## **BOOK OF PSALMS**

Houghton Mifflin Harcourt

The book of Psalms powerfully resonates with the whole spectrum of human emotions and experiences, resounding with heartfelt praise, humble confession, and honest lament. Plumbing the theological depths, this guide explains the biblical text with clarity and passion—exploring the Bible’s ability to transform our emotions and incline our hearts toward worship. Over the course of 12 weeks, each study in this series explores a book of the Bible and: Asks thoughtful questions to spur discussion Shows how each passage unveils the gospel Ties the text in with the whole story of Scripture Illuminates the doctrines taught in each passage Invites you to discover practical implications Helps you better understand and apply God’s Word

**Encouragement for the Daily Grind** Harvest House Publishers  
This NIV Value Outreach Bible is a low-cost softcover Bible perfect for churches and ministries buying in bulk to present to first-time Bible readers.

**Interpreting the Psalms** B&H Publishing Group

The Psalms: Language for All Seasons of the Soul brings together essays from eighteen Old Testament scholars discussing the latest in Psalms scholarship and applying exegetical insights to the life of faith. These essays explore the full range of emotion expressed in the Psalms—from elation to distress—while weaving together observations from biblical scholarship and theology. The reader will gain valuable insights into how the Psalms speak to his or her soul. The book is divided into five sections that: Give an overview of Psalms studies in the 21st century Discuss psalms of praise Explore psalms of lament Look at the big picture of the Psalter as a book Present sermons on the Psalms that are models of evangelical engagement with the text. A Select Bibliography for Psalms Study is included at the end of the book.

The Psalms possess an enduring fascination for us. For frankness, directness, intensity and intimacy, they are unrivaled in all of Scripture. Somehow the psalmists seem to have anticipated all our awe, desires and frustrations. No wonder Christians have used the Psalms in worship from the earliest times to the present. Yet the Psalms cause us difficulties when we look at them closely. Their poetry is unfamiliar in form. Many images they use are foreign to us today. And the psalmists sometimes express thoughts that seem unworthy of Scripture. Tremper Longman gives us the kind of help we need to overcome the distance between the psalmists' world and ours. He explains the various kinds of psalms, the way they were used in Hebrew worship and their relationship to the rest of the Old Testament. Then he looks at how Christians can appropriate their message and insights today. Turning to the art of Old Testament poetry, he explains the use of parallelism and imagery. Step-by-step suggestions for interpreting the psalms on our own are followed by exercises for further study and reflection. Also included is a helpful guide to commentaries on the Psalms. Here is a book for all those who long to better understand these mirrors of the soul.

**Handbook on the Wisdom Books and Psalms** Baker Academic

When we face trouble, feel joy, or just want spiritual inspiration, the Bible's Book of Psalms gives us wisdom and comfort. Rev. J.W. Gregg Meister shows us in *The Psalms: The Prayer Book of Jesus* that Jesus Himself turned to the psalms for strength and guidance while He walked on earth. Meister's fresh reflections open up the Book of Psalms for contemporary readers with helpful strategies for praying the psalms with Christian resolve.

Grounded in his rich experiences as Presbyterian pastor, entrepreneur, and mission-minded videographer in Latin America and Israel, Meister offers valuable insights into the context, content, and claim of selected psalms. Written with clarity and compassion, Meister's perceptive meditations on these psalms manage the rare combination of deepening both understanding and faith.

### **HELPING ORDINARY PEOPLE LEARN TO STUDY THE BIBLE**

Xulon Press

This valuable resource introduces readers to the Old Testament books of wisdom and poetry--Job, Psalms, Proverbs, Ecclesiastes, and Song of Songs--and helps them better understand each book's overall flow. Estes summarizes some of each book's key issues, offers an exposition of the book that interacts with major commentaries and recent studies, and concludes with an extensive bibliography. Now in paperback.

*Discovering Jesus in the Old Testament* W Publishing Group  
"A book you will want to read and read again." -- Eugene Peterson  
Afterword by Bono. How can we find a more transparent, resilient, and fearless life of faith? The book of Psalms has been central to God's people for millennia, across all walks of life and cultural contexts. In reading it, we discover that we are never alone in our joys, sorrows, angers, doubts, praises, or thanksgivings. In it, we learn about prayer and poetry, honesty and community, justice and enemies, life and death, nations and creation. *Open and Unafraid* shows us how to read the psalms in

a fresh, life-giving way, and so access the bottomless resources for life that they provide. "David Taylor's take is 'open and unafraid' alright. He really goes there, exposing himself before God in the most beautiful way. He might have called the book Naked, because if you don't find your own self feeling a little exposed here, it might be time to take some armor off." -- Bono, from the Afterword "A book that you will want to read and read again, and yet again, in order to discover the wisdom of the Psalms that shows us how to walk in the life-giving way of Jesus." -- Eugene Peterson, from the Foreword "A winsome, accessible entry into the Book of Psalms...Connects the poetry of the psalms to real-life wonders and struggles." -- Walter Brueggemann, Columbia Theological Seminary "Taylor reads these biblical prayers with Dr. Seuss, rappers, and other poets, along with theologians and the daily news....Guides readers in tracing out patterns of holy speech that have the potential for healing our hearts and our communities." -- Ellen F. Davis, Duke Divinity School "I have always loved the psalms--for their defiant devotion, their deep joy, and their brutal yet beautiful honesty. And after reading this fantastic book about them, I love them even more." -- Matt Redman, worship leader and song writer "In these fraught and fearsome days, we need the psalms more than ever. And we need more faithful artists and thinkers like David Taylor to mine the infinite gifts the psalms offer across the ages." -- Karen Swallow Prior, author of *Fierce Convictions*

**A Book of Psalms** Abingdon Press

Book of Psalms - Devotional THE PSALMS A very important part of the Bible. A FIVE FOLD DEVOTIONAL BOOK There are five things to keep in mind when we look at the Psalms. These are covered

within the pages of this devotional. But before introducing that, let us see the importance of the book of Psalms in knowing more about our Lord. Look carefully at Luke 24:25-27 and verses 44-45. He said to them, "How foolish you are, and how slow of heart to believe all that the prophets have spoken! Did not the Christ have to suffer these things and then enter his glory?" And beginning with Moses and all the Prophets, he explained to them what was said in all the Scriptures concerning himself. He said to them, "This is what I told you while I was still with you: Everything must be fulfilled that is written about me in the Law of Moses, the Prophets and the Psalms." Then he opened their minds so they could understand the Scriptures. Jesus used the Psalms many times in His teaching and life. They were much in His thinking. Here are some psalms concerning our Lord: David's greater Son89132 Incarnation of Son840 Rejection of Christ11878:1-2 Betrayal of Christ69109 Death of Messiah & beyond222 Victory over death16102 Messiah's marriage & ministry45110 Reign of glorious King7268 Paul also admonished the believers to make ready reference to the psalms: Ephesians 5:18-20 Colossians 3:16-17.

A Contemporary Reading of Tehillim Mohr Siebeck

By conceptualizing the 'Book' of Psalms as an anthology, and by inquiring into its poetics by means of paratextuality, David Willgren provides a fresh reconstruction of its formation and concludes that it preserves a selection of psalms that is best seen not as a book of psalms, but as a canon of psalms. - back of book.

Your prayers will be enriched and you will acquire a richer revelation of the God who invites you into a lifelong conversation. • Personal study between meetings • 10 sessions • Includes resource recommendations and a "How to Use This Study" section

**NIV, Value Outreach Bible, Paperback** Baker Books

What does our relationship with God look like? How do we communicate with God? How do we walk with Him? The Book of Psalms presents the Christian life in vivid color. It teaches the language of worship. It leads us through the emotional jungle of life. It equips us for battle. The believer may not read Leviticus every day, but he must know that the Psalms are for every day. Jesus Christ had the words of the Psalms on His lips as He hung on the cross, and His followers will live and die with the Psalms. This is why we must teach our children the Psalms! If these precious ones will walk with God, engage the battle, and worship, then they certainly must know the Psalms—every one of them. This book continues a series of lessons that Kevin Swanson is writing for his own five children as he disciples them on the eastern plains of Colorado. Each lesson includes: • Convenient categorization and contextualization of each Psalm • Exposition of each Psalm explaining the meaning in simple terms • Description of the emotions that weave through the Psalm • Family-life

application of the Psalm for parents and children • Summary of what the Psalm teaches about worship • Content and discussion questions to facilitate discussion and application Spiral Bound. 208 Pages. Covers Psalms 107-119.

The Message of the Psalms Lifeway Church Resources

This book will examine the different types of psalms as well as the various literary devices used by the authors of the psalms.

**Psalms Bible Study Book** NavPress

One of the most important contributions to our understanding of the psalms, *The Psalms in Israel's Worship* by Sigmund Mowinckel has largely provided the framework and suppositions of modern Psalms study. Fully revised from the original Norwegian edition and now featuring a substantial new foreword by James Crenshaw, this classic work (two volumes in one) argues that the psalms originated in actual temple worship and were used regularly to add drama to Israel's adoration of Yahweh.

Throughout this fascinating work, Mowinckel carefully explores the relationship of the various psalm types to the congregation's devotional life, including hymns of praise from Israel's national festivals, psalms of lamentation and penitence, and personal or private psalms of thanksgiving. Other topics include the psalms' relationship to prophecy and wisdom, their composition and collection, their style and performance, and the technical terminology involved in Psalms study.

**A Literary and Theological Introduction** Fortress Press

A commented new translation of the Book of Psalms seeks to preserve and convey its powerful message and musical rhythms while lending insight into the text's obscurities, in a volume by the acclaimed translator of the Five Books of Moses. 30,000 first printing.

### **THE PSALMS IN ISRAEL'S WORSHIP**

Worthy Books

With both careful and rich exegesis of the psalms, Zenger recovers these as important liturgical and theological resources for the church. It is especially helpful to pastors and others in the planning of public worship.

Discovering Joy in Philippians Westminster John Knox Press

Taking his point of departure from the newest frontier of research, McCann reads the psalms in the context of their final shape and canonical form. He interprets the psalms as scripture as well as in their character as songs, prayers, and poetry from Israel's history. McCann's intent is to contribute to the church's recovery of the psalms as torah--as instruction, as a guide to prayer, praise of God, and pious living. The explicit connections which McCann draws from the psalms to the New Testament and to Christian faith and life are extensive, making his work suitable for serious study of the psalms in academic and in church settings. An appendix examines the tradition of singing the psalms and offers suggestions for the use of the psalms in worship.
