World History: Patterns of Interaction © 2012 is a highly

integrated, high school world history textbook program with

enhanced HISTORY® curriculum that provides teachers with a

practical and motivational approach to help students think

critically and reflectively. Together, HMH & HISTORY® infuse

social studies with streaming video and interactive features that

bring content to life for students and help them make connections

between the past and present. Meeting the needs of all learners is

no easy task. This is why Houghton Mifflin Harcourt created World

History: Patterns of Interaction. Designed to engage students with

the narrative while integrating rich multimedia assets, the

program brings content to life for students and enriches their

understanding. - Publisher.
