International Baccalaureate Chemistry Vocabulary Workbook

National Academies Press

Now you can instantly improve your score on the IB Chemistry Exam Ever wonder why learning comes so easily to some people? This remarkable book reveals a system that shows you how to learn faster, easier and without frustration. By mastering the hidden language of the exam, you will be poised to tackle the toughest of questions with ease. We've discovered that the key to success on the IB Chemistry Exam lies with mastering the Insider's Language of the subject. People who score high on their exam have a strong working vocabulary in the subject tested. They know how to decode the exam vocabulary and use this as a model for test success. People with a strong Chemistry Insider's Language consistently: Perform better on the International Baccalaureate Exam in Chemistry Learn faster and retain more information Feel more confident in their preparation Perform better in the classroom Gain more satisfaction in learning The IB Chemistry Exam guide focuses on the exam's Insider's Language. It is an outstanding supplement to a traditional review program. It helps your preparation for the exam become easier and more efficient. The strategies, puzzles, and questions give you enough exposure to the Insider Language to use it with confidence and make it part of your long-term memory. The IB Chemistry Exam Success Guide is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success on the IB Chemistry Exam. After nearly 20 years of teaching we discovered a startling fact: Most students didn't struggle with the subject, they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject there was a list of essential words, that, when mastered, unlocked a student's ability to progress in the subject. We called this set of vocabulary the "Insider's Words." When he applied these "Insider's Words" the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of Books and applications to teach this "Insider's Language" to students around the world. Our books and applications are helpful to any student. They are especially helpful to struggling students, English language learners, and students beginning a course of study. The strongest students will also enjoy the puzzle and game aspect of the books. In all cases, the books provide an enjoyable break from the tedious and mundane experience of traditional test preparation. Get your copy today!
