Church Pimps Farrar, Straus and Giroux

Hollywood Godfather is Gianni Russo's over-the-top memoir of a real-life mobster-turned-actor who helped make The Godfather a reality, and his story of life on the edge between danger and glamour. Gianni Russo was a handsome 25-year-old mobster with no acting experience when he walked onto the set of The Godfather and entered Hollywood history. He played Carlo Rizzi, the husband of Connie Corleone, who set her brother Sonny—played by James Caan—up for a hit. Russo didn't have to act—he knew the mob inside and out: from his childhood in Little Italy, where Mafia legend Frank Costello took him under his wing, to acting as a messenger for New Orleans mob boss Carlos Marcello during the Kennedy assassination, to having to go on the lam after shooting and killing a member of the Colombian drug cartel in his Vegas club. Along the way, Russo befriended Frank Sinatra, who became his son's godfather, and Marlon Brando, who mentored his career as an actor after trying to get

Francis Ford Coppola to fire him from The Godfather. Russo had passionate affairs with Marilyn Monroe, Liza Minelli, and scores of other celebrities. He went on to become a producer and starred in The Godfather: Parts I and II, Seabiscuit, Any Given Sunday and Rush Hour 2, among many other films. Hollywood Godfather is a no-holds-barred account of a life filled with violence, glamour, sex—and fun.

Fox in Socks Kensington Books

The pimp has reached nearly mythical status. We are fascinated by the question of how a guy from the ghetto with no startup capital and no credit -- nothing but the words out of his mouth -- comes not only to have a stable of sexy women who consider him "their man," but to drive a Rolls, sport diamonds, and wear custom suits and alligator shoes from Italy. His secret is to follow the "unwritten rules of the game" -- a set of regulations handed down orally from older, wiser macks -- which give him superhuman powers of charm, psychological manipulation, and persuasion. In Pimpology, star of the documentaries Pimps Up, Ho's Down and American Pimp and Annual Players Ball Mack of the Year winner Ken Ivy pulls a square's coat on the unwritten rules that took him from the ghetto streets to the executive suites. Ken's lessons will serve any person in any interaction: Whether at work, in relationships, or among friends, somebody's got to be on top. To be the one with the upper hand, you've got to have good game, and good game starts with knowing the rules. If you want the money, power, and respect you dream of, you can't just "pimp your ride," you need to pimp your whole life. And unless you've seen Ray Charles leading Stevie Wonder

somewhere, you need Ken's guidelines to do it. They'll reach out and touch you like AT&T and bring good things to life like GE. Then you can be the boss with the hot sauce who gets it all like Monty Hall

Shetani's Sister St. Martin's Press

Doom Fox is the final instalment in Iceberg Slim's searing sequence of highly-charged books that began with his critically acclaimed and multi-million selling autobiography, *Pimp*. Slim's powerful, raw prose and eye-opening reflections of black ghetto realities have helped to redefine modern American literature, offering the reader a glimpse into lifestyles and language never before seen in print. *Doom Fox* tells the tragic story of three generations of the Allen family in post-war L. A. Written with Slim's typically disturbing honesty and sharp humour, it paints their lives with compassion, telling their stories in their own words, in the language of the street. The result is another riveting and potent urban parable, a bitter commentary on a society that has as its core a legalized policy of discrimination.

GOSPEL OF THE GAME

Doubleday

"... A gutsy account of an Inner City gold-hatted, high-bouncing lover... He's known as Earl the Black Pearl, and he's up from the ghetto - way up. He views the streets from his fashionable penthouse with its wall-to-wall silk suits and women. He's everybody's mellow fellow, a big spender, the toast of the inner city. He's as cool and sharp as an ice crystal."--Lower wrapper.

LOST INTERVIEWS WITH THE PIMP - BOOK TWO

Urban Books

In the tradition of Donald Goines and Iceberg Slim comes *A Pimp's Life*, the story of the rise and fall of Mack Jones. He's at the top of his pimp game in Queens, New York, until he breaks one of the cardinal rules of Pimping 101 and falls in love with one of his girls. Destiny was once an innocent young girl tricked into selling her body, but now she's as tough as the most seasoned professionals on the street. Then a tragic turn of events causes her to open her heart once again. When Mack is shot, she stays by his side during his recovery, proving herself to be as devoted as any wife would be to her husband. After she sees that Mack has regained his strength, Destiny finally gathers the courage to leave the life behind her, and Mack is forced to make a decision. He won't stop her from leaving, but he must decide if he will follow her out of the game. Will he stay with what he's always known, or take a chance on love? And even if he does choose to get out, will the streets let him go that easy?

A PIMP'S LIFE

Simon and Schuster

In our society today, although used out their original contexts, the words "Pimp" and "Pimpin" have been embraced wholeheartedly by today's hip hop generation and frequently used in slang to describe a motif of a newly set standard of flamboyant living. However, in his debut release, Donald Ray Lavan (AKA Noble Dee) provides the true definition of both words, separating the real and the facts from the façade and the fiction of today's controversial terminology. Best of all, he describes in very minute details, what the Game (Pimpin') was like for him in his era... the 1960's to Y2K (The New Millienium). In this tell all non-fiction: Noble Dee illustrates, in a very blaxploitation manner...his personal existence in the game. Not only does he exploit his successes, he also exposes the very grim details of the life; both in tones whereas you the reader... bask in his glory, and share his pains; the pain of possibly regret in the life that he cherished for almost four calendar decades. Wholeheartedly, Noble Dee

expresses how his own glorification of the game, indirectly allured his first born daughter into a position to be manipulated and exploited by pimps, just as he had manipulated and exploited so many daughters throughout his 35 years plus career. Not since Robert Beck revealed to the masses the vivid street Realities of a Pimp's Life in his book "Pimp: The Story of My Life" By Iceberg Slim has the entrenching truth behind the lifestyle-termed pimpin' been exposed to this degree. Thus, the primary title... "Pimp:...Reflections of My Life". www.JumpInterstateN.biz
The 48 Laws of the Game e-artnow

In "The Naked Soul of Iceberg Slim," the fierce and lyrical icon for criminal reformation describes himself as "ill...from America's fake façade of justice and democracy." For Iceberg, the illness may have been a detriment, but for us, it's a gift. His tales serve as a chilling reminder that we are all still inmates of one prison or another, and the time to break free has arrived. Iceberg Slim took the public into the raw, unseen, predatory reality of America with "Pimp". This time around, he puts the emphasis on reality with his collection of personal essays. This is Iceberg, in California, broken down into a million pieces of anger, wisdom, but ready for a shift in his own consciousness. From the corrupt LAPD to a broken heart, Iceberg recounts woes that the average Joe can't even fathom. Iceberg Slim takes us for a ride; this time not only through the harrowing world of a pimp, but through his brain, his soul, and his psyche. The racist, gut-wrenching universe Iceberg Slim inhabits throughout this novel and his struggle to endure is one that will be appreciated by all. The story's arch of chaos to cleansing is startlingly honest. After all, one can't help but root for the man who had the courage to rupture the bars of the cell society created for him and the man who gave a voice to those too afraid to speak. In "The Naked Soul of Iceberg Slim" his voice reigns loud and clear, and ready for vengeance.

Pimp AuthorHouse

Picking up where "Wiseguy" leaves off, this book takes readers on the crazy ride of Hills life--hiding out in the Witness Protection Program, testifying in high-profile mafia trials, and eventually ending up in the entertainment business.

Raised in Pimp City: The Uncut Truth About Domestic Human Sex Trafficking Simon and Schuster

"You pimp! You trafficker! You should be skinned alive and burned at the stake! How could you possibly exploit another sexually for your own sick financial gain? They were prostituting minors! How could they be so sick? Prison, yes prison should be where we hide you forever for the destruction of human life that you caused. Stopping you means stopping the human sex trafficking epidemic! If we incarcerate you we can stop modern day slavery!" I heard these words as I watched a group of my mentees go through their case in federal court. With RICO conspiracy charges hanging over their heads, they were presented as gang members that trafficked girls for the benefit of the gang. I knew these allegations were false. I knew these young men personally. They were not pimps and definitely not "traffickers," a new word to me that I had never heard before until now. A word that I had to learn the meaning of fast. How did I know that they weren't "traffickers"? I quickly found out that for many years of my life I myself was a trafficker. I sat in the courtroom silent, not able to speak my first-hand knowledge of "the game." Regardless of whether I knew my mentees were innocent or not, these were charges they could never shake. I listened as law enforcement experts testified from their expertise. Ha! What did they know? These were people who had never spent a single day in the subculture of pimping and prostitution. They had no clue what that life was really like and if they did they were lying on purpose to continue the mass incarceration of young black and brown lives. Yeah, that had to

be it. Entering the anti human sex trafficking movement as a former pimp and trafficker, I knew I would be alone. My past will not be taken well by many, but what other option do I have, stay quiet? Should I not educate people about domestic human sex trafficking and the pimping culture I was raised to believe was my only way of success? I can't stay quiet! I can't go off and live a normal life, glad to have survived the game. Out of 8 of my closest friends I am one of 4 still alive. The only way to help end this cycle of death and incarceration is to teach the truth from my perspective. All sides of this problem must be at the table because so far only a portion of the story is being told. This portion of the story still doesn't truly reflect the lived realities of the many women survivors that I know and love. Staying quiet is not an option for me - I'm willing to die to save future generations from this trap. This was no "game" we were playing. It was an illusion. An illusion that was pressed upon me and my entire peer group as we grew up in San Diego, California. Pimp City. To all who want to truly want to help fight human sex trafficking and sexual exploitation this book is needed in your arsenal. This is not a "how to" book on pimping. This is also not a book about human sex trafficking in general. This book presents a deeper understanding of the mind-frame and make-up of those involved in human sex trafficking. This book specifically deals with the pimping and prostitution subculture that has risen from impoverished communities across the United States, communities in cities like mine. This subculture can affect your family no matter what social or economic class you come from. Do you want to learn the truth so that we can really deal with the problem? Here's your opportunity.

Pimp My Ride Simon and Schuster

Robert Beck, better known as Iceberg Slim, was an American pimp who subsequently became an influential author among a primarily African-American readership. Beck's novels were adapted into movies, and the imagery and tone of Beck's fiction have been acknowledged as an influence by several gangsta rap musicians, including Ice T and Ice Cube, whose names are homages to Beck.

The Mob, Witness Protection, and Life on the Run PimpThe Story of My Life

The Savage Detectives elicits mixed feelings. An instant classic in the Spanish-speaking world upon its 1998 publication, a critical and commercial smash on its 2007 translation into English, Roberto Bolaño's novel has also been called an exercise in 1970s nostalgia, an escapist fantasy of a romanticized Latin America, and a publicity event propped up by the myth of the bad-boy artist. David Kurnick argues that the controversies surrounding Bolaño's life and work have obscured his achievements—and that The Savage Detectives is still underappreciated for the subtlety and vitality of its portrait of collective life. Kurnick explores The Savage Detectives as an epic of social structure and its decomposition, a novel that restlessly moves between the big configurations—of states, continents, and generations—and the everyday stuff—parties, jobs, moods, sex, conversation—of which they're made. For Kurnick, Bolaño's book is a necromantic invocation of life in history, one that demands surrender as much as analysis. Kurnick alternates literary-critical arguments with explorations of the novel's microclimates and neighborhoods—the little atmospheric zones where some of Bolaño's most interesting rethinking of sexuality, politics, and literature takes place. He also claims that The Savage Detectives holds particular interest for U.S. readers: not because it panders to them but because it heralds the exhilarating prospect of a world in which American culture has lost its presumptive centrality.

PIMP

Canongate Books

The author that brought black literature to the streets is back. Weaving stories of deceit, sex, humor and race Iceberg Slim, best-selling author of Pimp, brings us the story of a hustler who doesn't just play the con game, he transforms it. This is the gritty truth, the life of a hustler in south side Chicago where the only characters are those who con and those who get conned. Trick Baby tells the story of "White Folks," a blue-eyed, light-haired, con-artist whose pale skin allows him to pass in the streets as a white man. Folks is tormented early in life, rejected by other children and branded a "Trick Baby," the child conceived between a hooker and her trick. Refusing to abandon his life in the ghetto and a chance at revenge, Folks is taken under the wing of an older mentor, Blue. What happens next is not to be believed. Only Slim could bring us the story of a hustler, forced to learn the game and rise to the top. It's Slim's story and he tells it in the only way he knows how, in the language of the streets.

Robert Beck's Real Story Simon and Schuster

"On a scale of one to ten, this novel is incomparable to any other of its kind; in fact this read is off the scale. To my knowledge, there has never been a novel quite like this. The writer is nothing short of brilliant. He is the absolute best." -Bogeese (Chicago, IL)

The Biography of a Pimp Kensington Books

"[In Pimp], Iceberg Slim breaks down some of the coldest, capitalist concepts I've ever heard in my life." —Dave Chappelle, from his Netflix special The Bird Revelation Pimp sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim's autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago's street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, "In this book, I will take you, the reader, with me into the secret inner world of the pimp." An immersive experience unlike anything before it, Pimp would go on to sell millions of copies, with translations throughout the world. And it would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler's tale that never seems to go out of style.

PimpThe Story of My Life Simon and Schuster

Pimp C: The Untold Story of Chad Butler Rowman & Littlefield

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

PIMPOLOGY Simon and Schuster

The ultimate anti-hero, Iceberg Slim, takes you into the secret inner world of the pimp, and the smells, the sounds, the fears and petty triumphs of his world. A legendary figure of the Chicago underworld, this is his story: from defending his mother against the evil men she brought into their lives, to becoming a giant of the streets. A seething tale of brutality, cunning and greed, *Pimp* is a harrowing portrait of life on the wrong side of the tracks, and a rich warning from a true survivor.

THE PIMP'S RAP

Simon and Schuster

CONTAINS A NEW EPILOGUE!" Mafia Prince is the first-person account of one of the most violent eras in Mafia history —“Little” Nicky Scarfo's reign as boss of the Philly family in the 1980s—written by Scarfo's underboss and nephew, “Crazy” Phil Leonetti. The youngest-ever underboss at the age of 31, Leonetti was at the crux of the violent downfall of the traditional American Mafia in the 1980s when he infiltrated Atlantic City after gambling was legalized, and later turned state's evidence against his own. His testimony directly led to the convictions of dozens of high-ranking made men including John Gotti, Vincent Gigante, and his own uncle, Nicky Scarfo—sparking the beginning of the end of La Cosa Nostra. Just as *The Godfather* and *Boardwalk Empire* defined the early 20th century Mafia, and *Wiseguy* and *Casino* depicted the next great era through the '70s, *Mafia Prince* concludes this epic genre revealing the Mafia's violent final heyday of the 1980s— straight from the horse's mouth.

THE GAME OF LIFE & HOW TO PLAY IT

Lulu.com

Chili Pimping in Atlantic City: The Memoir of a Small-Time Pimp and Hustler, the controversial autobiography of Michael Mick-Man

Gourdine, AKA the Candyman, as he was known on the street.

The book pulls no punches and provides an honest and sometimes shocking look at what one man from the wrong side of tracks felt compelled to do to achieve the American Dream.

Gourdine became a pimp who operated primarily on the streets of Atlantic City, New Jersey, while working as a corrupt NYPD cop who specialized in narcotics trafficking and prostitution.

Employed as a police officer from 1990 to 2000, Gourdine reportedly made an estimated \$2.5 to 3 million dollars in illegal graft, bribes, prostitution and drug dealing before being fired.

Gourdine was a chili pimp—that is, a small time pimp who had between one and three girls working for him. As a chili pimp, Gourdine didn't stay in the most expensive hotels or eats in the most expensive restaurants; he couldn't afford it. Instead he relied on his ability to give his girls more care, attention and on-the-spot dependability than a bonafide pimp could give.

Today, Gourdine recalls, "It is a sad existence that I was lucky enough to escape and maybe some readers will avoid after reading my book." *Chili Pimping in Atlantic City* describes how Gourdine developed the stomach for the pimping game, became a corrupt cop, learned the pimping trade and survived on the mean streets. The author paints vivid profiles of some the interesting characters he meets along the way. He concludes with some hard lessons. "The best way to steer a young boy away from pimping is to change his environment," Gourdine writes. "If a young boy is starving, living without heat in his house, with no real men around him, guess what he's going to take when he sees the first person who he deems the best fit to survive in his dismal circumstances? And believe you me, he will not be a law abiding citizen." Gourdine now resides somewhere in New Jersey where he owns and manages numerous properties, and changes residences often. He is married with four sons.
