Women are inherently multi-talented and have an inborn capacity to play many dynamic roles in their lives, such as that of a daughter, a wife, a mother and so on. In all these roles, she often sacrifices her own aspirations and desires to make others happy. This at times, brings her face to face with her own outlook and future expectations leading do stressful living. The author portrays such situations in a housewife's life telling her how to deal with them all by herself. Certain simple aerobic exercises, morning and evening walks, meditation, listening to good music and reading a book could be some of the stress busters to bring smile on her face. Tips to overcome stress, anxiety and tensions of everyday life.

### ADHUNIK PATRA LEKHAN

Oswaal Books and Learning Private Limited

Tagore's treatment of caste culture, bureaucracy and poverty paint a vivid portrait of nineteenth century India and all are

interwoven with Tagore's perceptive eye for detail, strong sense of humanity and deep affinity for the natural world. Tagore's stories continue to rise above geographic and cultural boundaries to capture the imaginations of readers around the world. This collection contains some of the best stories of Tagore who put India on the literary map of the world. Translated from Bengali to English, these stories depict the human condition in its many forms— innocence and childhood, love and loss, the city and the village, the natural and the supernatural. Prominent among the stories are the famous 'The Cabuliwallah', which has also been adapted as a movie. The book also gives an insight into the socio-economic conditions prevalent in Colonial Bengal.

### ANNUAL REPORT

New Saraswati House India Pvt Ltd

Investigating the emergence of Hindi publishing in colonial Lucknow, long a stronghold of Urdu and Persian literary culture,

Shobna Nijhawan offers a detailed study of literary activities emerging out of the publishing house Gaṅgā Pustak Mālā in the first half of the twentieth century. Closely associated with it was the Hindi monthly Sudhā, a literary, socio-political, and illustrated periodical, in which Hindi writings were promoted and developed for the education and entertainment of the reader. In charting the literary networks established by Dularelal Bhargava, the proprietor of Gaṅgā Pustak Mālā and chief Edited by of Sudhā, this volume sheds light on his role in the development of Hindi language and literature, creation of canonical literature, and commercialization and nationalization of books and periodicals in the north Indian Hindi public sphere. Using vernacular primary sources and drawing on scholarship on periodicals and publishing houses as well as Edited by-publishers that has emerged over the past two decades, Nijhawan shows how one publishing house singlehandedly impacted the role of Hindi in the public sphere. ### **PATRA-LEKHAN SIKHANE KA SARAL EVAM AADHUNIK COURSE**

Hindi Vyakaran Evam Patra Lekhan On Hindi grammar and letter writing. Adhunik Patra Lekhan

In the early twentieth century, British imperialism in India was at its peak and anti-colonial sentiments were on the rise. The nationalist desire for cultural self-identification was gaining ground and an important articulation of this was the demand for a national language and literature to represent a modern India. It was in this context that Mahavir Prasad Dwivedi, a novel, daring, and contentious litterateur, launched his multimedia campaign of constructing a new Hindi literary establishment. As the long-time editor of the Hindi journal Sarasvatī, Dwivedi's influence was so far-reaching that this period of modern literature in Hindi is known as the Dwivedi era. However, he had to face stiff opposition as well. Sujata Mody's book sheds light on the interactions between Dwivedi and his supporters and detractors and shows how Dwivedi's responses to challenges were pragmatic and strategically varied. The Making of Modern Hindi presents Dwivedi as a dynamic and influential arbiter of literary modernity whose exchanges with competing authorities are an important piece in the history of Hindi literature.
