From the bestselling author of *Wreck This Journal* comes Keri Smith's *Adventure Lab*--a custom-designed boxed set featuring *How to Be an Explorer of the World*, *Finish This Book*, and *The Imaginary World of...*--plus an original map for readers to make their own. Now in one brand-new box, Keri Smith's trio of imagination-expanding books: *How to Be an Explorer of the World*, *Finish This Book*, and *The Imaginary World of...* Whether you want to explore the world around you, delve into the mysteries of another, or create a completely new one, this boxed set provides the keys, as well as a map to document your adventures.

Penguin Classics

From the internationally bestselling creator of *Wreck This Journal*... wan-der verb \ˈwān-dər\ to walk/explore/amble in an unplanned or aimless way with a complete openness to the unknown Several years ago when Keri Smith, bestselling author of *Wreck This Journal*, discovered cryptic handwritten notations in a worn copy of Walt Whitman's *Leaves of Grass*, her interest was piqued. Little did she know at the time that those simple markings would become the basis of a years-long, life-changing exploration into a mysterious group known only as *The Wander Society*, as well as the subject of this book. Within these pages, you'll find the results of Smith's research: A guide to the *Wander Society*, a secretive group that holds up the act of wandering, or unplanned exploring, as a way of life. You'll learn about the group's mysterious origins, meet fellow wanderers through time, discover how wandering feeds the creative mind, and learn how to best practice the art of wandering, should you choose to accept the mission.

Remember those childhood days spent running in your bare feet, playing make-believe, and most of all, living life with wonderment? That youthful enthusiasm and playfulness are key to discovering who you are and what you love to do. *Living Out Loud* is the perfect prescription for a creative jump start to your life. Included are games, projects, activities, crafts, postcards, and playful ideas that will send you off on an exciting adventure, where you'll discover inspiration around and within you.

*50 True Stories of Daring Women of God* St. Martin's Press

With *Zen as F\*ck Journal*, you'll find moments of profanity-laced catharsis and joy through journaling activities and inspirations that are positive as f\*ck. Within these truly charming pages, you'll find ways to let go of the bullsh\*t and lift your spirit a little f\*cking higher.

*Mess Wreck This Journal Everywhere*

From the internationally bestselling creator of *Wreck This Journal*, a guide to building your own perfect world. In *The Imaginary World of...*, Keri Smith asks readers to imagine something new: a unique world of their own making. Readers start by creating a list of everything to which they're drawn: things they love and collect, colors, shapes, ideas, people, and creatures that fascinate them. The items in the list will become the building blocks for their imaginary worlds, used to create texture and establish a foundation for the new place they'll begin to inhabit. Readers will then be prompted to think about landscape, place names, maps, currency, residents, logos, foods, histories, and more for their world. An indispensable guide for artists, dreamers, activists, and explorers of all ages, *The Imaginary World of...* will encourage readers to become revolutionaries of everyday life, chronicling the possibilities in the brave new worlds they envision.

Anti Journal is no ordinary journal, it's an anarchic, therapeutic route to personal and artistic discovery packed with partially illustrated pages to complete in imaginative unconventional ways. For all ages, bedroom journalers, total novices or professional artists, *Anti Journal* is sheer creative bliss and the catalyst for discovering your own twist: create, pattern, draw, paint, disguise, stain, collage, construct, colour, stitch, sketch, write, tape, document and discover talents you never knew you had. Create beyond the norm: use paint, pens, pencils, chalk, but how about old clothes, fruit peel, cellphones, emotions, highlighters, digital media, physical actions, junk, photography and nature too? *Anti Journal* knows no boundaries or rules. It's the personal tool for expression and will stir your imagination out of even the deepest slumber. No matter where you go, just carry your handy-sized *Anti Journal* in your bag and live a more creative life. It's therapeutic, joyous and expressive - its journaling outside of the box.

*The Emotional Craft of Fiction* Chronicle Books

Equal parts mail art, data visualization, and affectionate correspondence, *Dear Data* celebrates "the infinitesimal, incomplete, imperfect, yet exquisitely human details of life," in the words of Maria Popova (*Brain Pickings*), who introduces this charming and graphically powerful book. For one year, Giorgia Lupi, an Italian living in New York, and Stefanie Posavec, an American in London, mapped the particulars of their daily lives as a series of hand-drawn postcards they exchanged via mail weekly—small portraits as full of emotion as they are data, both mundane and magical. *Dear Data* reproduces in pinpoint detail the full year's set of cards, front and back, providing a remarkable portrait of two artists connected by their attention to the details of their lives—including complaints, distractions, phone addictions, physical contact, and desires. These details illuminate the lives of two remarkable young women and also inspire us to map our own lives, including specific suggestions on what data to draw and how. A captivating and unique book for designers, artists, correspondents, friends, and lovers everywhere.

### THE STICKER, STENCIL, STATIONERY, GAMES, CRAFTS, DOODLE, AND JOURNAL BOOK FOR GIRLS!

Penguin

The special limited edition red mesh cover of the international bestseller... For anyone who's ever had trouble starting, keeping, or finishing a journal or sketchbook comes this expanded edition of *Wreck This Journal*, an illustrated book that features a subversive collection of prompts, asking readers to muster up their best mistake and mess-making abilities and to fill the pages of the book (or destroy them). Through a series of creatively and quirkily illustrated prompts, acclaimed artist Keri Smith encourages journalers to engage in "destructive" acts--poking holes through pages, adding photos and defacing them, painting pages with coffee, coloring outside the lines, and more--in order to experience the true creative process. With Smith's unique sensibility, readers are introduced to a new way of art and journal making, discovering novel ways to escape the fear of the blank page and fully engage in the creative process.

*An Adventure into Your Creative Depths* Penguin Books

From the internationally bestselling creator of *Wreck This Journal*, a curious, engaging, and creative rethinking of all the different things a book can be. In this uniquely skewed look at the purpose and function of a "book", Keri Smith offers an illustrated guide that challenges readers to creatively examine all the different ways *This Is Not a Book* can be used. With intriguing prompts, readers will discover that the book can be: A secret message—tear out a page, write a note on it for a stranger, and leave it in a public place. A recording device—have everyone you contact today write their name in the book. An instrument—create as many sounds as you can using the book, like flipping

the pages fast or slapping the cover. This Is Not a Book forces you to ask, "If it's not a book, what is it then?"—with a kaleidoscope of possible answers.

An Indie Next List Selection Keri Smith, creator of the mega-bestselling *Wreck This Journal*, now brings her imagination and inspiration to children with this picture book that explores the very active experience of reading. What if there were a book that changed every time you read it? Actually, every book does this. We are all part of the books we read, because our individual reactions, ideas, and emotions make the book whole, and these things are changing all the time. Keri Smith has helped millions of people free their creativity and find their own voice with her interactive books, and now she brings that sensibility to children and to the act of reading. This picture book is an invitation to honor your own vision and to welcome imperfection. Kids will discover that reading can engage all five senses, and that what they themselves bring to a book is an important contribution. (And of course they'll be invited to do a bit of harmless wrecking!)

There's this weird gap in life that's fuelled by cheap tacos and even cheaper tequila - also known as our twenties. It's a specific limbo between being a teenager and a Proper Adult, and though it's wildly confusing, often lonely, sometimes embarrassing and frequently daunting, there's also a whole lot of magic to be found in the chaos. It's a time when we're finding our own voices, cementing our relationships and starting to fulfil our big ambitions (or simply just working out what they are). Michelle Andrews and Zara McDonald, creators of the award-winning pop culture podcast *Shameless*, are two of the many twentysomething women trying to make sense of it all. They definitely don't have all the answers but they know that mapping out our place in the world is a little bit easier when we do it together. Brimming with wit and unflinching honesty, these are their stories

Return to Harlem's "wildly entertaining" family in this funny, heartwarming sequel. When catastrophe strikes their beloved upstairs neighbors, the Vanderbeeker children set out to build the best, most magical healing garden in Harlem--in spite of a locked fence, thistles and trash, and the conflicting plans of a wealthy real estate developer. While Isa is off at sleepaway orchestra camp, Jessie, Oliver, Hyacinth, and Laney are stuck at home in the brownstone with nothing to do but get on one another's nerves. But when catastrophe strikes their beloved upstairs neighbor, their sleepy summer transforms in an instant as the Vanderbeeker children band together to do what they do best: make a plan. They will create the most magical healing garden in all of Harlem. In this companion to *The Vanderbeekers of 141st Street*, experience the warmth of a family and their community as they work together to bring a little more beauty and kindness to the world, one thwarted plan at a time.
