VIRGINIA ISABEL

Dramatists Play Service Inc
A History of the Concerto may be read from cover to cover, but readers may also use the extensive index to focus on specific concertos and their composers. Numerous musical examples illuminate critical points. While some readers may want to study the more detailed analyses with scores in hand, this is not essential for an understanding of the text.

Sonatina for Violin and Piano Alfred Publishing Company
A collection of all eight sonatas for violin and piano by Haydn. Both parts are included.

Analytical Studies in World Music G Schirmer, Incorporated
This volume of essays on Wolfgang Amadeus Mozart reflects scholarly advances made over the last thirty years. The studies are broad and focused, demonstrating a large number of viewpoints, methodologies and orientations and the material spans a wide range of subject areas, including biography, vocal music, instrumental music and performance. Written by leading researchers from Europe and

North America, these previously published articles and book chapters are representative of both the most frequently discussed and debated issues in Mozart studies and the challenging, exciting nature of Mozart scholarship in general. The volume is essential reading for researchers, students and scholars of Mozart's music.

A New Realization of Mozart Violin Concerto #3 in G Major, KV216 Alfred Music

Expertly arranged violin solo by Wolfgang Amadeus Mozart from the Kalmus Edition Series.

Mozart Violin Concerto No. 4 in D Major Oxford University Press, USA
Michael Steinberg's 1996 volume *The Symphony: A Reader's Guide* received glowing reviews across America. It was hailed as "wonderfully clear...recommended warmly to music lovers on all levels" (Washington Post), "informed and thoughtful" (Chicago Tribune), and "composed by a master stylist" (San Francisco Chronicle). Seiji Ozawa wrote that "his beautiful and effortless prose speaks from the heart." Michael Tilson Thomas called *The Symphony* "an essential book for any concertgoer." Now comes the companion volume--*The Concerto: A Listener's Guide*. In this marvelous book, Steinberg discusses over 120 works, ranging from Johann Sebastian Bach in the 1720s to John Adams in 1994. Readers will find here the heart of the standard repertory,

among them Bach's Brandenburg Concertos, eighteen of Mozart's piano concertos, all the concertos of Beethoven and Brahms, and major works by Mendelssohn, Schumann, Liszt, Bruch, Dvora'k, Tchaikovsky, Grieg, Elgar, Sibelius, Strauss, and Rachmaninoff. The book also provides luminous introductions to the achievement of twentieth-century masters such as Arnold Schoenberg, Be'la Barto'k, Igor Stravinsky, Alban Berg, Paul Hindemith, Sergei Prokofiev, Aaron Copland, and Elliott Carter. Steinberg examines the work of these musical giants with unflinching enthusiasm and bright style. He is a master of capturing the expressive, dramatic, and emotional values of the music and of conveying the historical and personal context in which these wondrous works were composed. His writing blends impeccable scholarship, deeply felt love of music, and entertaining whimsy. Here then is a superb journey through one of music's richest and most diverse forms, with Michael Steinberg along as host, guide, and the best of companions.
