERS INTO LIFELONG DISCIPLE MAKERS

Pan Australia

The thrilling international bestseller from Australia's favourite novelist, author of the Scarecrow series and Jack West Jr series with new novel *The One Impossible Labyrinth* out now. "Reilly hurls readers into an adrenaline-drenched thrill ride ... impossible to put down." *Orlando Sentinel* "Reilly ... can inspire awe. Speed demons, take note." *Publishers Weekly* The New York State Library. A silent sanctuary of knowledge; a 100-year-old labyrinth of towering bookcases, narrow aisles and spiralling staircases. For Doctor Stephen Swain and his eight-year-old daughter, Holly, it is the site of a nightmare. For one night, the State Library is to be the venue for a contest. A contest in which Stephen Swain is to compete - whether he likes it or not. The rules are simple: seven contestants will enter, only one will leave. With his daughter in his arms, Swain is plunged into a terrifying fight for survival. He can choose to run, to hide or to fight - but if he wants to live, he has to win. Because in a contest like this, unless you leave as the victor, you do not leave at all. Fans of Clive Cussler, Tom Clancy and Michael Crichton will love Matthew Reilly. **Becoming a Church that Cares Well for the Abused** St. Martin's Press Originally published: Boston : Houghton Mifflin, 1985.

Nonbeliever Nation Academic Press The Bible. You've heard of it, yes? Maybe something about David and Goliath or Noah's ark, or a baby in a manger? What if I told you there was tons of stuff in the Bible that you've never heard about? Things like talking donkeys, self-conscious magicians, and kings who think they're cows. The Bible is a curious book full of deeply flawed people and a God who refuses to give up on them. Don't believe me? Look for yourself. In these 60 devotions, we examine these unique stories, the circumstances and biblical truth around them, and what they reveal about the heart of God.

Volume 4: Handbook of Stress Awana Clubs International

Dave Brunn has been an international Bible translator for many years. In this book, he gives us a window into the inner workings of translation practice to help us sort out the many competing claims for various English Bible translations.

The One Year Book of Devotions for Preschoolers CRC Press

Relationship is the greatest faith-shaping tool a parent possesses. Because kids learn about following Christ mostly from their parents, we have a huge responsibility to model authentic faith and its practice on a daily basis. Steve and Valerie Bell offer *Faith-Shaped Kids* as a

practical tool to help parents maximize their relationship with their children in such a way as to draw them to faith. Filled with life lessons and useful suggestions, this resource helps readers ride out the roller-coaster ride called parenting. *Faith-Shaped Kids* is co-published with the Willow Creek Association (WCA). The WCA is affiliated with Willow Creek Community Church, the largest church in America, and serves thousands of pastors and Christian leaders through North America. Its primary goal is to foster local church transformation and vitality.

Unlikely Fighter Hachette UK

Leading a child to Christ is a unique opportunity given by the Holy Spirit. But it also requires skill and patience on the part of an adult. This guide will help you discover effective ways to gently point children toward Christ and the salvation He offers. Learn first the doctrinal bases for witnessing to children, then the psychological needs and wants of a child. A third section on methods and techniques lists dos and don'ts of child evangelism. Real-life examples illustrate the principles involved in leading children to Christ. Daniel Smith has years of experience in child evangelism as well as ongoing concern for quality in presenting the gospel to boys and girls. Apply the principles discussed here in one of the most important privileges of an adult: leading a child to the Savior.

THE HEART OF A FATHER

W. W. Norton & Company

A new group of Americans is challenging the reign of the Religious Right Today, nearly one in five Americans are nonbelievers - a rapidly growing group at a time when traditional Christian churches are dwindling in numbers - and they are flexing their muscles like never before. Yet we still see almost none of them openly serving in elected office, while Mitt Romney, Rick Santorum, and many others continue to loudly proclaim the myth of America as a Christian nation. In *Nonbeliever Nation*, leading secular advocate David Niose explores what this new force in politics means for the unchallenged dominance of the Religious Right. Hitting on all the hot-button issues that divide the country - from gay marriage to education policy to contentious church-state battles - he shows how this movement is gaining traction, and fighting for its rights. Now, Secular Americans—a group comprised not just of atheists and agnostics, but lapsed Catholics, secular Jews, and millions of others who have walked away from religion—are mobilizing and forming

groups all over the country (even atheist clubs in Bible-belt high schools) to challenge the exaltation of religion in American politics and public life. This is a timely and important look at how growing numbers of nonbelievers, disenchanted at how far America has wandered from its secular roots, are emerging to fight for equality and rational public policy. *Relational Children's Ministry* Moody Publishers

Many women feel as if they do not do enough and are not enough. They're always trying hard to be good: a good friend, mom, wife, Christian, employee, or ministry leader, hoping for that "atta-girl" from God. With compelling illustrations from her own life, Christine Hoover leads readers to the understanding that they're living by a lesser gospel, the gospel of goodness, one without Christ's grace. Relying on Scripture, they can start asking, "What does God want for me?" before asking, "What does God want from me?" Women will breathe a sigh of relief at this powerful message of freedom and hope. Rather than serving God out of obligation or duty, they'll be compelled to love and serve God with great joy.

Old Testament Object Lessons for Kids Moody Publishers

New York Times Bestseller Named one of the Best Books of the Year by the San Francisco Chronicle Finalist for the George Washington Prize Finalist for the Library of Virginia Literary Award A New York Times Book Review Editors' Choice Selection "An important book...[R]ichly rewarding. It is full of fascinating insights about Jefferson." —Gordon S. Wood, *New York Review of Books* Hailed by critics and embraced by readers, "Most Blessed of the Patriarchs" is one of the richest and most insightful accounts of Thomas Jefferson in a generation. Following her Pulitzer Prize-winning *The Hemingses of Monticello*, Annette Gordon-Reed has teamed with Peter S. Onuf to present a provocative and absorbing character study, "a fresh and layered analysis" (*New York Times Book Review*) that reveals our third president as "a dynamic, complex and oftentimes contradictory human being" (*Chicago Tribune*). Gordon-Reed and Onuf fundamentally challenge much of what we thought we knew, and through their painstaking research and vivid prose create a portrait of Jefferson, as he might have painted himself, one "comprised of equal parts sun and shadow" (*Jane Kamensky*).

That Sounds Fun Vintage Canada

Getting some kids to participate in a small-group discussion can be a challenge! Here is a book in a foolproof format that

engages and keeps them involved in the topic. Written for kids in grades 3-6, fun activities, Bible studies and thought-provoking questions to lay a foundation of faith for life. • Easy-to-use format • Builds discipleship into kids' lives • Weekly "Get Real" page for kids to use in connecting with God, applying Bible truth to life • CD-ROM with entire text of the book is emailable, fully reproducible
[Holstein-Friesian Herd-book ResilientChild Discipleship and the Fearless Future of the Church](#)

A New York Times Bestseller! We know there are certain things we must have to survive--food, shelter, and safety to name a few. But there are also aspects of life that truly allow us to be joyful and fulfilled. For popular podcaster and bestselling author Annie F. Downs, fun is close to the top of that list. Few would argue that having fun doesn't enrich our lives, but so much gets in the way of prioritizing it. Tough days, busyness, and feelings that are hard to talk about keep us from the fun that's out there waiting to be found. With *That Sounds Fun*, Annie offers an irresistible invitation to understand the meaning of fun, to embrace it and chase it, and to figure out what, exactly, sounds fun to you--then do it! Exploring some research and sharing some thoughts behind why fun matters, she shows you how to find, experience, and multiply your fun. With her signature storytelling style and whimsical vulnerability, Annie is the friend we all need to guide us back to staying true to ourselves and finding the fun we need.

"MOST BLESSED OF THE PATRIARCHS": THOMAS JEFFERSON AND THE EMPIRE OF THE IMAGINATION

B&H Publishing Group
 Even with the increase of methods and classes, effective life change resulting from the teaching of Christian truth seems to be on the decline. Seeking to stem this trend, Gregory Carlson looks at the distinctive model of the Master Teacher, Jesus, in *Rock-Solid Teacher*. This exciting new resource uses the distinctive model of Jesus' teaching to establish sound teaching principles and then practically apply them to impact children, youth, and adults. Teachers of all ages will gain confidence in their personal teaching abilities by being able to recognize good teaching practices, evaluate their own skills, mentor others, enhance their own ability to write lessons, and mirror Jesus' sound teaching principles.

Beneficiation and Sustainability

Tyndale House Publishers, Inc.
 Master cake artist and a man of profound faith, Jack Phillips found himself in the middle of one of the highest-profile religious freedom cases of the century. In July 2012, two men came to Jack Phillips's shop requesting a custom wedding cake celebrating their same-sex marriage. In a brief exchange, Jack politely declined the request, explaining that he could not design cakes for same-sex weddings but offered to design cakes for other occasions and to sell them anything else in his shop. Little did Jack know that his quiet stand for his Christian convictions about marriage would become a battle for the right of all Americans to live out their faith. Now, Jack Phillips shares his harrowing experience for the first time in this powerful new memoir. *The Cost of My Faith* is Jack's firsthand account from the frontlines of the battle with a culture that is making every effort to remove God from the public square and a government denying Bible-believing Christians the right to freely exercise their religious beliefs. Despite a Supreme Court victory in *Masterpiece Cakeshop v. Colorado Civil Rights Commission*, the fight to protect the right of Americans to freely exercise their beliefs is more critical than ever. *The Cost of My Faith* provides new insight into the case that shook the country and offers readers courage and inspiration to stand and live out their faith when facing their own battles.

Pressure Politics in Congress Party

Pinnacle Books
 Memorizing Scripture has been proven to be an essential, life-giving practice for spiritual growth. Those who memorize passages from the Bible can point to how it's given them greater assurance of God's love and a deeper understanding of how to follow Jesus. In this new resource by two leaders of the worldwide missional church movement, Scripture memorization is put to new use, helping believers in Jesus to become active partners in proclaiming and demonstrating that the Kingdom of God is living and active and good for the world. Join Michael Frost and Graham Hill on this journey into the Bible, learn how your brain can be formed and transformed by the Scriptures, and find yourself better equipped to live and declare the good news of Jesus Christ. Special features: The "Kingdom Impact Memory System" includes 40 memory verses, each in 4 translations: NIV, ESV, NLT, and MSG The tear-out verse cards use the BELLS method from the bestselling *Surprise the World: Blessing others, Eating together, Learning Christ, Listening to the Spirit, Being Sent with a Missionary Focus Follows*

the familiar, easy-to-use approach of the Topical Memory System 20-week study immerses readers in each BELLS theme and accompanying memory verses Appendixes provide alternative schedules for regular study and memorization A recommended reading list supplements each theme in the BELLS method

The Story of How a Fatherless Street Kid Overcame Violence, Chaos, and Confusion to Become a Radical Christ Follower

Baker Books
 This fourth volume in the Handbook of Stress series, *Stress: Genetics, Epigenetics and Genomics*, deals with the influence that genetics, epigenetics, and genomics have on the effects of and responses to stress. Chapters refer to epigenetic mechanisms that involve DNA methylation, histone modification, and/or noncoding RNA-associated gene activation or silencing. There is also coverage of epigenetic mechanisms in stress-related transgenerational transmission of characteristics, and how these may help explain heritability in some complex human diseases. The Handbook of Stress series, comprised of self-contained volumes that each focus on a specific stress area, covers the significant advances made since the publication of Elsevier's *Encyclopedia of Stress* (2000 and 2007). Volume 4 is ideal for graduate students, post-doctoral fellows, faculty and clinicians interested in stress genetics, epigenetics and genomics involved in neuroendocrinology, neuroscience, biomedicine, endocrinology, psychology, psychiatry and the social sciences. Articles carefully selected by eminent stress researchers and prepared by contributors representing outstanding scholarship in the field, with each chapter fully vetted for reliable expert knowledge Richly illustrated with explanatory figures and tables Each chapter includes a boxed "Key points call out section Affordably priced, self-contained volume for readers specifically interested in stress genetics and epigenetics, removing the need to purchase the whole Handbook series
[How to Raise a Modern-Day Joseph](#) Gospel Light Publications
 The shocking true crime story of a California bride who took her wealthy husband for everything he had—including his life. *Everything She Wanted . . .* Rebecca Salcedo had an easy smile, a sexy body, and strong appetites—she wanted the world. Bruce Cleland, she decided, would buy it for her. The shy engineer quickly fell victim to her charms, getting her whatever she wanted. A new car. A boat. A house. But he wasn't Rebecca's only admirer . . . She Got . . .

Even after Rebecca manipulated Bruce into marrying her, hoping to divorce him and take him for everything he had, she occupied herself with a series of lovers. Male strippers, women . . . they all spent time in Rebecca's bed. But when she learned that a divorce would only get her a few pennies, she knew she had to find another way to secure Bruce's fortune. Even Murder . . . Enlisting two family members as killers-for-hire, Rebecca set in motion her solution to the problem. While she watched, the first bullet hit Bruce in the face. Three more would follow. But while Rebecca kept the blood off her hands, she could not conceal evidence that led straight to her, culminating in a trial that would shock a community. With sixteen pages of shocking photos Praise for Honeymoon with a Killer "The sordid

tale of an innocent man and the woman who plotted his murder. . . . Lassetter and Bowers provide readers with a highly detailed depiction of events leading up to and following the gruesome murder of Bruce Cleland. True crime aficionados will savor this riveting read." —Publishers Weekly, starred review

52 WEEKS OF SOUL-EMPOWERING PRAYERS THAT WILL STRENGTHEN YOUR ARMOR FOR BEGINNERS AND ADVANCE WARRIORS

Northern Book Centre

Is your church prepared to care for individuals who have experienced various forms of abuse? As we continue to learn of more individuals experiencing sexual abuse, domestic violence, and other forms of abuse, it's clear that resources are needed to help ministries and leaders care

for these individuals with love, support, and in cooperation with civil authorities. This handbook seeks to help the church take a significant step forward in its care for those who have been abused. Working in tandem with the Church Cares resources and videos, this handbook brings together leading evangelical trauma counselors, victim advocates, social workers, attorneys, batterer interventionists, and survivors to equip pastors and ministry leaders for the appropriate initial responses to a variety of abuse scenarios in churches, schools, or ministries. Though the most comprehensive training is experienced by using this handbook and the videos together, readers who may be unable to access the videos can use this handbook as a stand-alone resource.
