The discovery of several incomplete chapters of Ralph R. Greenson's long-awaited Volume II of *The Technique and Practice of Psychoanalysis* form the cornerstone of this memorial to a man considered by many to be the best clinical psychoanalyst of his generation. Using the detailed outlines of the chapters that Greenson had intended to write, the editors solicited prominent American psychoanalysts to cover the planned content areas. Such adherence to Greenson's plan makes this a worthy companion to Volume I.

THE JOYS OF YIDDISH

Image Comics

A multilayered portrait of this brash, gifted artist, whose restless voice and spirit seem as alive today as ever.

□ Compelling and revealing Roman Candle gives us the many lives of one of the great entertainers of all time, whose flame was extinguished way too soon. □ □

Kevin Spacey A performer who rivaled Sinatra, Bobby Darin rose from dire poverty to become one of the biggest stars of his generation. Dogged by chronic illness, he knew that time was not on his side, and so, in a career full of dizzying twists and turns, he did it all, moving from teen idol to Vegas song-and-dance man, from hipster to folkie and back. In *Roman Candle*, David Evanier offers a multilayered portrait of this brash, gifted artist, including the dark side of his celebrated marriage to America's sweetheart, Sandra Dee, and the incredible family secret that tore him apart at the end.

Captain Newman, M.D. Simon and Schuster

More than a quarter of a century ago, Leo Rosten published the first comprehensive and hilariously entertaining lexicon of the colorful and

deeply expressive language of Yiddish. Said "to give body and soul to the Yiddish language," *The Joys of Yiddish* went on to become an indispensable tool for writers, journalists, politicians, and students, as well as a perennial bestseller for three decades. Rosten described his book as "a relaxed lexicon of Yiddish, Hebrew, and Yinglish words often encountered in English, plus dozens that ought to be, with serendipitous excursions into Jewish humor, habits, holidays, history, religion, ceremonies, folklore, and cuisine—the whole generously garnished with stories, anecdotes, epigrams, Talmudic quotations, folk sayings, and jokes." To this day, it is considered the seminal work on Yiddish in America—a true classic and a staple in the libraries of Jews and non-Jews alike. With the recent renaissance of interest in Yiddish, and in keeping with a language that embodies the variety and vibrancy of life itself, *The New Joys of Yiddish* brings Leo Rosten's masterful work up to date. Revised for the first time by Lawrence Bush in close consultation with Rosten's daughters, it retains the spirit of the original—with its wonderful jokes, tidbits of cultural history, Talmudic and Biblical references, and tips on pronunciation—and enhances it with hundreds of new entries, thoughtful commentary on how Yiddish has evolved over the years, and an invaluable new English-to-Yiddish index. In addition, *The New Joys of Yiddish* includes wondrous and amusing illustrations by renowned artist R.O. Blechman.

King Silky! Dell Publishing Company

An updated version of the informal dictionary which offers the history and folklore behind Yiddish and Hebrew words as well as literal translations adds information on linguistic and cultural

changes since Rosten's day.

THE EDUCATION OF H*Y*M*A*N K*A*P*L*A*N

Farrar, Straus and Giroux

Traces the career of the actor who starred in such film classics as "Roman Holiday," "Horatio Hornblower," and "To Kill a Mockingbird," revealing the many personal roles he has played in his life, from husband and friend to dedicated activist.

Captain Newman (Captain Newman M.D., dt.) Roman W H Allen

A novel of seduction, mystery, and danger set in New York's Hudson Valley in the nineteenth century, by the author of *Foxfire*. There was, on the Hudson, a way of life such as this, and there was a house not unlike *Dragonwyck* . . . In the spring of 1844, the Wells family receives a letter from a distant relative, the wealthy landowner Nicholas Van Ryn. He has invited one of their daughters for an extended visit at his Hudson Valley estate, *Dragonwyck*. Eighteen-year-old Miranda, bored with her local suitors and commonplace life on the farm, leaps at the chance for an escape. She immediately falls under the spell of both the master and his mansion, mesmerized by the Gothic towers, flowering gardens, and luxurious lifestyle—but unaware of the dark, terrible secrets that await. Anya Seton masterfully tells the heart-stopping story of a remarkable woman, her remarkable passions, and the mystery that resides in the magnificent hallways of *Dragonwyck*. *Nine Hours to Rama* Bantam Books
Captioned pictures show a baby panda, a bear cub, ducklings, a pony, a lamb, a monkey, a bunny, kittens, mice, and puppies.

Story in the form of a novel of the assassination of India's saintly leader, Mahatma Gandhi, in January, 1948.

A DETECTIVE STORY

W H Allen

"TO THE GREATEST UNKNOWN" As New York City teeters on the brink of a strange armageddon, Claire tries the Adventureman mantle on for size just in time to face the monstrous evil that vanquished her predecessor only he didn't have a family like hers.

A Biography Theatrefolk

Captain Newman is the pivotal point upon which revolves this realistic account of both hilarious and poignant episodes involving disturbed personalities undergoing treatment at the Psychiatric Ward at Camp Colfax, a fictional Air Corps base somewhere in the southwest.

Gregory Peck Samuel French, Inc.

4.25 am, 5 August 1962, West Los Angeles Police Department 'Marilyn Monroe has died of an overdose', a man's voice says dully. And when the stunned policeman asked 'What?', the same voice struggled to repeat 'Marilyn Monroe has died. She has committed suicide.' If life were scripted like the movies, this extraordinary phone call would have been made by the most important man in Marilyn Monroe's life - Dr Ralph Greenson, her final psychoanalyst. During her last years Marilyn had come to rely on Greenson more and more. She met with him almost every day. He was her analyst, her friend and her confessor. He was the

last person to see her alive, and the first to see her dead. In this highly acclaimed novel, Marilyn's last years – and her last sessions on Dr Greenson's couch – are brilliantly recreated. This is the story of the world's most famous and elusive actress, and the world she inhabited, surrounded by such figures as Arthur Miller, Truman Capote and John Huston. It is a remarkable piece of storytelling that illuminates one of the greatest icons of the twentieth century.

[A Trumpet for Reason](#) Harmony

Describes the history and folklore behind Yiddish and Hebrew words and offers liberal translations

Susan Traherne returns to her home in post-war Britain haunted by her experiences as a resistance fighter in occupied France.

THE JOYS OF YIDDISH

Canongate Books

The tragicomical incidents that occur in an Air Corps psychiatric ward revolve around the personality of an intensely humane and talented young army doctor **Silky!** Routledge

A historical novel based on a true story of the Jacobite rebellion, from “a writer who has a special feeling for the dramatic” (Chicago Tribune). This fiercely beautiful novel tells the true story of Charles Radcliffe, a Catholic nobleman who joined the short-lived Jacobite rebellion of 1715, and of Jenny, his daughter by a secret marriage. Set in the Northumbrian wilds, teeming London, and colonial Virginia—where Jenny eventually settled on the estate of

the famous William Byrd of Westover—Jenny's story reveals one young woman's loyalty, passion, and courage as she struggles in a life divided between the Old World and the New.

“Miss Seton's narrative is richly buttressed with the results of scrupulous research on the personages and the period. Her sole purpose is to tell a rousing good tale plainly and simply and this she does admirably.” —New York Herald Tribune

[Dragonwyck](#) HMH

When private investigator Silky is hired by a "Mr. Smith"--a reclusive billionaire with interests in Hollywood, Las Vegas, oil, aircraft, and electronics--to find the missing Valeria Venice, he becomes involved in a mysterious murder

[The Old Gringo](#) HarperCollins Publishers

In *The Old Gringo*, Carlos Fuentes brings the Mexico of 1916 uncannily to life. This novel is wise book, full of toughness and humanity and is without question one of the finest works of modern Latin American fiction. One of Fuentes's greatest works, the novel tells the story of Ambrose Bierce, the American writer, soldier, and journalist, and of his last mysterious days in Mexico living among Pancho Villa's soldiers, particularly his encounter with General Tomas Arroyo. In the end, the incompatibility of the two countries (or, paradoxically, their intimacy) claims both men, in a novel that is, most of all, about the tragic history of two cultures in conflict.
