BENJAMIN GWENDOLYN

Between the World and Me Independently Published

What is it to 'cock a snook', where is the land of Nod, and who was first to go the extra mile? Find the answers to these questions (and many more!) in the new edition of the Oxford Dictionary of Idioms. This dictionary uncovers the meanings of myriad phrases and sayings that are used daily in the English language, encompassing more than 10,000 figurative expressions, similes, sayings, and proverbs. More than 400 idioms have been added to this new edition, and comprise recently coined and common sayings alike. New additions include 'back of the net', 'drag and drop', 'go it alone', 'how come?', 'if you ask me', 'make your skin crawl', and 'woe betide'. Illustrative quotations sourced from the Oxford corpora give contextual examples of the idioms and their standard usage, and many entries include background information on the origins of the idiom in question. An updated thematic index makes for easy navigation, and anyone who is interested in the origins and diversity of English vernacular will have hours of fun browsing this fascinating dictionary.

101 American English Idioms w/Audio CD Yale University Press

It takes a whole village to raise a child. If you wash yourself with anger you never have clean hands. These are just a few of the more than 100 inspiring proverbs contained in this book. Many people, unfortunately, merely associate the continent of Africa with poverty, disease, and conflict. In so doing they miss out on much of the wisdom that is waiting to be discovered from the motherland of civilization. By and large, it is a wisdom rooted in strong community bonds. The

author helps readers discover many previously hidden treasures. His inspiring reflections after each proverb point to overlapping themes to be found in African and in biblical spirituality.

THE DICTIONARY OF CLICHES

Zondervan

From the New York Times bestselling author of *Lost in Translation* and *Eating the Sun*, a charming illustrated collection of more than fifty expressions from around the globe that explores the nuances of language From the hilarious and romantic to the philosophical and literal, the idioms, proverbs, and adages in this illustrated collection address the nuances of language in the form of sayings from around the world. From the French idiom "to pedal in the sauerkraut" (meaning, "to spin your wheels"), to the Japanese idiom "even monkeys fall from trees" (meaning, "even experts can be wrong"), *The Illustrated Book of Sayings* reveals the remarkable diversity, humor, and poignancy of the world's languages and cultures.

101 American English proverbs Berghahn Books

Over twenty-five years in the making, this much-anticipated commentary promises to be the standard study of Proverbs for years to come. Written by eminent Old Testament scholar Bruce Waltke, this two-volume commentary is unquestionably the most comprehensive work on Proverbs available. Grounded in the new literary criticism that has so strengthened biblical interpretation of late, Waltke's commentary on Proverbs demonstrates the profound, ongoing relevance of this Old Testament book for Christian faith and life. A thorough introduction addresses such issues as text and versions, structure, authorship, and theology. The detailed commentary itself explains and elucidates Proverbs as "theological literature." Waltke's highly readable style -- evident even in his

original translation of the Hebrew text -- makes his scholarly work accessible to teachers, pastors, Bible students, and general readers alike.

AMERICAN CULTURAL BAGGAGE

Penguin

A collection of 101 American superstitions, arranged within nine sections including body language, love and marriage, special days, and food for thought. Includes cartoon illustrations.

THE ILLUSTRATED BOOK OF SAYINGS

McGraw-Hill

Do you feel that it's "like pulling teeth" when you want to learn new sayings? Would you like to be able to discover new American idioms and phrases that will make communication "a piece of cake"? Sure, you can learn English with a language course or a textbook just fine, and climb up the ranks in terms of your grasp of the language... but are you sure you can talk like a native? For starters, many expressions used by fluent speakers of English can't exactly be learned in a book, and it can be frustrating to realize that your formal learning hasn't been enough to teach you the way people talk in real life. Sometimes, it's all about having the right tools at your disposal... and this is where *The Great Book of American Idioms* comes in! Written to act as a powerful addition to your other English-learning resources, this book will allow you to: Discover over 1300 different idioms and sayings, covering hundreds of different subjects Learn the correct definition and usage of each expression, ensuring that you know exactly when you can say them out loud during a conversation Visualize examples of the sayings in common conversations, helping you understand

their context Take advantage of important tips we provide you in the introduction and conclusion of the book, so that you can boost your learning and get a much better understanding of the English language. What are you waiting for? Over 1300 idioms and expressions are awaiting you! Don't miss out on learning why this "dark horse" will help you "see the big picture"!

Ntc Publishing Group

Learn the language of Nebraska . . . and 49 other states With more entries than any other reference of its kind, McGraw-Hill's Dictionary of American Idioms and Phrasal Verbs shows you how American English is spoken today. You will find commonly used phrasal verbs, idiomatic expressions, proverbial expressions, and clichés. The dictionary contains more than 24,000 entries, each defined and followed by one or two example sentences. It also includes a Phrase-Finder Index with more than 60,000 entries.

Aesop's Fables McGraw Hill Professional

"Right Makes Might" Sheffield Phoenix Press

A collection of animal fables told by the Greek slave Aesop.

English Proverbs and Proverbial Phrases Oxford University Press

This dictionary contains 2,375 Russian sayings and proverbs and their English counterparts.

Variants of each saying are included, and careful attention is given to the differences in British and American versions. For example, the Russian saying that is interpreted as "Children behave in a childish way, and they cannot be expected to act like grown-up people," is first given in Russian (in the Cyrillic alphabet) and then in English, and is then followed by the nearest English-language equivalent sayings in Britain and the United States: "Young colts will canter" (British) and "Boys will be boys" (American). The proverbs and sayings are arranged alphabetically by the first Russian word (in the Cyrillic alphabet) and are cross-referenced so the reader can find analogous Russian versions of English sayings. There is a keyword index for each language (one in English, one in Russian in the Cyrillic alphabet), which allows the reader to find a proverb or a saying without knowing the first word. Proverbs and sayings are current and include those popular in both spoken Russian and literature. The prefatory matter is in both English and Russian, for readers who have a command of either language.

Written in a detailed and fascinating manner, this book is ideal for general readers interested in the English language.

McGraw-Hill's Dictionary of American Idoms and Phrasal Verbs McGraw-Hill Education

"A powerful and timely addition to the literature of rhetoric and folklore." —Choice In 1860, Abraham Lincoln employed the proverb Right makes might—opposite of the more aggressive Might makes right—in his famed Cooper Union address. While Lincoln did not originate the proverb, his use of it in this critical speech indicates that the fourteenth century phrase had taken on new ethical and democratic connotations in the nineteenth century. In this collection, famed scholar of proverbs Wolfgang Mieder explores the multifaceted use and function of proverbs through the history of the United States, from their early beginnings up through their use by such modern-day politicians as Barack Obama, Hillary Rodham Clinton, and Bernie Sanders. Building on previous publications and unpublished research, Mieder explores sociopolitical aspects of the American

worldview as expressed through the use of proverbs in politics, women's rights, and the civil rights movement—and by looking at the use of proverbial phrases, Mieder demonstrates how one traditional phrase can take on numerous expressive roles over time, and how they continue to play a key role in our contemporary moment.

Proverbs of All Nations Scholastic Reference

Dictionary of Authentic American Proverbs offers a comprehensive reference guide for distinctly American proverbs. Compiled by Wolfgang Mieder, a key figure in the field of proverb studies, this compendium features nearly 1,500 proverbs with American origins, spanning the 17th century to present day, including a scholarly introduction exploring the history of proverbs in America, the structure and variants of these proverbs, known authors and sources, and cultural values expressed in these proverbs. Along with a comprehensive bibliography of proverb collections and interpretive scholarship, this dictionary offers a glimpse into the history of American social and cultural attitudes through uniquely American language.

Poor Richard's Almanac Center Street

THINGS FALL APART tells two overlapping, intertwining stories, both of which center around Okonkwo, a "strong man" of an Ibo village in Nigeria. The first of these stories traces Okonkwo's fall from grace with the tribal world in which he lives, and in its classical purity of line and economical beauty it provides us with a powerful fable about the immemorial conflict between the individual and society. The second story, which is as modern as the first is ancient, and which elevates the book to a tragic plane, concerns the clash of cultures and the destruction of Okonkwo's world through the arrival of aggressive, proselytizing European missionaries. These twin dramas are perfectly harmonized, and they are modulated by an awareness capable of encompassing at once the life of nature, human history, and the mysterious compulsions of the soul. THINGS FALL APART is the most illuminating and permanent monument we have to the modern African experience as seen from within.
