*The Golden Compass Graphic Novel, Volume 1* Del Rey  
 Lyra Belacqua and her animal daemon live half-wild and carefree among scholars of Jordan College, Oxford. The destiny that awaits her will take her to the frozen lands of the Arctic, where witch-clans reign and ice-bears fight. Her extraordinary journey will have immeasurable consequences far beyond her own world...

### THE GOLDEN COMPASS GRAPHIC NOVEL

Bloomsbury Continuum

This book contains a story and several other things. The other things might be connected with the story, or they might not; they might be connected to stories that haven't appeared yet . . . Two years after the conclusion of *The Amber Spyglass*, Lyra and her daemon Pantalaimon sit high on the roof of Jordan College, gazing down on the streets of Oxford. But their peace is shattered by a flock of enraged starlings, who seem intent on knocking another bird out of the sky – a bird that Lyra and Pan quickly realise is a witch's daemon. The daemon carries worrying tidings of a terrible sickness spreading in the north, and claims that only Lyra can help him – but is he really friend, or foe? Illustrated throughout with exquisite wood-cut engravings by John Lawrence, this beautifully packaged story also contains an extract of Pullman's second short story set in the His Dark Materials world, *Once Upon a Time in the North*, a map and other missives that seem to have slipped from Lyra's world into our own.

### THE AMBER SPYGLASS

Knopf Books for Young Readers

'Without this child, we shall all die.' Lyra Belacqua lives half-wild and carefree among the scholars of Jordan College, with her daemon familiar always by her side. But the arrival of her fearsome uncle, Lord Asriel, draws her to the heart of a terrible struggle – a struggle born of Gobblers and stolen children, witch clans and armoured bears. As she hurtles towards danger in the cold far North, Lyra never suspects the shocking truth: she alone is destined to win, or to lose, the biggest battle imaginable. The first book in a stunning three-volume graphic novel adaptation of Northern Lights.
