Great oral sex is an experience that should engage all the senses and thrill the body from head to toe-and every spot along the way. Oral Sex He'll Never Forget goes beyond "Blow Job 101" to give readers step-by-step fellatio routines that will bring their lover to his knees. While each experience is based around an exciting new technique, position, or setting readers also learn

how to simultaneously use touch and teasing to stimulate hot spots, prolong the excitement, and take oral sex from ordinary to extraordinary. Shibari You Can Use As the forerunners of Indian modernization, the community of Bengali intellectuals known as the Brahma Samaj played a crucial role in the genesis and development of every major religious, social, and political movement in India from 1820 to 1930. David Kopf launches a comprehensive generation- to-generation

study of this group in order to understand the ideological foundations of the modern Indian mind. His book constitutes not only a biographical and a sociological study of the Brahma Samaj, but also an intellectual history of modern India that ranges from the Unitarian social gospel of Rammohun Roy to Rabindranath Tagore's universal humanism and Jessie Bose's scientism. From a variety of biographical sources, many of them in Bengali and never before used in research, the author makes available much valuable information. In his analysis of the interplay between the ideas, the consciousness, and the lives of these early rebels against the Hindu tradition, Professor Kopf reveals the subtle and intricate problems and issues that gradually shaped contemporary Indian consciousness. What emerges from this group portrait is a legacy of innovation and reform that introduced a rationalist tradition of thought, liberal political consciousness, and Indian nationalism, in addition to changing theology and ritual, marriage laws and customs, and the status of women. How to Be Kinkier

Greenery Press (CA)

For readers of Peggy Orenstein and Rebecca Traister, an authoritative, big think look at pornography in all its facets - historical, religious, and cultural. In the 1960s, sex

researchers Masters and Johnson declared the end of the fake orgasm. Nearly two decades later, in 1982, evangelical activist Tim LaHaye foretold that the entire pornography industry would soon be driven out of business. Neither prediction proved true. Instead, with the rise of the internet, pornography saturates the American conscience more than ever and has reshaped our understanding of sexuality, relationships, media, and even the nature of addiction. Dr. Kelsy Burke has spent the last five years researching and interviewing internet pornography's opponents and its sympathizers. In *The Pornography Wars*, Burke does a deep dive into the long history of pornography in America and then turns her gaze on our present society to examine the ways this industry touches on the most intimate parts of American lives. She offers a complete understanding of the major players in the debates around porn's place in society: everyone from sex workers, activists, therapists, religious leaders, and consumers. In doing so, she addresses and debunks the myths that surround porn and porn

usage while showing how everything from the way we teach children about sex to the legal protections for what can be published is tied up in the deeply complicated battles over pornography. Sweeping, savvy, and deeply researched, *The Pornography Wars* is a necessary and comprehensive new look at pornography and American life.

SM 101 CreateSpace The Spiritual, Occult and Historical significance of the "Emerald Tablets" is almost beyond belief of modern man. Written around 36,000 B.C. by Thoth, an Atlantean priest-king, this manuscript dates far back beyond reach of any Egyptian writings ever found. The author, Thoth, a Master-Teacher of the early Egyptians, put this treatise to writing in his native Atlantean language and Dr. Doreal, by use of his expertise as an Occultist and Master of time and space, was given the directive to retrieve these Tablets and translate them into English for the edification of modern man. The powerful and rhythmic verse of Thoth is wonderfully retained in Doreal's translation. Contained within the

pages of Thoth's masterpiece of Spiritual and Occult Wisdom is the synthesis of the Ancient Wisdom Teachings, the guideline for initiates of all ages, revealing the Knowledge and Wisdom hitherto held secret, but now in this New Age, revealed to all Seekers on the Path of Light. Dr. M. Doreal, Ms.D., Psy.D., is the Spiritual; Teacher of a multitude of Seekers of Light, having founded a Metaphysical Church and College - The Brotherhood of the White Temple, Inc. He is the author of all of the Organization's writings and teachings, having been given permission for the Esoteric Wisdom to be remitted in a public forum by the Great White Lodge, the Elder Brothers of mankind who shape and form the Spiritual evolution of earth's inhabitants. The Brotherhood of the White Temple, Inc. is a correspondence school, accredited through the State of Colorado, and mails out to its world-wide membership weekly Lessons of Truth. Its four and one-half year College Course unveils the secrets of the Symbolism of all Mystery Schools, giving precisely and beautifully, the step by step

progression all Seekers have searched for in their quest for Oneness with God, and for attainment of Cosmic Consciousness. "Read, Believe or not, but read, and the vibration found therein will awaken a response in your soul." - Doreal

Shoes, gloves, umbrellas, cigars that are not just objects—the topic of fetishism seems both bizarre and inevitable. In this venturesome and provocative book, Emily Apter offers a fresh account of the complex relationship between representation and sexual obsession in turn-of-the-century French culture. Analyzing works by authors in the naturalist and realist traditions as well as making use of documents from a contemporary medical archive, she considers fetishism as a cultural artifact and as a subgenre of realist fiction. Apter traces the web of connections among fin-de-siècle representations of perversion, the fiction

of pathology, and the literary case history. She explores in particular the theme of "female fetishism" in the context of the feminine culture of mourning, collecting, and dressing.
