The Pinhoe Egg Yearling Books

In this sequel to the international bestseller *Howl's Moving Castle*, bookish Charmain finds herself smack in the middle of magical court

intrigues . . . and dealing with the dashing Wizard Howl. When Charmain Baker agreed to look after her great-uncle's house, she thought she was getting blissful, parent-free time to read. She didn't realize that the house bent space and time, and she did not expect to become responsible for an

extremely magical stray dog and a muddled young apprentice wizard. Now, somehow, she's been targeted by a terrifying creature called a lubbock, too, and become central to the king's urgent search for the fabled Elfgift that will save the country. The king is so desperate to find the Elfgift, he's called in an

intimidating sorceress named Sophie to help. And where Sophie is, the great Wizard Howl and fire demon Calcifer won't be far behind. How did respectable Charmain end up in such a mess, and how will she get herself out of it? All fans of classic fantasy books deserve the pleasure of reading those by Diana Wynne Jones, whose acclaim included the World Fantasy Award for Life Achievement. As Neil Gaiman stated, she was "quite simply the best writer for children of her generation." The three books in the World of Howl are: *Howl's Moving Castle*, *Castle in the Air*, *House of Many Ways*. Other beloved series from Dianna Wynne Jones include the *Chronicles of Chrestomanci* and the *Dalemark Quartet*.

for fans of Noel Streatfeild and Edward Eager. When summer comes around, it's off to the beach for Rosalind . . . and off to Maine with Aunt Claire for the rest of the Penderwick girls, as well as their old friend, Jeffrey. That leaves Skye as OAP (oldest available Penderwick)—a terrifying notion for all, but for Skye especially. Things look good as they settle into their cozy cottage, with a rocky shore, enthusiastic seagulls, a just-right corner store, and a charming next-door neighbor. But can Skye hold it together long enough to figure out Rosalind's directions about not letting Batty explode? Will Jane's Love Survey come to a tragic conclusion after she meets the alluring Dominic? Is Batty—contrary to all accepted wisdom—the only Penderwick capable of carrying a tune? And will Jeffrey be able to keep peace between the girls . . . these girls who are his second, and most heartfelt, family? It's a rollicking ride as the Penderwicks continue their unforgettable adventures in a story filled with laughs and joyful tears!

1-7 (The Chrestomanci

Series) HarperCollins UK

In this stunning sequel to *Howl's Moving Castle*, Diana Wynne Jones has again created a large-scale, fast-paced fantasy in which people and things are never quite what they seem. There are good and bad djinns, a genie in a bottle, wizards, witches, cats and dogs (but are they cats and dogs?), and a mysterious floating castle filled with kidnapped princesses, as well as two puzzling prophecies. The story speeds along with tantalizing twists and turns until the prophecies are fulfilled, true identities are revealed, and all is resolved in a totally satisfying, breathtaking, surprise-filled ending. Abdullah was a young and not very prosperous carpet dealer. His father, who had been disappointed in him, had left him only enough money to open a modest booth in the Bazaar. When he was not selling carpets, Abdullah spent his time daydreaming. In his dreams he was not the son of his father, but the long-lost son of a prince. There was also a princess

who had been betrothed to him at birth. He was content with his life and his daydreams until, one day, a stranger sold him a magic carpet. All fans of classic fantasy books deserve the pleasure of reading those by Diana Wynne Jones, whose acclaim included the World Fantasy Award for

Life Achievement. As Neil Gaiman stated, she was "quite simply the best writer for children of her generation." The three books in the World of Howl are: *Howl's Moving Castle*, *Castle in the Air*, *House of Many Ways*. Other beloved series from Dianna Wynne Jones include the *Chronicles of*

Chrestomanci and the Dalemark Quartet. *Witch Week* Scholastic Inc.

Even as he grows stronger and closer to discovering the secret of his identity, Arthur must face further dangers and conflicts as he struggles to attain the Sixth Key from the powerful Saturday.
