Upside Down Houghton Mifflin Harcourt
 “THE BOOK CHINA DOESN'T WANT YOU TO READ.”—CNN A riveting insider's story of how the Party and big money work in China today, by a man who, with his wife, Whitney Duan, rose to the zenith of power and wealth—and then fell out of favor. She was disappeared four years ago. News of this book led to a phone call from Whitney, proof that she's alive. As Desmond Shum was growing up impoverished in China, he vowed his life would be different. Through hard work and sheer tenacity he earned an American college degree and returned to his native country to establish himself in business. There, he met his future wife, the

highly intelligent and equally ambitious Whitney Duan who was determined to make her mark within China's male-dominated society. Whitney and Desmond formed an effective team and, aided by relationships they formed with top members of China's Communist Party, the so-called red aristocracy, he vaulted into China's billionaire class. Soon they were developing the massive air cargo facility at Beijing International Airport, and they followed that feat with the creation of one of Beijing's premier hotels. They were dazzlingly successful, traveling in private jets, funding multi-million-dollar buildings and endowments, and

purchasing expensive homes, vehicles, and art. But in 2017, their fates diverged irrevocably when Desmond, while residing overseas with his son, learned that his now ex-wife Whitney had vanished along with three coworkers. This is both Desmond's story and Whitney's, because she has not been able to tell it herself.

Street of Eternal Happiness Columbia University Press Shanghai, 1928. The body of a blonde is washed up on the Beach of Dead Babies, in the heart of the smog-filled city. Seemingly a suicide, a closer inspection reveals a darker motive: the corpse has been weighed down, it's lower half mutilated...and the

Chinese character for 'justice' carved into the chest.

Published serially between 1928 and 1931, Shanghai tells the story of a group of Japanese expatriates living in the International Settlement at the time of the May 30th Incident of 1925. The personal lives and desires of the main characters play out against a historical backdrop of labor unrest, factional intrigue, colonialist ambitions, and racial politics. The author, Yokomitsu Riichi (1898-1947), was an essayist, writer, and critical theorist who became one of the most powerful and influential literary figures in Japan during

the 1920s and 1930s. He looked to contemporary avant-garde movements in Europe -- Dadaism, futurism, surrealism, expressionism -- for inspiration in his effort to explode the conventions of literary language and to break free of what he saw as the prisonhouse of modern culture.

Yokomitsu incorporated striking visuality into a realistic mode that presents a disturbing picture of a city in turmoil. The result is a brilliant evocation of Shanghai as a gritty ideological battleground and as an exotic landscape where dreams of sexual and economic domination are nurtured.

Yang Jisheng's *The World Turned Upside*

Down is the definitive history of the Cultural Revolution, in withering and heartbreaking detail. As a major political event and a crucial turning point in the history of the People's Republic of China, the Great Proletarian Cultural Revolution (1966–1976) marked the zenith as well as the nadir of Mao Zedong's ultra-leftist politics. Reacting in part to the Soviet Union's "revisionism" that he regarded as a threat to the future of socialism, Mao mobilized the masses in a battle against what he called "bourgeois" forces within the Chinese Communist Party (CCP). This ten-year-long class struggle on a massive scale devastated traditional Chinese

culture as well as the nation's economy. Following his groundbreaking and award-winning history of the Great Famine, Tombstone, Yang Jisheng here presents the only history of the Cultural Revolution by an independent scholar based in mainland China, and makes a crucial contribution to understanding those years' lasting influence today. The World Turned Upside Down puts every political incident, major and minor, of those ten years under extraordinary and withering scrutiny, and arrives in English at a moment when contemporary Chinese governance is leaning once more toward a highly centralized power structure and Mao-style cult of

personality.

Go beyond the glitz, glamour, and bustle of one of the most populated cities on the planet and discover the real heartbeat and soul of Shanghai—its people. Through this collection of 100

mostly full-color photographs captured by a team of passionate artists and photographers, Faces We Love Shanghai takes you on a journey through the city's narrow alleyways and secluded backstreets. Each photograph reveals an untold story, showcasing the beauty and joy behind the everyday moments and people that are often overlooked. Also featured in the book are photographs of a community working together as a team, supporting one another in a time of tremendous stress and anxiety, as COVID-19 swept the globe and the world pointed its finger at China. In a world divided, this stunning photography book cuts through the language barriers and

cultural divide to bring you a work of pure craftsmanship—a collection that shows the true beauty of capturing people as they really are. Highlighting the raw and honest moments of life in Shanghai that are at times heartbreaking and hopeful, serendipitous and authentic, *Faces We Love Shanghai* is a love letter to a city visited by many but truly seen by few.

LAST BOAT OUT OF SHANGHAI

Open Road + Grove/Atlantic
Nineteen-year-old Joy Louie has run away from her home in 1950s America to start a new life in China. Idealistic and unafraid, she believes that Chairman Mao is on the side of the people,

despite what her family keeps telling her. How can she trust them, when she has just learned that her parents have lied to her for her whole life, that her mother Pearl is really her aunt and that her real father is a famous artist who has been living in China all these years? Joy arrives in Green Dragon Village, where families live in crowded, windowless huts and eke out a meagre existence from the red soil. And where a handsome young comrade catches her eye... Meanwhile, Pearl returns to China to bring her daughter home - if she can. For Mao has launched his Great Leap Forward, and each passing season brings ever greater hardship to cities and rural

communes alike. Joy must rely on her skill as a painter and Pearl must use her contacts from her decadent childhood in 1930s Shanghai to find a way to safety, and a chance of joy for them both. Haunting, passionate and heartbreakingly real, this is the unforgettable new novel by the internationally acclaimed Lisa See.

THE NATURE OF LIFE AND DEATH

G.P. Putnam's Sons
An unforgettable portrait of individuals who hope, struggle, and grow along a single street cutting through the heart of Shanghai, from one of the most acclaimed broadcast journalists reporting on China. Modern Shanghai: a global city in the midst

of a renaissance, where dreamers arrive each day to partake in a mad torrent of capital, ideas, and opportunity. Marketplace's Rob Schmitz is one of them. He immerses himself in his neighborhood, forging deep relationships with ordinary people who see in the city's sleek skyline a brighter future, and a chance to rewrite their destinies. There's Zhao, whose path from factory floor to shopkeeper is sidetracked by her desperate measures to ensure a better future for her sons. Down the street lives Auntie Fu, a fervent capitalist forever trying to improve herself with religion and get-rich-quick schemes while keeping her skeptical husband at bay. Up a

flight of stairs, musician and café owner CK sets up shop to attract young dreamers like himself, but learns he's searching for something more. As Schmitz becomes more involved in their lives, he makes surprising discoveries which untangle the complexities of modern China: A mysterious box of letters that serve as a portal to a family's—and country's—dark past, and an abandoned neighborhood where fates have been violently altered by unchecked power and greed. A tale of 21st-century China, Street of Eternal Happiness profiles China's distinct generations through multifaceted characters who illuminate an

enlightening, humorous, and at times heartrending journey along the winding road to the Chinese Dream. Each story adds another layer of humanity and texture to modern China, a tapestry also woven with Schmitz's insight as a foreign correspondent. The result is an intimate and surprising portrait that dispenses with the tired stereotypes of a country we think we know, immersing us instead in the vivid stories of the people who make up one of the world's most captivating cities.

Champions Day: The End of Old Shanghai

W. W. Norton & Company

The seventh novel in the Ava Lee series finds Ava caught up in the election for the

chairmanship of the Triad Societies. It's been three months since Uncle's passing, and Ava is finally ready to begin her new life as a partner with May Ling Wong and her sister-in-law Amanda in their Three Sisters venture capital firm. Ava travels to Shanghai to hear a pitch on a new investment possibility: the creation of a fashion line by Clark and Gillian Po. She also meets with the mysterious Xu, a young man Uncle had been mentoring and who is the head of the triad in Shanghai. Xu makes an audacious business proposal that she and May Ling are compelled to consider. Meanwhile, separately and privately, he confides to Ava that he intends to run for the chairmanship of the

Triad Societies and attempts to recruit her as his adviser. Against her will, Ava becomes enmeshed in triad warfare and her future is threatened...

The Funeral of Mr. Wang Picador

Now one of Kirkus Reviews' "Best Books of the Year" From Paul French, the New York Times bestselling author of *Midnight in Peking*—winner of both the Edgar Award for Best Fact Crime and the CWA Gold Dagger for Non-Fiction—comes *City of Devils*, a rags-to-riches tale of two self-made men set against a backdrop of crime and vice in the sprawling badlands of Shanghai. *Shanghai, 1930s*: It was a haven for outlaws from all over the world: a place where pasts could be forgotten, fascism and

communism outrun, names invented, and fortunes made—and lost. “Lucky” Jack Riley was the most notorious of those outlaws. An ex-U.S. Navy boxing champion, he escaped from prison and rose to become the Slots King of Shanghai. “Dapper” Joe Farren—a Jewish boy who fled Vienna’s ghetto—ruled the nightclubs. His chorus lines rivaled Ziegfeld’s. In 1940, Lucky Jack and Dapper Joe bestrode the Shanghai Badlands like kings, while all around the Solitary Island was poverty, starvation, and war. They thought they ruled Shanghai, but the city had other ideas. This is the story of their rise to power, their downfall, and the trail of destruction left in their wake. Shanghai was their playground

for a flickering few years, a city where for a fleeting moment even the wildest dreams could come true.

Twenty-nine collected essays represent a critical history of Shakespeare’s play as text and as theater, beginning with Samuel Johnson in 1765, and ending with a review of the Royal Shakespeare Company production in 1991. The criticism centers on three aspects of the play: the love/friendship debate.

Woman from Shanghai Ballantine Books

From the author of *Brothers and China in Ten Words*: this celebrated contemporary classic of Chinese literature

was also adapted for film by Zhang Yimou. This searing novel, originally banned in China but later named one of that nation's most influential books, portrays one man's transformation from the spoiled son of a landlord to a kindhearted peasant. After squandering his family's fortune in gambling dens and brothels, the young, deeply penitent Fugui settles down to do the honest work of a farmer. Forced by the Nationalist Army to leave behind his family, he witnesses the horrors and privations of the Civil War, only to return years later to face a string of hardships brought on by the ravages of the Cultural Revolution. Left with an ox as the

companion of his final years, Fugui stands as a model of gritty authenticity, buoyed by his appreciation for life in this narrative of humbling power.

City of Devils Penguin
 Red Sister, Ching-ling, married the 'Father of China', Sun Yat-sen, and rose to be Mao's vice-chair. Little Sister, May-ling, became Madame Chiang Kai-shek, first lady of pre-Communist Nationalist China and a major political figure in her own right. Big Sister, Ei-ling, became Chiang's unofficial main adviser - and made herself one of China's richest women. Big Sister, Little Sister, Red Sister is a gripping story of love, war, intrigue, bravery, glamour and betrayal, which takes us on a sweeping journey from

Canton to Hawaii to New York, from exiles' quarters in Japan and Berlin to secret meeting rooms in Moscow, and from the compounds of the Communist elite in Beijing to the corridors of power in democratic Taiwan. In a group biography that is by turns intimate and epic, Jung Chang reveals the lives of three extraordinary women who helped shape twentieth-century China.

THREE DAUGHTERS OF CHINA

HarperCollins

The national-best-selling memoir of a woman's resistance and struggles in Communist China—"an absorbing story of resourcefulness and courage" (The New York Times). A NEW YORK TIMES BEST BOOK OF THE YEAR In August 1966, a group of Red Guards ransacked the home of Nien Cheng. Her background made her an obvious target for the fanatics of the Cultural Revolution: educated in London, the widow of an official of Chiang Kai-shek's regime, and an employee of Shell Oil. When she refused to confess that any of this

made her an enemy of the state, she was placed in solitary confinement, where she would remain for more than six years. *Life and Death in Shanghai* recounts the story of Nien Cheng's imprisonment—a time of extreme deprivation which she met with heroic resistance—as well as her quest for justice when she was released. It is also the story of a country torn apart by Mao Tse-tung's vicious campaign to topple party moderates. An incisive, personal account of a terrifying chapter in twentieth-century history, *Life and Death in Shanghai* is also an astounding portrait of one woman's courage. *Stateless in Shanghai* Tor Books
Professor Wu,

educated in the U.S., relates his prison experiences in a Chinese labor farm after being labeled an "ultrarightist" by his academic colleagues at Beijing University. *Three Women at the Heart of Twentieth-Century China* Yale University Press
"Born in Shanghai to Jewish Russian parents who fled the Bolshevik Revolution, Liliane Willens is a "stateless" girl in the world's most cosmopolitan city. But when the Far East explodes in conflict, the family's uncertain status puts them at risk of being stranded, or worse. *Stateless in Shanghai* recounts Willens' life and trials in a China collapsing under the weight of foreign invaders and civil war."--Publisher's description.

All the Flowers in Shanghai

A&C Black

The issue of death has loomed large in Chinese cities in the modern era.

Throughout the Republican period, Shanghai swallowed up lives by the thousands. Exposed bodies strewn around in public spaces were a threat to social order as well as to public health. In a place where every group had its own beliefs and set of death and funeral practices, how did they adapt to a modern, urbanized environment? How did the interactions of social organizations and state authorities manage these new ways of thinking and acting? Recent historiography has almost completely ignored the ways in which death created

such immense social change in China. Now, Scythe and the City corrects this problem. Christian Henriot's pioneering and original study of Shanghai between 1865 and 1965 offers new insights into this crucial aspect of modern society in a global commercial hub and guides readers through this tumultuous era that radically redefined the Chinese relationship with death.

A History of the Chinese Cultural Revolution

HarperCollins UK

How a single day revealed the history and foreshadowed the future of Shanghai. It is November 12, 1941, and the world is at war. In Shanghai, just weeks before Pearl Harbor, thousands celebrate

the birthday of China's founding father, Sun Yat-sen, in a new city center built to challenge European imperialism. Across town, crowds of Shanghai residents from all walks of life attend the funeral of China's wealthiest woman, the Chinese-French widow of a Baghdadi Jewish businessman whose death was symbolic of the passing of a generation that had seen Shanghai's rise to global prominence. But it is the racetrack that attracts the largest crowd of all. At the

center of the International Settlement, the heart of Western colonization—but also of Chinese progressivism, art, commerce, cosmopolitanism, and celebrity—Champions Day unfolds, drawing tens of thousands of Chinese spectators and Europeans alike to bet on the horses. In a sharp and lively snapshot of the day's events, James Carter recaptures the complex history of Old Shanghai. Champions Day is a kaleidoscopic portrait of city poised for revolution.
