What you are about to learn right now is rather obscure. In fact, there is only one other book written on this particular topic. It's a hidden side of an otherwise popular spiritual practice. What you will learn is the Dark Mantras of Subjugation called Vashikaran. I call them dark because they are meant to "subjugate" or "command" people and events to your will. Often mantras are associated with pure and spiritual practices. We use mantras to achieve altered states of consciousness, We use them to attract divine blessings. Seldom do we hear about people using mantras to control another person or persons. That kind of thing was relegated to black magick and witchcraft here in the west. But is it truly black magic? Is there actually such a thing as white and black magick in the eastern traditions? Or perhaps we, in the west interpret these things in stark black and white terms? In this book, we will discuss the Vashikaran Mantras and their dark powers

Kulārṇava Tantra is perhaps the foremost Tantra of the Kaula School and is constantly cited as an authority in Tantric literature. It is worthy of close study by those who would understand the tenets and practice of the tradition of which it is a Sastra. It calls upon man to wake up to the rare privilege that has been given to him, e.g., human birth in which the being becomes conscious of himself and is offered a choice, a choice between stagnation and rapid progression towards his Godhead. He is asked to purify himself and told how to do it. In unambiguous terms he is told that a wine-drinker is different from the drinkers of ecstasy; the union of delight is between the ascending Shakti and the presiding Lord above, and not between man and woman. The Introduction by Arthur Avalon (Sir John Woodroffe) gives a concise outline of the work. Sri M.P. Pandit, who is a keen student of the Tantras and Vedas, has rendered the work in English in eleven chapters. The Readings are free translations with annotations where necessary, omitting technical details but preserving the spirit and essential import of the original in his characteristically lucid style. The complete text is given in Devanagari after being duly edited by Taranatha Vidyananya for those who wish to study the book in the original Sanskrit. *The Kamasutra* Lexington Marshall Publishing, LLC

Yogini tantra is capable of giving

everything desired in the world and a practitioner enlightened with it. Being rare for even Gods, this great esoteric wisdom is practiced by the Lord Kubera (Lord of Treasures, prosperity, luxury, money and luck); by virtue of which he is able to become the lord of three worlds (Heaven, Earth and Underworld) In very ancient days, eight great Female Shaktis emerged from the cosmic soul of the Principle Deities and formed Kali or Durga, the Universal Shakti Power; these were the grand Mothers (Ashta Matrikas) of all subsequent Yoginis. According to Kaula Tantra, these eight manifested each in turn, into eight Divine Shaktis, thus resulting in the 64 Tantric Yoginis. These 64 powerful Goddesses have unique personas and powers to fulfill your desires, drive away negativity and fear, prevent misfortunes, and give you knowledge, peace, all-around prosperity, good progeny, and auspiciousness of all kinds. The goal of Yogini worship, as described in both Purana and Tantras, was the acquisition of occult powers or siddhis. The Sri Matottara Tantra describes 8 major powers, as named in the Yoga Sutras of Patanjali, namely: Anima- becoming microscopically small, giving knowledge of how the world works Mahima- becoming huge, able to view the whole solar system and the universe Laghima- becoming weightless, allowing levitation and astral travel away from the body Garima- becoming very heavy and powerful Prakamya- having an irresistible willpower, able to control the minds of others Ishitva- controlling both body and mind and all living things Vashitva- controlling the natural elements, such as rain, drought, volcanoes, and earthquakes Prakamaya- gaining all one's desires and any treasure

If you have read my other books you know that I recommend the use of mantras as a vehicle for magick. They are very powerful and often times easy to recite. In my other books that deal with mantras I provide a bonus chapter on something called "Siddhi." I have been asked several times to go into greater depth about this and so I have decided to write this text. By attaining Siddhi, while using a mantra, you are literally embodying the power of that mantra. You will have the mantras power. For example, if you are looking to attract material abundance, the seed mantra for that is SHREEM. If you recite SHREEM 10,000 times, you will attain the essence of that Supernatural power. You will be able to recite SHREEM and attain your material goals easily. You will be a magnet as it were. You will attain supernatural powers. In this book, we will discuss, in greater depth, what Siddhi is. After that, I will present a few powerful mantras and provide you the exact number of recitations you will need to attain Siddhi. Not all mantras have the same recitation count. I will also provide helpful tips on how to keep track of your recitations and most importantly, we will discuss the

immense responsibility given you once you achieve Siddhi. Do Not take this lightly, once you achieve Siddhi for any given mantra, you will possess that power. USE IT WISELY.
