Ordinary Life Stories By Elizabeth Ordinary Life is a collection of short stories by one of my favorite contemporary authors, Elizabeth Berg. The first story alone, "Ordinary Life; a Love Story" is worth the price of admission. It captures the small moments that really make our lives, as Mavis locks herself in the bathroom for a week and takes out her memories to thumb over. lives of women, when memories and events come together to create a sense of coherence, understanding, and change. Ordinary Life: Stories: Berg, Elizabeth: 9780812968132 ...
