Famous Songs and Those who Made Them Funstory

“Trust, lies, truth, and sanity no longer matter when you deal with a fanatic. Don’t pretend to understand Valessa. Don’t think you know why she does what she does. She’s not just unfinished; she’s a broken thing, and it’s the broken pieces that are most likely to cut when you touch them.” --- The war in the north is coming to an end, but more and more it seems neither brother, Arthur or Sebastian, will end as the true victor. The priest Luther rallies an army of Karak, his aims unclear. Further north, Cyric continues to proclaim himself a god, and his followers are many. Caught between two enemies, Darius and Jerico must stand together to prevent the destruction of everything they hold dear. And the key to their victory might be someone sworn to kill them both. THE BROKEN PIECES by David Dalglish Even the strongest can break before a furious god.

Sword Sovereign of Chaos Funstory

Under the heavens, what was justice? His father had been defeated in the Southern Wilderness, his mother had gone missing, and he was still a teenager, so where would he go?

The King of the Fallen John Hunt Publishing

“THE SORCERER’S RING has all the ingredients for an instant success: plots, counterplots, mystery, valiant knights, and blossoming relationships replete with broken hearts, deception and betrayal. It will keep you entertained for hours, and will satisfy all ages. Recommended for the permanent library of all fantasy readers.” --Books and Movie Reviews, Roberto Mattos A RITE OF SWORDS is book #7 in the bestselling series THE SORCERER’S RING--which begins with the #1 Bestseller A QUEST OF HEROES (Book #1)! In A RITE OF SWORDS (Book #7 in the Sorcerer’s Ring), Thor grapples with his legacy, battling to come to terms with who his father is, whether to reveal his secret, and what action he must take. Back home in the Ring, with Mycoples by his side and the Destiny Sword in hand, Thor is determined to wreak vengeance on Andronicus’ army and liberate his homeland—and to finally propose to Gwendolyn. But he comes to learn that there are forces even greater than he that might just stand in his way. Gwendolyn returns and strives to become the ruler she is destined to be, using her wisdom to unite the disparate forces and drive out Andronicus for good. Reunited with Thor and her brothers, she is grateful for a lull in the violence, and for the chance to celebrate their freedom. But things change quickly—too quickly—and before she knows it, her life is thrown upside down again. Her elder sister, Luanda, caught in a fierce rivalry with her, is determined to wrest power, while King MacGill’s brother arrives with his own army to gain control of the throne. With spies and assassins on all sides, Gwendolyn, embattled, learns that being queen is not as safe as she thought. Reece’s love with Selese finally has a chance to flourish, yet at the same time, his old love appears, and he finds himself torn. But idle times are soon overcome by battle, and Reece, Elden, O’Connor, Conven, Kendrick, Erec and even Godfrey must face and overcome adversity together if they are to survive. Their battles take them to all corners of the Ring, as it becomes a race against time to oust Andronicus and save themselves from complete destruction. As powerful, unexpected forces battle for control of the Ring, Gwen realizes she must do whatever it takes to find

Argon and bring him back. In a final, shocking twist, Thor learns that while his powers are supreme, he also has a hidden weakness—one that may just bring his final downfall. Will Thor and the others liberate the Ring and defeat Andronicus? Will Gwendolyn become the queen they all need her to be? What will become of the Destiny Sword, of Erec, Kendrick, Reece and Godfrey? And what is the secret that Alistair is hiding? With its sophisticated world-building and characterization, A RITE OF SWORDS is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. Books #8--#17 in the series are now also available! “Jam packed with action, romance, adventure, and suspense. Get your hands on this one and fall in love all over again.” --vampirebooksite.com (regarding Turned)

"This world is not safe. Your angels have done great things, but I fear their illusion of safety has been more damaging than they can possibly understand. The ancient evils may be gone, but new ones have replaced them." ---- Five years have passed since the death of the war god, and now angels watch over the land. It should be a time of peace and prosperity. It is not. With King Antonil marching east to retake his former lands from the orcs, Harruq Tun is thrust into a position of power he is completely unprepared for, leaving many plotting to usurp the throne for their own ends. Hovering over it all are the angels, enforcers of

the law and wielders of the executioner's blades. Once viewed as humanity's saviors, the angels now find themselves struggling for a proper place in the new world. Monsters in the Vile Wedge are stirring, and in the south the nation of Ker moves to protect itself from a rule from on high. War comes, and if Harruq cannot stop it, their paradise of angels may soon become a blood-stained prison. THE PRISON OF ANGELS by David Dalglish Fear the grace enforced by the sword.
