Esoterika Crown

An elegantly illustrated handbook of Freemasonic ritual Explained and interpreted by copious notes and numerous engravings. Duncan's Masonic Ritual and Monitor will be a cherished possession of any Mason who receives it. This scarce antiquarian book is a facsimile reprint of the original. Because of this work's cultural significance, we have made it available as part of our commitment for protecting, preserving, and promoting a high quality, modern edition that is true to the original work. Retaining all the traditional charm of McKay's Standard Edition, this volume includes both the Guide to the Three Symbolic Degrees of the Ancient York Rite and to the degree of Mark Master, Past Master, Most Excellent Master, and the Royal Arch, as written by Malcolm C. Duncan.

For the Southern Jurisdiction of the United States Lewis Masonic Pub Limited

This scarce text was compiled by James Fenton, P. M., Grand Secretary of the Grand Lodge of Michigan, and constitutes a comprehensive introduction to Freemasonry. Originally a guide for initiates and initiators, this fascinating book provides an insight into this secretive order and will interest both scholars and enthusiasts of the topic. Including such sections as: Origin of Masonry and its General Advantages; The government of the fraternity explained; the importance of the Secrets of Masonry Demonstrated; Prerequisites for a candidate; etc., this text is a must-have for any collector. This text is republished with an introductory biography of the author.

Sharing his observations from his historied Masonic career, Confessions of a flawed Ashlar is Bill Hosler's love letter to Freemasonry. Bill blends fiction and non-fiction to tell poignant stories about the mystic tie of brotherhood. While so many modern Masonic writings look externally for solutions to some of Freemasonry's issues, Bill looks internally finding them readily available at the local Lodge level. His friendly and humorous prose makes for an easy read. Both the novice and experienced Freemason will find wisdom in this book.

The complete work of the Entered Apprentice, Fellow-craft and Master-mason's Degrees, with their ceremonies, lectures, etc. It has doubtless been a matter of comment and surprise among the Members of the Fraternity that all the books which are avowedly intended to serve as guides to the Work of a Lodge invariably contain more or less than their professed object demands. They are usually deficient in the very points that may be most needed, rendering the use of a separate Monitor unavoidable; while, on the other hand, they include a great deal of information on matters with which every Mason is necessarily perfectly familiar, and which it is neither needful nor desirable to be communicated to the uninitiated. It has been the aim of the Compiler of this little volume to avoid both these defects: first, by omitting all Passwords, Grips, and other esoteric subjects; and second, by giving the Work of the first three degrees monitorially as well as ritually complete, in plain language for ready reference, and entirely free from the tedious perplexities of cypher or other arbitrary and unintelligible contractions.

Morals and Dogma, Volume 1 (Chapters 1-24) ATRI Publishing

Charles T. McClenachan, 33, Grand Master of Ceremonies of the

Supreme Council for the Northern Masonic Jurisdiction of the Ancient and Accepted Scottish Rite, originally compiled this work in 1884 as a Monitor or Guide to the rituals, ceremonies, instructions, and symbolism of all the degrees of the Ancient and Accepted Scottish Rite. Its publication provided an unprecedented level of detail concerning the rituals associated with each degree, which up to this time existed in private collections. As a contemporary of Albert Pike, who had actively and recently revised the rituals used in the Southern Jurisdiction, McClenachan provides the Masonic student a valuable glimpse into not only the degree work for the Northern Masonic Jurisdiction in this era but some of the elements of Scottish Rite ritual that predate Pike's revisions and expansions. Above all, it was McClenachan's sincere hope that this work might thoroughly and justly render the beauty and sublimity of the Rite.

Both the Prophet Joseph Smith and his Book of Mormon have been characterized as ardently, indeed evangelically, anti-Masonic. Yet in this sweeping social, cultural, and religious history of nineteenth-century Mormonism and its milieu, Clyde Forsberg argues that masonry, like evangelical Christianity, was an essential component of Smith's vision. Smith's ability to imaginatively conjoin the two into a powerful and evocative defense of Christian, or Primitive, Freemasonry was, Forsberg shows, more than anything else responsible for the meteoric rise of Mormonism in the nineteenth century. This was to have significant repercussions for the development of Mormonism, particularly in the articulation of specifically Mormon gender roles. Mormonism's unique contribution to the Masonic tradition was its inclusion of women as active and equal participants in Masonic rituals. Early Mormon dreams of empire in the Book of Mormon were motivated by a strong desire to end social and racial discord, lest the country fall into the grips of civil war. Forsberg demonstrates that by seeking to bring women into previously male-exclusive ceremonies, Mormonism offered an alternative to the male-dominated sphere of the Master Mason. By taking a median and mediating position between Masonry and

Evangelicism, Mormonism positioned itself as a religion of the people, going on to become a world religion. But the original intent of the Book of Mormon gave way as Mormonism moved west, and the temple and polygamy (indeed, the quest for empire) became more prevalent. The murder of Smith by Masonic vigilantes and the move to Utah coincided with a new imperialism—and a new polygamy. Forsberg argues that Masonic artifacts from Smith's life reveal important clues to the precise nature of his early Masonic thought that include no less than a vision of redemption and racial concord.

First published in 1866, by Malcolm C. Duncan, "Duncan's Ritual of Freemasonry" provides a fascinating glimpse into the rights and rituals of this secretive organization. Duncan did not write this guide to shine light on Masonry for outsiders, but rather to help new members navigate the complex organization. As he states in the Preface: "The purpose of this work is not so much to gratify the curiosity of the uninitiated as to furnish a guide for the neophytes of the Order, by means of which their progress from grade to grade may be facilitated. Every statement in the book is authentic, as every proficient Mason will admit to himself, if not to be public, as he turns over its pages. The non-Masonic reader, as he peruses them, will perhaps be puzzled to imagine why matters of so little real importance to society at large should have been so industriously concealed for centuries, and still more surprised that society should have been so extremely inquisitive about them." This definitive guide, still in use since the nineteenth-century, includes the first three degrees of the "Ancient York Right", as well as four advanced degrees and elaborates on the many symbols, images, and physical gestures that a Freemason must know. This edition is printed on premium acid-free paper.

The perfect gift for the newly made Fellow Craft, providing him with an authoritative grounding in Masonic symbolism and practice and everything he needs for his next degree. This book contains - The complete ceremony of the Fellow Craft Degree, The Official Emulation Lectures explaining the symbolism of the Second Degree (some sections of which are as old as the ritual itself!), The questions to the candidate before the Third degree, [Southern Jurisdiction - Prince Hall Affiliation](#) Marton Press First published in 1872, "Morals and Dogma" is Albert Pike's book of esoteric philosophy published by the Supreme Council, Thirty Third Degree, of the Scottish Rite, Southern Jurisdiction of the United States. Designed as a guidebook for those entering the Scottish Rite, "Morals and Dogma" details much of the minutiae, ritual, and doctrine of the Scottish Rite of Freemasonry. Presented here is the first of two volumes containing chapters one through twenty-four.

[Emulation Ritual Second Degree](#) MASONICA

Is there anything wrong with a Christian being a member of the Lodge? Are you a Christian pastor who has studied Masonry found nothing wrong with it and so you have not warned your members and possibly even joined the Lodge yourself? Does your church allow Masons to serve on your boards to teach the Bible in Sunday School and serve in other positions of influence and leadership? In this book we will document from the Masonic Ritual the authoritative book given to a person who enters and becomes a member of the Lodge how Masonry conflicts and denies foundational Christian truths. Masons are promised that nothing in Masonry's teachings will ever conflict with their own Christian belief. Has Masonry lied to or deceived Christians? In this book you will find answers to all these questions from the Masonic ritual and the Bible itself.

Transcribed by Albert Pike in 1854 And 1855 John Wiley & Sons Masonry is a beautiful system of morality, veiled in allegory, illustrated by signs and symbols, and embodying ideals that transcend most human barriers. The work of masonry is based upon and filled with scripture, with beauty, and with God's love, irrespective of any one individual's relationship with God. The one requirement of a man who would like to join masonry is that he believes in God. As an evangelist, I want to hear the blessed name of Jesus on people's lips, but as a Mason, my duty is to help men make those decisions for themselves. This volume is

designed to help masons and their families to seek light from scripture, whether they have a church or not, whether they are Christian or not. If I have written these scripture studies well, the readers should walk away from this book being better informed and challenged to read more and more scripture, seeking more about God within their traditions, and be more confident believers. People who are more confident in what they believe can have discussions that do not turn to bad arguments, and are not easily offended. Those who can discuss any topic can best work together and best agree. In most instances of this book, I have used the lines from ritual in full context, as too often Masons do not follow through and see where lines come from. At other times, the same Chapter of scripture might contain two or three different passages that are of special import to the Craft, thus are better served integrating them. There are many times when an entire chapter is important to read in order to get one short line that is used in a lecture or prayer or degree. Since not all masonic traditions use the same scriptures, I have endeavored to select scriptures from various masonic jurisdictions around the world, both in the "Blue Lodges" of the first three degrees and those of the Appendant Bodies. I do not identify which degree or source that each scripture reading comes from, as that is for each mason to learn if they do not immediately recognize the verses. All scripture used throughout this book is from the King James Version of the Bible unless otherwise noted. There are times when other translations give a better sense of the intentions of why we use the lines in Lodges. It is highly recommended that in any serious study of the Bible, several translations are used. For those interested, there are several websites of note, including BibleHub.com and BibleGateway.com. I often used these two sites to assist in my studies during the construction of this book. If you are interested in Biblical languages, I recommend using the BibleHub.com resources, clicking on Hebrew or Greek to take you to the original languages and helping you see where else each particular word is used as per Englishman's Concordance, Strong's, and several other major reference works. Where I have translated from Hebrew or Greek, it should be stated that the translations are mine, and any errors made are mine and not those of any source from which I sought assistance. I have tried to be faithful to scripture and modern English (American) language. While I had several brilliant Hebrew professors in both Seminaries I graduated from, my abilities do not show their great skill teaching, only my poor abilities learning. Several other works informed the discussions here, including The Anchor Bible Series of Commentaries, the Exegetical Guide to the Greek New Testament, the Story of God Bible Commentary, and many others. I have attempted to bring the benefit of scholarship without the burdens thereof so that this book might be easier to read and use.
