Why Your Response to Leadership Determines Your Future Under Cover
The Promise of Protection Under His Authority
In *Drawing Near*, John Bevere invites readers to explore a life of intimacy with God. Emphasizing the need for obedience, he urges us to practice—just as we would practice anything we hope to improve—our communication with the Holy Spirit. Understanding that prayer is a dialogue, not a monologue, Bevere encourages us to listen at the Father's feet. Study questions in each chapter offer opportunity for reflection, and a "How to draw near to God" section offers practical steps toward developing true intimacy with Him.
[Reflections of an Undercover Journey Through the Dark Side of the Badge](#) Oxford University Press

A new history shows that, despite Marxism's rejection of money, the ruble was critical to the Soviet Union's promise of shared prosperity for its citizens. In spite of Karl Marx's proclamation that money would become obsolete under Communism, the ruble remained a key feature of Soviet life. In fact, although Western economists typically concluded that money ultimately played a limited role in the Soviet Union, Kristy Ironside argues that money was both more important and more powerful than most histories have recognized. After the Second World War, money was resurrected as an essential tool of Soviet governance. Certainly, its importance was not lost on Soviet leaders, despite official Communist Party dogma. Money, Ironside demonstrates, mediated the relationship between the Soviet state and its citizens and was at the center of both the government's and the people's visions for the

maturing Communist project. A strong ruble—none that held real value in workers' hands and served as an effective labor incentive—was seen as essential to the economic growth that would rebuild society and realize Communism's promised future of abundance. Ironside shows how Soviet citizens turned to the state to remedy the damage that the ravages of the Second World War had inflicted upon their household economies. From the late 1940s through the early 1960s, progress toward Communism was increasingly measured by the health of its citizens' personal finances, such as greater purchasing power, higher wages, better pensions, and growing savings. However, the increasing importance of money in Soviet life did not necessarily correlate to improved living standards for Soviet citizens. The Soviet government's achievements in raising the people's material welfare continued to lag

behind the West's advances during a period of unprecedented affluence. These factors combined to undermine popular support for Soviet power and confidence in the Communist project.

NEW YORK TIMES
BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent

guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

THE PROMISE OF PROTECTION UNDER HIS AUTHORITY

Independently Published
Come back to Thunder Point with an emotional, uplifting story in book 5 of the beloved series by #1 New York Times bestselling author Robyn Carr. Scott Grant has a bustling family practice in the small Oregon community of Thunder Point. The town and its people have embraced the widowed doctor and father of two, his children are thriving, and Scott knows it's time to move on from his loss. But as the town's only doctor, the dating pool is limited. That is, until a stunning physician's assistant applies for a job at his clinic. Peyton Lacoumette considers herself entirely out of the dating scene. She's already been burned by a man with kids, and she's come to Thunder Point determined not to repeat past mistakes. When Scott offers her a job, at a much lower salary than she's used to, Peyton is surprisingly eager to accept...at least for now. She's willing to stay for a three-month trial period while she explores other options. Scott and Peyton know the arrangement is

temporary—it isn't enough time to build a real relationship, never mind anything with lasting commitment. But love can blossom faster than you think when the timing is right, and this short visit just might hold the promise of forever.

Life is full of twists and turns--some good and some bad. As we try to live day by day, we face many hurts, doubts, and problems. This little book can help because it is filled with God's promises for your future, as well as His promises that help you make sense of today's challenges. Knowing God's promises helps life make sense and gives you a confident peace and security in the midst of confusing and chaotic circumstances. When you have questions, doubts, or fears, this book can be a wonderful resource to come back to again and again.

LOUIS UNDERCOVER

Delacorte Press
Labor's End traces the discourse around automation from its

origins in the factory to its wide-ranging implications in political and social life. As Jason Resnikoff shows, the term automation expressed the conviction that industrial progress meant the inevitable abolition of manual labor from industry. But the real substance of the term reflected industry's desire to hide an intensification of human work--and labor's loss of power and protection--behind magnificent machinery and a starry-eyed faith in technological revolution. The rhetorical power of the automation ideology revealed and perpetuated a belief that the idea of freedom was incompatible with the activity of work. From there, political actors ruled out the workplace as a site of politics while some of labor's staunchest allies dismissed sped-up tasks, expanded workloads, and incipient deindustrialization in the name of technological progress. A forceful intellectual history, Labor's End challenges entrenched assumptions about automation's transformation of the American workplace. Harper Collins
A cop story like no other, this gripping memoir takes readers on a wild

ride through the world of narcotics trafficking with the first female narcotics undercover officer in Hawaii in the 1980s. *The Promise Arrow Undercover Princess* a modern day fairy tale Born to an Italian father and native Texas mother, Nico Lamon returns to Texas to launch an exclusive deal with the iconic Castle Department Store. Guilty for not being there when his father died, Nico has brought the House of Lamon back from the brink of bankruptcy. He devises a marketing gimmick that will benefit both the Castles and the House of Lamon: find the perfect woman to be the fashion line's spokesperson and to wear the gorgeous Valentine shoes he personally designed. When he spots Eleanor in the crowd, he won't stop until she's that woman. His woman. Eleanor Castle returns to Castle Department Store undercover as head of security, but she's really back to reclaim her heritage and save both the store and her aging father. Eleanor has a plan to stop her evil stepmother from her devious doings and she won't stop until she knows her face is safe. But when

Nico spots her at a gala and decides she's the one who should wear the shoes and that she's also the one he wants in his life, Eleanor has to reevaluate her undercover plan. Nico slips a red shoe on her foot and captures her heart. How can she fall for a prince of a man without exposing herself and her bruised heart?

Covering Theology, expounded in John Bevere's bestselling book 'Under Cover: The Promise of Protection Under His Authority', teaches that salvation is obtained through blind obedience to church leaders. In this scholarly but readable book, Allan T. Clare meticulously explores Bevere's Covering Theology, and through careful explanations of Holy Scripture, convincingly exposes it for the damaging and unchristian teaching that it is. This book is essential for anyone who wishes to question the controversial teaching of Covering through a deeper understanding and connection with Holy Scripture.
Under Cover Candlewick Press

Based on John's live presentation of the Biblical principles he explored in the book by the same title, *Under Cover* will help you undertake a serious, Holy Spirit led study of God's authority. Your shield of faith will be strengthened by Biblical awareness in order to protect you from some of the most dangerous arrows of the enemy.

Delivering on the Power and Promise of UDL Grand Central Publishing
NEW YORK TIMES BESTSELLER Marshall Everett has traveled a twisting, perilous road from the jungles of South America to the streets of Paris. As an undercover DEA agent, Marshall penetrated a powerful cartel and became the trusted right-hand man of a ruthless drug lord. The price he paid was devastating, costing him everything--and everyone--he loved. Back in the U.S., on temporary assignment to the Secret Service, on the presidential detail, Marshall performs an act of heroism that changes his course forever. Ariana Gregory has her whole future ahead of her, with an exciting life in Manhattan and a coveted job at an online fashion

magazine. But when her father, recently widowed, is appointed U.S. ambassador to Argentina, she reluctantly agrees to accompany him to Buenos Aires. Then an unthinkable act of violence shatters her world. Nearly a year later, Ariana arrives in Paris, on a fragile road to recovery. There, as she strives to bury painful memories forever, she crosses paths with Marshall Everett. But dangerous forces watch her every move, and Ariana and Marshall will once more have to fight for their survival. In this breathtaking and psychologically penetrating novel, #1 New York Times bestselling author Danielle Steel explores the consequences of trauma and the perseverance of the human spirit. In Marshall and Ariana she has created two unforgettable characters confronting extraordinary challenges--who no longer need to face them alone.
Alone, Black, and Undercover Tyndale House Publishers, Inc.
When Liv hears celebrity chef Royce Preston sexually harass a young waitress at his restaurant, she stands up to him and ends up getting fired from

her job there. She vows that Royce Preston has not heard the last of her. But to take on the powerful chef, she's going to need help.

Unfortunately, the only person she can think of is notorious Romeo Braden Mack. With the aid of the Bromance Book Club (who are inspired by the romantic suspense novel they're currently reading), they set out to take down the chef. Can Liv keep the sparks between her and Mack to a minimum?

NATE THE GREAT GOES UNDERCOVER

ReadHowYouWant.com
A compelling true story of the reality of undercover police work. For over 20 years, Joe Carter has worked for the police as an undercover cop. Travelling the globe on different passports, fraternising with thieves and international drugs and arms dealers, working alongside dangerous criminals, Carter always knew his life would come crashing down around him at any point. His story is a gripping account of the secret, solitary work of an undercover officer and the many 'sticky' situations he found himself in, as well as the moving confession of the difficulty in reconciling his two

identities with his family life. This book explores the resilience needed to lead a double life, the thrilling challenge of working with the biggest criminals in Britain, and maintaining a sense of justice through the many adventures he encounters.

The Promise of a Pencil
University of Illinois Press
The greatest joy and fulfillment are within your reach, but they require an enduring Promise to The One...someone you might not expect. It's not your boss, your spouse, your children, or others—no, the ultimate commitment is The Promise you make to yourself to discover your purpose and gifts and share them with the world. Everyone has been hurt or negatively impacted by broken promises. Promise-breaking and a lack of integrity are symptomatic of the most chronic illness faced by society today. Even though many leadership courses and ethics programs tout "integrity" as a buzzword, few of us are really assessing our own values unless someone calls us out on a discrepancy. But even when others don't catch on to the façade, when our values aren't in alignment with our actions and when our

actions aren't consonant with our gifts and passions, we're left feeling isolated, drained, and depressed. No recognition or acceptance from others can fill the void in the same way as when you keep a Promise to yourself and actually follow through on it. The Promise is the highest level of engagement we commit to in any experience. The Promise is greater than a goal—it's a sacred commitment. It's complete dedication to identifying your Signature Moves—the unique talents you've been given that, when developed and used to better others' lives, make you a Legendary Leader. What choices do you make when no one is watching? How do you approach a decision that requires you to let either yourself or someone else down? How do you stay committed to your values, even when the less-rewarding path is more convenient? A renowned speaker and performer who has helped audiences worldwide appreciate what accountability really means, Jason Hewlett shares his program for self-discovery and taking ownership of your gifts in *The Promise to The One*. His unique three-step method—IDENTIFY •

CLARIFY • MAGNIFY—will enable you to pinpoint your strengths, shape them into an identity to which you commit, and develop them so that they can improve others' lives as well as your own. Filled with Jason's signature wit and vulnerability as well as actionable exercises, this book will help you refine your character and reach your dreams through the power of kept Promises. Start your journey to living a life of Promise Making and Keeping...beginning with *The Promise to The One. Unchained and Under Cover* Chosen Books

Buttoned-down Eden Brixton is less than thrilled when she's partnered with smooth-talking wild card Marcus Swain in an undercover op. Both their careers hinge on convincing folks in tight-knit Bluelick, KY that he's the love of her life. She'd sooner tase him than prance around in practically nothing, hanging all over his chiseled body like she can't get enough. For Swain, being partnered with the too-gorgeous-for-his-sanity Eden promises to test his well-honed control. She's smart, she's skilled, she's not just by-the-book—she knows the damn book backward and

forward. And she hates his guts. When Eden absolutely nails her role as his sexy fiancée—where the hell did she learn to seduce with a single glance?—Swain is knocked right on his ass. Living with a temptation like Eden makes it hard to remember their chemistry is strictly for show. And when the heat gets too real, doing the undercover op might prove to be their undoing. Each book in the Private Pleasures series is

When it comes to the hard work of reconstructing our schools into places where every student has the opportunity to succeed, Mirko Chardin and Katie Novak are absolutely convinced that teachers should serve as our primary architects. And by "teachers" they mean legions of teachers working in close collaboration. After all, it's teachers who design students' learning experiences, who build student relationships . . . who ultimately have the power to change the trajectory of our students'

lives. Equity by Design is intended to serve as a blueprint for teachers to alter the all-too-predictable outcomes for our historically underserved students. A first of its kind resource, the book makes the critical link between social justice and Universal Design for Learning (UDL) so that we can equip students (and teachers, too) with the will, skill, and collective capacity to enact positive change. Inside you'll find: Concrete strategies for designing and delivering a culturally responsive, sustainable, and equitable framework for all students Rich examples, case studies, and implementation spotlights of educators, students (including Parkland survivors), and programs that have embraced a social justice imperative Evidence-based application of best practices for UDL to create more inclusive and equitable classrooms A flexible format to facilitate use with individual teachers, teacher teams, and as the basis for whole-school implementation "Every student," Mirko and Katie insist, "deserves the opportunity to be successful regardless of their zip code, the color of

their skin, the language they speak, their sexual and/or gender identity, and whether or not they have a disability.”

Consider Equity by Design a critical first step forward in providing that all-important opportunity.

“Our calling is to drop our egos, commit to removing barriers, and treat our learners with the unequivocal respect and dignity they deserve.”

~Mirko Chardin and Katie Novak

Thomas Nelson

Many educators can recite the faults of their schools or universities, but far fewer can recognize and develop existing strengths to benefit a wider audience. Sukhwant Jhaj has crafted a refreshing new look at how imaginative leadership and a shift in perspective can propel institutions to reach at-risk or underrepresented members of their communities. Delivering on the Promise of

Democracy pulls back the curtain on seven high-performing universities to reveal which daily decisions, including listening to the community, embracing conflict, and implementing effective strategies through routine, guide administrators in achieving exceptional results. Through in-depth interviews that offer a close look at these seven universities, Jhaj traces a new trajectory for higher education: a call to question a university's effectiveness through its accessibility to the community it serves. Jhaj's book will inspire anybody interested in widening access to education with its call to renew their institution's mission through powerful and effective leadership.

The Billionaire's Obsession ~ Hudson

Tule Publishing

From the bestselling author of Killing Kryptonite and The Bait of Satan comes the newly revised edition of John Bevere's classic Under Cover. This impactful examination of leadership and authority will answer questions like: Ever wonder how to respond to a difficult boss? Why you should listen to them in

the first place? What does God want me to understand about authority? By teaching us how to properly relate to leadership, John shows why living under authority is better than we think. The truth is, we will all one day have to follow the leader. Whether at school, at work, in the military, or even in the national political arena, the question of who will lead and who will follow is constantly before us. Your response will determine your future.
