Dr. William Smith's Dictionary of the Bible Mike Watson

Since the Middle Ages, lexographies of Talmudic and other rabbinic literature have combined in one entry Babylonian, Palestinian, and Targumic words from various periods. Because morphologically identical words in even closely related dialects can frequently differ in both meaning and nuance, their consolidation into one dictionary entry is often misleading. Scholars now realize the need to

treat each dialect separately, and in *A Dictionary of Jewish Palestinian Aramaic*, Michael Sokoloff provides a complete lexicon of the dialect spoken and written by Jews in Palestine during the Byzantine period, from the third century C.E. to the tenth century. Sokoloff draws on a wide range of sources, from inscriptions discovered in the remains of synagogues and on amulets, fragments of letters and other documents, poems, and marginal notations to local Targumim, the Palestinian Midrashim and Talmud, texts addressing religious law (halacha), and Palestinian marriage documents (ketubbot) from the Arabic period. Many of these sources were unavailable to previous lexicographers, who based their dictionaries on corrupt nineteenth-century editions of the rabbinic literature. The discovery of new manuscripts in both European libraries and the Cairo Geniza over the course of the twentieth century has revolutionized the textual basis of Jewish Palestinian Aramaic. Each entry in *A Dictionary of Jewish Palestinian Aramaic* is divided into six parts: lemma or root, part of speech, English gloss, etymology, semantic features, and bibliographic references. Sokoloff also includes an index of all cited passages. This major reference work, updated to reflect the publication of new texts over the last decade, will both provide students and scholars with a tool for an accurate understanding of the Aramaic dialect of Jewish Palestinian literature of the Byzantine period and help Aramaic and Semitic linguists to see the relationship between this dialect and others, especially the contemporary dialects of Palestine.

How the Food You Eat Can Reverse Climate Change, Heal Your Body & Ultimately Save Our World

Simon and Schuster

INTRODUCTION And why I wrote this book ... Dear Reader, When I wrote *Sissy Central* and then *Sissy-gasm Central* a couple of years back (well, one in 2020, one in 2021) - I had no idea how popular they were going to turn out to be, especially the former. *Sissy Central* is truly a bestseller in the true sense of the word; so many people have read it, loved it, and lots have even bought paperbacks. That is when you know someone is SERIOUS about books and the content in them. Think about it. It's one thing to have fiction sitting on your mantelpiece for all and sundry to see, but *Sissy Central*, or any of my other courses? That is what you call COMING OUT PROUDLY - as I do and have all my life, being unapologetic about it, and it makes me so happy more and more people are living out their dreams and fantasies in a SSC (safe, sane and consensual manner!). Anyway, despite books on worshipping other parts of the body galore, I haven't written books on two of the most popular body parts out there! Knowing me, you might find it strange, but I haven't written manuals on how to worship FEET as yet! Hehe. Although, anyone that reads any of my stories will know how to do it very well. Talk to her soles, boy, not her! (or his). And despite having written manuals on ball busting, cock worship, nipplegasms, sissygasm, cuckolding, sissy-dom - and more - for some reason, I hadn't "touched" upon ass worship as yet. We're rectifying that here today! Today, as Madam Megan turns me into her dream sissy (which I would be anyway, hehe, but she has taken the makeup to a different level altogether, as my Twitter followers can see!) ... I feel compelled to write one of the books that I've been putting off for a while, but as I thought of the smell of rank, sweaty (or even washed) ass that never goes away from tongue no matter what you do or how much you floss, as I thought about BEGGING to do Megan's husband's laundry ... as I thought about all the dick sucking I've been doing as of late (hence, *Cock Worship for Sissies and Faggots*) - I figured I'd finally

put this one out. And with right cause ; ass worship is a very popular theme for a lot of you! Now, you might ask why I need to put out another book on it especially after the roaring and resounding success that Sissygasm Central is. Good question, but it's easy to answer this one. Sissygasms can ultimately only be gotten by biological men - whether submissive or not, or in the middle - NOT by females. Females simply don't have a P Spot, simple. Ass worship though is equally pleasurable for females, since both men and women have so many nerve endings back there (though yes, sissygasms make it FAR more pleasurable for men as they literally give men repeated female orgasms without stopping - - and FAR more - the mental aspect of it is the real kicker, as is the continued feeling of lust you feel, just like a woman!). So sissygasms are more BDSM oriented than anything else, though you can use them in regular sex etc as well and mostly for men (the pleasure). But this book will work for BOTH men and women. More importantly in Sissygasm Central, I did NOT focus on the prelimins of the actual ASS worship part. The buttocks, the lovely smelly ass CRACK ... the way his balls look from down there, the way her PUBES flicker from there ... the way the asshole opens up, so INVITING ... the way it looks so PINK down there .. the SMELL, the way you SMOOCH it ... OH MY!!! I realized that in the book above, I gave a lot of importance to the P spot, and way too less to the overall "ass" but that's fine. That is what the book was about! THIS book focuses on the ass, period. THIS book is the "101" to Sissygasm Central, if I might say that. THIS book is for you ass lovers out there. THIS book is really what you SEE when you first see ass, and want to KISS it, worship every INCH of those regal BUTTCHEEKS! THIS book will work for preferences and tastes "across the spectrum". You do not need to be into BDSM to enjoy the benefits of rimming - or the sheer pleasure that comes from it - or alternatively if you're into that, from doing it! Ladies and men can use -and apply - and enjoy these tips equally! And that is why I wrote this book - another gem to add to our rapidly growing collection. I remember an old editor of mine once saying "Jesus, Mike. At this rate, we'll have to create another library just for you!" He's a great guy, as is his partner. They were who gave me my first start, although I'd have done all this without them ultimately, there is nothing that beats the confidence an editor gives you when you write your FIRST book (which in terms of femdom for me was Serving an Indian Goddess) by saying "this would make a FINE collection to our femdom store" - and the little tips etc I picked up. Thank you again, Phil and Steve! And, without further ado, the SMELL that prompted me this morning! The acid smell of RANK, sweaty (or even washed) ass! It's different, isn't it? In the book "The White Tiger" - later actually made into a movie by the gorgeous Priyanka Chopra (well, she acted in it) - and some of the scenes, you cucks and sissies would LOVE the way the servant is humiliated (sad, but true, happens in real life) ... the writer made a statement to the effect of "Once the smell of another man's feet gets on your hands, you never really wash it off". Or something like that (this was after giving his employer foot massages for hours, washing his feet repeatedly while he relaxed, drank whiskey) - sort of the same thing I used to do so much for "Priyanka" in Serving an Indian Goddess! He's right to a degree. I'd take it to another level and say "once the smell of RANK ass - ass cracks - and assholes - gets your breath - and tongue - there is no washing it off!" Often times, after lengthy ass worship sessions I'll thoroughly brush my teeth, floss, etc - some girls have giggled about it, but hygiene first! I do it without any "saran wrap" etc - I prefer to put tongue direct for max feeling for HIM - and HER! It's so NICE! And worshipping that lovely rump, there's so many ways to do it,

especially if it's Madam Megan's husband! "Ma'am, can I wash his dirty laundry", I keep asking her in a beseeching tone, which she laughs uproariously! "You gay!" But his ass crack is especially hairy ... YUM! So many ways to worship ass, but it all starts with kissing the lovely, luscious butt cheeks like they were God (or Goddess). Kissing every INCH of them, thanking them ... Inhaling the BREATH from them (penis breath? I'd say ass breath too! Hehe). Having her - or him - literally "sit on your face!" And of course, my favorite ... putting my tongue deep, deep in - literally tongue fucking her - or his - asshole, and if it's a his, pretend to reach his lovely P spot! (you won't be able to do that, but the further in it goes, the more you work - the more he enjoys!). Licking the perennial region for men comes naturally with it ... So many different ways to worship ass - I just told you three! What remains same? That rank, sweaty smell! Even if it's a freshly washed ass - or asshole - that smell of buttocks sticking together - always there! And that is what I was thinking of this morning. Oh my! If you're into ass worship - the Pooja Memsahib and Indian Goddess series (the sequel really gets into it) will DO it (though a lot of my Chinese femdom books are heavy on ass worship too). It's just so nice for her - and him! They just lie there, enjoy ... and if it's a man, you get to worship his cock and balls too from down there! Or she does, while you service his ass. It's humiliating to an extreme - it gives them extreme pleasure - and sissies and cucks explode at the very thought of it. What more could one want?! And that, my friend is "enough said", isn't it? Lick his ass first, BOY! Before ANYTHING ELSE, boy! BEG first, beg for the sheet and utter HONOR! A few moons ago, I was with Madam Su ... you remember her, don't you? If you can't satisfy me in bed, I'll have other men ... but you can't have other girls! The one lady that I'll always remember no matter what - and it isn't so much the lovely long legs - or the various hues, shapes and sizes of cocks she preferred - sometimes multiple cocks at one time, all night long - but her thinking! If you recall correctly, that was the first thing (or one of the first things) she said to me upon chatting with me online - and if that in itself isn't a testament to how VIBES are what it's really about, then I don't know what is! So there I was in front of her and her lover, his juicy cock dangling in front of me, so far yet so near, his manhood starting to rise, his tumescence starting to swell in that ever so sexy manner, and the head, that lovely smooth black cock head right in front of me, with Su staring STRAIGHT at me in that lovely, dominant and most erotic manner! Go ahead, boy! You know you want to kiss it before sucking it! Truer words were never thought (at that point, at least!) - albeit not said, but words aren't necessary at the best of times, as I've often said in my writings. And as I leant forward to start worshipping that lovely cock of his, she stopped me, as he laughed. "Not so quickly, boy! Show him you deserve it!", she cackled, patting my head as you might a pet dog. I was so infused with lust at the time that I didn't know what to say, except gaze at that wondrous juicy schlong in front of me - and this of course turned her on even more! "Lick his ass first, boy!" Now this wasn't the first time I had licked another man's ass - but it was certainly the first time I had done so when commanded by a Dominant lady ... and as I stuck my tongue deep, deep inside his crevice, probing and searching, flicking and teasing, he moaned in pleasure, and I instinctively took my tongue and slid it across his perennial region, lapping his balls as I did so ... This, by the way is one of the most erotic things you can do to a male. Many years ago, and I believe I wrote about this in Sin City Diaries - Volume #1 - I had this done to me, and I still remember the look on relief on the lady's face when it was obvious I was going to kiss her feet after she rimmed, and not have sex with her! Those experiences were all

“once in a lifetime” experiences, and a must read – and if you haven’t already – grab the book – but for now ... remember that the test of a true cuckold isn’t necessarily how well he sucks dick or his love (or hate) for it – but how well he SERVES! It’s all about serving her – and her love for cock. And it’s all about serving HIM – and making sure he’s as turned on as ever ... but not necessarily because he likes it. It’s because that cock can then service her multiple times as she deserves, and that’s what it’s really all about. And to me, if it involves licking his ass and balls – I’d love to do it, and I enjoyed doing it the first time Su made me do it – though I must admit, that massive cock plunging in and out of her as she screamed in sheer bliss was what I loved the most – and this was of course one of the bedrocks on which that particular relationship was built! It’s all always about serving her – and her lovers – and that’s what true servitude – and being a true cuckold – is all about! And if you haven’t already, make sure to pick up your copy of Cuck Central after you’re done grabbing THIS book! Benefits of ass worship for the sub/sissy/faggot/plain ole “rimmer”! Extreme humiliation bar none. You’re literally worshipping their sewers, and in some cases what comes out of it in very creative, inventive manners! A humiliation rush that comes like with NO others, believe me, while you’re simply staring at ass, not even being allowed to worship it before groveling first, before your lips touch SKIN ... OH MY! You’ll feel like less than nothing, boy! (which is the entire point). Satisfy your Master and Mistress like never before. Ass worship done right is one of the most pleasurable things for both men and women sexually, they rest, relax, while you do all the work, and it feels great! Even if you aren’t into BDSM, rimming can and should play a part in your regular sex life, and this book (and the tips) show you how to do it. You might hear her call you a sissy, faggot, Bozo, and the rest, but you, sissy, will NEVER hear her say “he doesn’t please me” again! Trust me, when you’re licking his – or her rosebud for hours on end, so much so that you’re breathing in their anal air, their farts, your talking to their assholes ... neither a stud nor Madam will complain you don’t please them. (They might keep shoving your head in, but that’s the point, ain’t it?) ... Get to know their assholes better than them, boy! Talk to their assholes, be humiliated like never before! Their assholes are better than YOU! They DESERVE more respect and pleasure than you, subbie, will EVER EVER GET! Femdom, or maledom, and serving is all about respect. And the more you worship ass, the more naturally respectful you’ll get of women – or male studs in general. You’ll remember its all about them, and NOTHING ELSE, which is as it should be! For male asses, you’ll have the added benefit of being allowed to go to that holy grail of worship – COCK worship, but only after their butts have been done! Subs love to watch sex, but not HAVE sex, and here with ass worship, you’ll be nose deep in her and his ass while they’re doing it, this is a cuckold rush like NO other. Trust me on this, this ONE part of it is worth the entire prices of admission, you’ll literally explode like a geyser while doing it, no touching sissy cock required either! Your neck and tongue will become much stronger – though you might not think that’s a benefit, that tongue and mouth will get more practice for licking her, and sucking his cock – just due to the positions involved! And much much more. Truly a TURN on for subs is ass worship, but you know that already. Hehe. Benefits of ass worship for the studs or ladies getting it done! And I’ve been there too, so I know! Experience the sheer pleasure and bliss that comes from having your anal passage thoroughly tongued – the feeling is INDESCRIBABLE, and when done without saran wrap as you relax? OH MY! For you guys out there, if you’re getting your cock sucked, or balls – or nipples played with – or progressing up to a sissygasm,

its HEAVEN. For you ladies, equally so. There have been so many times I’ve licked my S.O.’s ass for hours while fingering hours, alternately licking her down there too ... (no, it’s not dangerous in terms of germs if you are clean otherwise) ... You’ll feel like SUPERMAN – or SUPERWOMAN and in total, utter control. Believe me, the very feeling of yelling out “lick my ass, boy” or “lick his ass first, boy!” gives you TOTAL AND UTTER mental control over your sub – that is a rush only those “in the know” will know! You’ll find it easy to move your sub’s limits to the next level possible once you get him or her comfortable with ass worship. You’ll also find it very easy to incorporate ass worship along with other forms of body worship as you’ll learn about below. Perhaps most importantly, the mental dominance will be forever SEARED into your mind. Believe me, even normal couples – once ass licking is involved, the partner getting it more will naturally expect it more and be MORE Dominating! Get your sub to perform debasing tasks like cleaning your ass after you go. Lets face it, that is a rush unto itself! You might literally cum from the rush of watching your sub literally worship you while performing the lowliest of tasks and thanking you for it! (literally saying thank you) Some of you folks have issues about “body shape”, body shaming etc – well, believe me on this one – whether your slim or fat, whether you’re in shape or not, the CONFIDENCE Boost you get from having your ass and asshole worshipped on a regular basis – nothing comes close, no other activity. You’re a Goddess, or God, it doesn’t get any better than this, does it! And much, much more. If I could sum it up for Doms and Dominans in one word, it would be this – total and utter CONTROL, both mental and physical, but it starts from the mental! Well, my friend ; that truly is “enough said” on this one. Like with all our other books and manuals, this one will make a FINE, FINE addition to your collection. Get it NOW.

This book was originally written beginning two months before my husband and I were married and completed as a gift for him on our 1st Anniversary. Since then a 20-Year Follow-up, 25-Year Follow-up with Travel and Adventure including photos, Poetry, and Pearls of Wisdom sections have been added. The book is written in a fun, flow of consciousness "diary-type" style format and was meant as a 25th Anniversary Gift. It contains effective actions that make a loving relationship work in real-time. It is written from experience and from the heart, combining love and romance with spirituality, travel, and adventure! With all the discord in the world lately, the invisible warrior Covid-19 of 2020, nightly protesting, shootings, and rioting, I decided to share it with the public. This was done in the hope that it may inspire, give ideas, or help someone to have an incentive to believe in true love and create a reality for their own dreams to come true. Perhaps then, they too can pass it on to help the world become a brighter place.
