 Our book is designed for  
 self-study so you can prep

at your own pace, on your own schedule. The new fourth edition includes an online study plan that will help you track your progress, learn more about the HiSET, and access supplemental study material. Essential Review More than 1,000 practice questions in the book and online with answers and explanations In-book diagnostic pretest to help you identify your strengths and weaknesses so you can set up a personalized study plan Essential skills you'll need to pass each of the 5 subtests: Reasoning through Language Arts-Reading, Language Arts-Writing, Mathematics, Science, and Social Studies A full-length practice test for each subject area Three chapters are now accessible in the online study plan: Earth and Space Science, Economics, and Geography Expert Guidance Online center with information about getting started, 3 digital chapters covering Science and Social Studies, and a system for marking chapters complete Expert test-taking strategies to help you face the exam with confidence Kaplan's experts make sure our practice questions and

study materials are true to the test. We invented test prep—Kaplan ([www.kaptest.com](http://www.kaptest.com)) has been helping students for 80 years. Our proven strategies have helped legions of students achieve their dreams. The HiSET is an alternative to the GED test and the TASC test. In some states, it is the only acceptable test for earning a high school equivalency diploma. In other states, it is just 1 test option out of 2 or 3. To find out whether your state will be using the HiSET for high school equivalency tests, visit [hiset.ets.org](http://hiset.ets.org) or contact your state's department of education. The previous edition of this book was titled *HiSET Exam 2017-2018 Strategies, Practice & Review*.
