features information on the strengths and weaknesses of each model, a safety summary, recalls, warranties, and service tips.

Kiplinger's Personal Finance Butterworth-Heinemann

For the first time in one volume, Phil Edmonston, Canada's automotive "Dr. Phil," covers all used vehicles, packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years.

## **AUTOCAR**

Dundurn

As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality-control

problems, Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. Phil

Edmonston, Canada's automotive "Dr. Phil" for more than 40 years, pulls no punches. In this all-new guide he says: Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of "zombie" vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz -- rich cars, poor quality. There's only one Saturn you should buy. Toyota -- enough apologies: "when you mess up, 'fess up." Audi A6 129 Success

Secrets - 129 Most Asked Questions on Audi A6 - What You Need to Know Walter de Gruyter GmbH & Co KG

With 400 information-packed pages and over 1000 full color photographs, 2000 ROAD REPORT(C) is the best to buying a new car. Included are details on every model not easily found anywhere else: -- historical overview of the model's development -- safety features -- depreciation rate -- operating costs per mile -- insurance premium data -- sales performance -- market share -- overall evaluation typical customer profile -- destination charge -- minimum and maximum pricing for better bargaining -- behind-the-scene

anecdotes The listings on the hundreds of models contain comprehensive information on Model Range, Technical Features, Pros and Cons, and a Conclusion, all of which include comments on: style, performance, value, handling, interior and exterior design, traction control, visibility, engine size, rigidity, brakes, storage, fuel consumption, soundproofing, cabin space, steering, cockpit, transmission, access, engine, maneuverability, instruments, ride comfort and ergonomics. The full page, easy-to-read spread on each model also includes: -- ratings of the model concept, driving, original equipment, comfort

and budget, plus an overall rating -- new features for year 2000 models -- engine, transmission and performance specs -- price and equipment details -- warranties offered As well, the At a Glance...box offers the model history, model comparisons, demographic data, insurance and sales numbers, specs and warranty maintenance requirements. 2000 ROAD REPORT (C) includes every major car maker, plus some of the specialized manufacturers, Lamborghini, Ferrari and AM General, maker of the Hummer. Also included is information about what's new in automobile technology, as well as full-color spreads on the world's major auto shows in Tokyo, Geneva, New

York and Detroit. With a glossary and over 1000 full-color photos, 2000 ROAD-REPORT(C) is absolutely packed with information. *Organizational Cultures of Remembrance* Intellicochoice Incorporated The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

lively, urbane coverage of Indy's cultural landscape.

*Raum & Zeichen*

Dundurn

Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car-and-truck book on the market. "Dr. Phil," along with George Iny and the Editors of the Automobile Protection Association, pull no punches.

Lemon-Aid Used Cars and Trucks 2009-2010

Dundurn

In a business world predominantly oriented toward the future, it has paradoxically become ever more common that companies turn towards their pasts. This book empirically explores the phenomenon of organizational

remembrance from a holistic cultural perspective. Based on a twelve-month ethnographic case study conducted at the headquarters of the German automobile company, AUDI AG, this study dissects the relationships between memory, identity, and image in a corporate setting. The greater aim in doing so is twofold: First, this study examines exactly why and how a company officially manages its past in terms of 'history' and 'tradition.' And second, this study scrutinizes what effect organizational remembrance has on the workforce – how it impacts their collective identification with a corporate community and influences their understanding of their

daily working life. By investigating the interplay between different stakeholder groups, as well as their practices, media, mental models, and other vehicles of remembrance, an integrated account is offered which makes sense of the complex cultural forces at work in the corporate handling of the past, the present, and the future.

### **Kiplinger's Personal Finance**

Dundurn Phil Edmonston, Canada's automotive "Dr. Phil," pulls no punches. He says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates,

bargain leases, and free auto maintenance programs. In this all-new guide he says: Audis are beautiful to behold but hell to own (biodegradable transmissions, "rodent snack" wiring, and mind-boggling depreciation) Many 2011-12 automobiles have "chin-to-chest head restraints, blinding dash reflections, and dash gauges that can't be seen in sunlight, not to mention painful wind-tunnel roar if the rear windows are opened while underway) Ethanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive Engineers) GM's 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that "killed"

its own electric car more than a decade ago. You can save \$2,000 by cutting freight fees and "administrative" charges. Diesel annual urea fill-up scams can cost you \$300, including an \$80 "handling" charge for \$25 worth of urea. Lemon-Aid's 2011-12 Endangered Species List: the Chinese Volvo, the Indian Jaguar and Land Rover, the Mercedes-Benz Smart Car, Mitsubishi, and Suzuki. Lemon-Aid Used Cars and Trucks 2011-2012 Intellichoice Incorporated. Special edition of the Federal Register, containing a codification of documents of general applicability and future effect ... with ancillaries.

The Complete Car Cost Guide, 2002 Dundurn Advertising expenditure data across ten media: consumer magazines, Sunday magazines, newspapers, outdoor, network television, spot television, syndicated television, cable television, network radio, and national spot radio. Lists brands alphabetically and shows total ten media expenditures, media used, parent company and PIB classification for each brand. Also included in this report

are industry class totals and rankings of the top 100 companies of the ten media.

## **ROAD REPORT 2000**

Firefly Books  
Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what

should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.
