How Botha and Smuts Conquered German South West McFarland

A renowned speaker and best-selling author draws on her work delivering captive Christians from spiritual oppression and Scripture, revealing how people struggling with strongholds--witchcraft, fear, victimization, depression, and more--can claim lasting victory. Original.

History of the Captivity of Napoleon at St. Helena

Cornell University Press
The Caucasus region of Eurasia, wedged in between the Black and Caspian Seas, encompasses the modern territories of Armenia, Azerbaijan, and Georgia, as well as the troubled republic of Chechnya in southern Russia. A site of invasion, conquest, and resistance since the onset of historical record, it has earned a reputation for fearsome violence and isolated mountain redoubts closed to outsiders. Over extended efforts to control the Caucasus area, Russians have long mythologized stories of their countrymen taken captive by bands of mountain brigands. In *The Captive and the Gift*, the

anthropologist Bruce Grant explores the long relationship between Russia and the Caucasus and the means by which sovereignty has been exercised in this contested area. Taking his lead from Aleksandr Pushkin's 1822 poem "Prisoner of the Caucasus," Grant explores the extraordinary resonances of the themes of violence, captivity, and empire in the Caucasus through mythology, poetry, short stories, ballet, opera, and film. Grant argues that while the recurring Russian captivity narrative reflected a wide range of political positions, it most often and compellingly suggested a vision of Caucasus peoples as thankless, lawless subjects of empire who were unwilling to acknowledge and accept the gifts of civilization and protection extended by Russian leaders. Drawing on years of field and archival research, Grant moves beyond myth and mass culture to suggest how real-life Caucasus practices of exchange, by contrast, aimed to control and diminish rather than unleash and increase violence. The result is a historical anthropology of sovereign forms that

underscores how enduring popular narratives and close readings of ritual practices can shed light on the management of pluralism in long-fraught world areas.

Middle ages and the reformation

Destiny Image Publishers

A literary sensation in Hungary, Gyorgy Spiro's *Captivity* is set in the tumultuous first century A.D., between the year of Christ's death and the outbreak of the Jewish War. It follows the adventures of the feeble-bodied, bookish Uri, a young Roman Jew. Frustrated with his hapless son, Uri's father sends the young man to the Holy Land to regain the family's prestige. In Jerusalem, Uri is imprisoned by Herod and meets two thieves and (perhaps) Jesus before their crucifixion. Later he has an awakening in cosmopolitan Alexandria, and then returns home to an unexpected inheritance.

The Norman Conquest of England Wipf and Stock Publishers

Published in 1908, this volume provides a complete history of the Norman conquest of England and a detailed biography of William the Conqueror.

JudithThe Jews have returned to Israel after the Babylonian captivity, but now a new threat looms on the horizon. Holofernes, the wicked and conniving general of the Assyrian army, is sent to conquer all the world's temples, and now heads toward the Promised Land. But in Bethulia, the one city that stands between the Assyrians and Jerusalem, is Judith, the only woman with enough faith and courage to defend the Temple with her life. With her people dying of thirst, and the Assyrians stationed outside Bethulia's gates, Judith leaves the safety of the city and infiltrates the enemy camp to find and kill the sinister Holofernes. Only five days remain before Bethulia surrenders and Israel falls - within that time Judith must find the strength to overcome her past if she is to ever outwit Holofernes. A battle of wills is about to take place that will shape Israel's future forever.Supernatural Freedom from the Captivity of Trauma Judith Library of Universal Knowledge Jazzybee Verlag The choices that individuals make in

moments of crisis can transform them. By focusing on fictional characters trapped on fictional islands, the book examines how individuals react when forced to make hard choices within the liminal space of a "prison" island. At stake is the perception of choice: do characters believe that they have the power to choose, or do they think that they are at the mercy of fate? The results reveal certain patterns-- psychological, historical, social, and political--that exist across a variety of popular/public cultures and time periods. This book focuses on how the interplay between liminality and the Locus of Control theory creates dynamic sites of negotiated meaning. This psychological concept has never before been used for literary analysis. Offered here as an alternative to the defects of Freudian psychology, the Locus of Control theory has been proven reliable in thousands of studies, and the results have been found, with few exceptions, to be consistent in both women and men. That consistency is explored through close readings of islands found in popular culture books, films, and

television shows, with suggestions for future research. The Captive and the Gift Harvest House Publishers Early literary man learned that free speech and free labor were frequently suppressed or obliterated by powerful governments in the Near Eastern world. This is the source of the Bible's passionate interest in liberation from political and economic repression. Moses and his people in Egypt, for example, experienced the rapid disintegration of their traditional right to religious liberty and self-directed labor. They attempted to rectify the situation at Sinai and in Canaan. Mesopotamians and Egyptians, Greeks, Sicilians, and Romans labored against tyranny as well. Robert Kimball Shinkoskey focuses on stories, laws, and movements dealing with the problem of political idolatry in the ancient world. His purpose is to show that the Bible is a civic narrative as much as a religious one, and that the Ten Commandments are articles in a constitutional law system that promotes the steady rule of law rather than the capricious rule of man.

THE CONQUEST OF GRANADA

Simon and Schuster
The Book of Daniel is one of the Bibles richestfull of astounding historical events and prophetic visions that for centuries have helped readers realize Gods plan for mankind and His covenant people. This commentary and workbook, the result of several seasons of intense research by author Ronald Clower, presents a concise, verse-by-verse study of Daniel that explores not only the life of the prophet himself but the books setting, stories, and foretastes of the futuresome of them already fulfilled and some of them yet to be. The chapters are supplemented with illustrations and material on related topics, and each one includes separate questions for review and discussion, inviting both personal use and classroom or group study. Clowers work will carefully guide you through this exciting Old Testament book, helping you connect its truths with the whole of Scripture and the centerpiece of the entire gospel, the Lord Jesus Christthe One who was,

and is, and is to come.

CONQUEST OF GRANADA. OLIVER GOLDSMITH

London : Simpkin, Marshall, Hamilton, Kent DigiCat Publishing presents to you this special edition of "Of the Capture of Ticonderoga: His Captivity and Treatment by the British" by Ethan Allen. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. Supernatural Freedom from the Captivity of Trauma Bethany House No matter what's leading you astray, choose to trust God and pray! You believe there is hope for successfully combating temptation and the choices and habits that leave you feeling ashamed and fearful of the consequences. But you are unsure how to begin fighting back. Victory is indeed within reach when you rely on

God's grace and strength. The principles and prayers in this book, inspired and guided by powerful Scripture verses, will help you effectively war against temptation and walk in the freedom God offers every day and in every situation. You will learn the reasons we so easily succumb to temptation, and how God stands ready to intervene so you can succeed and overcome. When you find yourself in a bad place—or even when you think you'll be fine—seek the Lord and pray. This book will get you started with biblical tools and reminders that show how God can guide you safely through your daily battles. This is the victory that has overcome the world—our faith. 1 John 5:4 Captivity DigiCat The Jews have returned to Israel after the Babylonian captivity, but now a new threat looms on the horizon. Holofernes, the wicked and conniving general of the Assyrian army, is sent to conquer all the world's temples, and now heads toward the Promised Land. But in Bethulia, the one city that stands between the Assyrians and Jerusalem, is Judith, the only woman with enough faith and courage to defend the

Temple with her life. With her people dying of thirst, and the Assyrians stationed outside Bethulia's gates, Judith leaves the safety of the city and infiltrates the enemy camp to find and kill the sinister Holofernes. Only five days remain before Bethulia surrenders and Israel falls - within that time Judith must find the strength to overcome her past if she is to ever outwit Holofernes. A battle of wills is about to take place that will shape Israel's future forever.

Break the spirit of trauma, and get your life back!

God desires to release wholeness and healing! But often this healing is obstructed by scars from painful past experiences. This is the spirit of trauma. When the spirit of trauma is broken, healing can finally break through! For several decades, the Holy Spirit has used Dr. Mike Hutchings in a supernatural way to bring

healing to thousands who were bound by the spirit of trauma. In this landmark book, Dr. Hutchings equips you to identify the root, effects, and symptoms of trauma-related issues. Overcome debilitating anxiety, fear, and nightmares. Release healing prayers that bring emotional, spiritual, and physical freedom.

Experience healing and relief from the torment of PTSD. You don't have to suffer anymore. Jesus the Healer longs to set you free from trauma today!

Lectures on the History of the Jewish Church:

Samuel to the captivity
Manchester University Press

In 1830 Irving published his "Chronicles of the Conquest of Granada," one of the most delightful of his works, an exact history, for such it is admitted to be by those who have searched most carefully the ancient records of Spain, yet so full of personal incident, so diversified with surprising turns of

fortune, and these wrought up with such picturesque effect, that, to use an expression of Pope, a young lady might read it by mistake for a romance.
