THE DOORS FAQ: ALL THAT'S LEFT TO KNOW ABOUT THE KINGS OF ACID ROCK

Engendering Legitimacy University of Michigan Press

After the restoration of the English monarchy in 1660, Protestants worried that King Charles II might

favour religious freedom for Roman Catholics, and many suspected that the king was unduly influenced by his Catholic mistresses. Nell Gwyn, actress and royal mistress, stood apart by virtue of her Protestant loyalty. In 1681, Gwyn, her carriage surrounded by an angry anti-Catholic mob, famously declared 'I am the protestant whore.' Her self-branding invites an investigation into the alignment between sex and politics during this period, and in this study, Alison Conway relates courtesan narrative to cultural and religious anxieties. In new readings of canonical works by Aphra Behn, Daniel Defoe, Henry Fielding, and Samuel Richardson, Conway argues that authors engaged the same questions about identity, nation, authority, literature, and politics as those pursued by

Restoration polemicists. Her study reveals the recurring connection between sexual impropriety and religious heterodoxy in Restoration thought, and Nell Gwyn, writ large as the nation's Protestant Whore, is shown to be a significant figure of sexual, political, and religious controversy.

Regarded by many as the most comprehensive anthology of all time, 'The Harvard Classics' was first published in 1909 under the supervision of the Harvard president Charles W. Eliot. An esteemed academic, Eliot had argued that the elements of a liberal education could be gained by spending 15 minutes a day reading from a collection of books that could fit on a five-foot shelf. The publisher P. F. Collier challenged Eliot to make good on this statement and 'Dr. Eliot's Five Foot Shelf' was the result. Eight years later Eliot added a further 20 volumes as a sub-collection titled 'The Harvard Classics Shelf of Fiction', offering some of the greatest novels and short stories of world literature. The exhaustive anthology of the 'The Harvard Classics' comprises every major literary figure, philosopher, religion, folklore and historical subject up to the twentieth century. This comprehensive eBook presents the complete anthology, with Eliot's original introductions, numerous illustrations, rare texts and the usual Delphi bonus material. (Version 1) * Beautifully illustrated with images relating to life and works of the authors featured in the anthology * All 51 volumes of 'The Harvard

Classics' * Eliot's original concise introductions * Eliot's general introduction to the anthology (Volume 50) * The complete 20 volume edition of 'The Harvard Classics Shelf of Fiction' * Images of how the books were first published, giving your eReader a taste of the original texts * Excellent formatting of the texts * Major works include the original illustrations that accompanied the text * Easily locate the chapters and sections you want to read with individual contents tables * Precise arrangement of texts into the original anthology order * A veritable digital library comprised in a single eBook! THE THEATRE OF APHRA BEHN

Delphi Classics

Antedotes about men, women, sex and literary life.

Amanda Kennedy

During the nineteen years of her play-writing career, Aphra Behn had far more new plays staged than anyone else. This book is the first to examine all her theatrical work. It explains her often dominant place in the complex theatrical culture of Charles II's reign, her divided political sympathies, and her interests as a free-thinking intellectual. It also reveals her as a brilliant theatrical practitioner, who used the seen as richly and significantly as the spoken.

Sharing God's Passion: Prophetic Spirituality Vintage

This title examines how the American Revolution changed the nature of patriarchal rule by shattering old ways of penalizing and publishing illicit sexual behaviour and more people embarked on policing the sexual morality of society.

History & Legend Рипол Классик

"Beautiful Chaos is an extraordinary journey of Carey Perloff and her theatre, ACT. Their continued evolution and ability to define and re-define themselves with courage, tenacity, and bravery allow them to confront what seem like insurmountable odds. This continues to shape and inspire Carey and those who work with her."--Olympia Dukakis, Academy Award-winning actress "Carey Perloff's lively, outspoken memoir of adventures in running and directing theatre will be a key document in the story of playmaking in America."--Tom Stoppard, Playwright "Carey Perloff, quite literally, raised a vibrant new theater from the rubble of an old one. This refreshingly honest account of her triumphs and misfires over the past two decades is both a fascinating read and an invaluable handbook for anyone attempting such a labor of love."--Armistead Maupin, author of Tales of the City "Carey Perloff's marvel of a book is part memoir of a working mother, a passionate artist, a woman flourishing in a male-dominated craft- and part lavish love letter to theater. It is as lively, thoughtful, and insightful an account I have ever read about the art form. This one is for any person who has ever sat in the dark and been spellbound by the transformative power of theater."--Khaled Hosseini, author of The Kite Runner "Carey Perloff is a veteran of the regional theatre wars. Beautiful Chaos is her vivacious account of her ambitious work commanding San Francisco's American Conservatory Theatre (ACT). The book exudes Perloff's trademark brio: smart, outspoken, full of fun

and ferment."--John Lahr, author of Tennessee Williams: Mad Pilgrimage of the Flesh "This is an engaged, engaging, deeply intelligent, and passionate account of why the theatre matters and how it works in a city and in a society. It is also a fascinating and essential chapter in the history of San Francisco itself, as well as the story of a committed theatre artist's determination and vision."--Colm Toibin, author of Nora Webster Carey Perloff, Artistic Director of San Francisco's legendary American Conservatory Theater, pens a lively and revealing memoir of her twenty-plus years at the helm and delivers a provocative and impassioned manifesto for the role of live theater in today's technology-infused world. Perloff's personal and professional journey—her life as a woman in a male-dominated profession, as a wife and mother, a playwright, director, producer, arts advocate, and citizen in a city erupting with enormous change—is a compelling, entertaining story for anyone interested in how theater gets made. She offers a behind-the-scenes perspective, including her intimate working experiences with well-known actors, directors, and writers, including Tom Stoppard, Harold Pinter, Robert Wilson, David Strathairn, and Olympia Dukakis. Whether reminiscing about her turbulent first years as a young woman taking over an insolvent theater in crisis and transforming it into a thriving, world-class performance space, or ruminating on the potential for its future, Perloff takes on critical questions about arts education, cultural literacy, gender disparity, leadership, and power. Carey Perloff is an award-winning playwright, theater director, and the artistic director of the American Conservatory Theater of San Francisco since 1992.

The Anthology of the Greatest Works of World Literature - Dr. Eliot's Five Foot Shelf

Oxford University Press

Mary Magdalene is a larger figure than any text, larger than the Bible or the Church; she has taken on a life of her own. She has been portrayed as a penitent whore, a wealthy woman, Christ's wife, an adulteress, a symbol of the frailty of women and an object of veneration. And, to this day, she remains a potent and mysterious figure. In the manner of a quest, this book follows Mary Magdalene through the centuries, explores how she has been reinterpreted for every age, and examines what she herself reveals about woman and man and the divine. It seeks the real Mary Magdalene in the New Testament and in the Gnostic gospels where she is extolled as the chief disciple of Christ. It investigates how and why the Church recast her as a fallen woman, it traces her story through the Renaissance when she became a goddess of beauty and love, and it looks at Mary Magdalene as the feminist icon she has become today.

The Oxford English Literary History is the new century's definitive account of a rich and diverse literary heritage that stretches back for a millennium and more. Each of these thirteen groundbreaking volumes offers a leading scholar's considered assessment of the authors, works, cultural traditions, events, and ideas that shaped the literary voices of their age. The series will enlighten and inspire not only everyone studying, teaching, and researching in English Literature, but all serious readers. This volume covers the period 1645-1714, and removes the traditional literary period labels and boundaries used in earlier studies to categorize the literary culture of late seventeenth-century England. It invites readers to explore the continuities and the literary innovations occurring during six turbulent decades, as English readers and writers lived through unprecedented events including a King tried and executed by Parliament and another exiled, the

creation of the national entity 'Great Britain', and an expanding English awareness of the New World as well as encounters with the cultures of Asia and the subcontinent. The period saw the establishment of new concepts of authorship and it saw a dramatic increase of women working as professional, commercial writers. London theatres closed by law in 1642 reopened with new forms of entertainments from musical theatrical spectacles to contemporary comedies of manners with celebrity actors and actresses. Emerging literary forms such as epistolary fictions and topical essays were circulated and promoted by new media including newspapers, periodical publications, and advertising and laws were changing governing censorship and taking the initial steps in the development of copyright. It was a period which produced some of the most profound and influential literary expressions of religious faith from John Milton's Paradise Lost and John Bunyan's Pilgrim's Progress, while simultaneously giving rise to a culture of libertinism and savage polemical satire, as well as fostering the new dispassionate discourses of experimental sciences and the conventions of popular romance.

Sharing God's Passion is an excellent resource for Christians who wish to grow in their understanding of God's purposes for the world and to embody God's passion as his prophets did so faithfully. This book seeks to illuminate the critical role the prophets played in God's overarching purposes for his creation, and how we in the 21st century may also learn to collaborate with God.

Renaissance Papers collects the best scholarly essays submitted each year to the Southeastern Renaissance Conference. The 2013 volume features essays from the conference held at Duke University in Durham, North Carolina. The volume opens with three reappraisals of Renaissance poetics. The first essay addresses the incarnational poetics in George Herbert's poetry; the second investigates the poetics of probability in Middleton's A Yorkshire Tragedy; and the third considers an image from Colluthus's Rape of Helen, proposing new ways to understand allusion in Marlowe's Hero and Leander. The volume then turns to Renaissance representations of women with a discussion of "swooning" in George Gascoigne's The Adventures of Master F.J.; a discussion of prostitution, performance, and the art of Anti-Sprezzatura; and a discussion of identity, loss, and narration in The Rape of Lucrece. The center of the volume turns to an examination of friendship and the paratextual apparatus of Michel de Montaigne's Essais, and then shifts to Shakespearean drama with essays on The Comedy of Errors, Measure for Measure, and Cymbeline. The volume closes with an essay on John Milton's historical iconoclasm in his History of Britain. Contributors: John Wall, Kevin Chovanec, Pamela Macfie, Margaret Simon, Mara Amster, Ruth Stevenson, Andrew Keener, Christopher Crosbie, Ward Risvold, Patricia Wareh, and Paul Stapleton. Jim Pearce is an Associate Professor and Joanna Kucinski is an Assistant Professor at North Carolina Central University.

Shakespeare's 'Whores' studies each use of the word 'whore' in Shakespeare's canon, focusing especially on the positive personal and social effects of female sexuality, as represented in several major female characters, from the goddess Venus, to the queen Cleopatra, to the cross-dressing Rosalind, and many others.

Engendering Legitimacy: Law, Property, and Eighteenth-Century Fiction is a study of the intersecting of law, land, property, and gender in the prose fiction of Mary Davys, Daniel Defoe, Eliza Haywood, and Jonathan Swift. The law of property in early modern England established relations for men and women that artificially constructed, altered, and ended their connections with the material world, and the land they lived upon. The cultural role of land and law in a changing economy embracing new forms of property became a founding preoccupation around which grew the imaginative prose fiction that would develop into the English novel. Glover contends that questions of political and legal legitimacy raised by England's Revolution of 1688-89 were transposed to the domestic and literary spheres of the early 1700s.

Dinah Sachs and Asa Thayer have had a love affair, conducted in afternoons stolen from the office of the magazine where they work. But now that the affair is over, Dinah, in an act of lingering passion,

invents a narrative of Asa's youth, imagining the events that shaped the "happy, handsome man" who, in her words, "was born to stomp on my heart." Witty and sexy, funny and immediate, *Asa, As I Knew Him* is a seductive dialogue between love and memory, obsession and illusion.
