THE REASON WHY I SING

Harper Collins

Poems and song lyrics of faith and hope is a collection of writings that have been a work in progress over the last 20 years of my life. Writings that reflect the power and love that God has for us. From his passion he has for humanity by sending his son Jesus to die for our short comings, to show us how to live, love and forgive. Along with his power to deliver us from issues that plague our lives so that we can freely worship him and give him the glory for all that he has done for us.

For the Glory of God Oxford University Press, USA

For those friends and acquaintances, who have expressed a wish to read the complete story of my life, from my childhood to the present time, I have undertaken the writing of this book. By including even some incidents that, in themselves, may seem trivial, I have tried to make this account a full and accurate autobiography. In modesty, however, I have also desired to render my story as simple as possible, in fact, to give a vivid picture of my work, my opinions and my aspirations, not only as a teacher but also as a writer of sacred songs; and if I have spoken with a frankness that may seem akin to egotism, I hope that I may be pardoned; for I am fully aware of the immense debt I owe to those numberless friends, only a few of whom I have been able to mention, and especially to that dear Friend of us all, who is our light and life.

The Puritan preacher Richard Sibbes (1577-1635) really knew how to awaken and invigorate faith, love and joy in Christ in the hearts of his hearers. Taking Paul's words in Philippians 1:23,24, Sibbes ably shows that we will only begin to desire Christ above all else when we sense how much he loves us sinners, how much he has suffered for our forgiveness, and how unfathomably kind and merciful he is and has been. We love him,because he first loved us(I John 4:19).
