ACCA P4 Advanced Financial Management  
CRC Press

This Study Text has been reviewed by the examiner and concentrates on the key areas of the syllabus, taking into account the examiner's guidance on how topics will be examined. The Text takes a step-by-step approach to producing consolidated financial statements and lots of exercises which allow you to practise the workings.

We guide you through the more problematic topics which can be brought into the preparation of single company financial statements, and encourage you to develop the critical awareness of problems in financial reporting which the examiner expects to see demonstrated at this level. The Study Text is suitable for both International and UK streams. Additional topics relating to the UK are covered in an online supplement. *ACCA Approved - F7 Financial Reporting (September 2017 to June 2018 exams)*

New topics introduced at this level are consolidated financial statements, construction contracts, financial instruments and leases. International is now the ACCA main stream. We also provide materials for the F7 UK variant. The most important factor in passing F7 will be lots of targeted question practice. The questions in our kit cover all

areas of the F7 syllabus. The questions are laid out in sections which match the text chapters. All sections have past exam questions and some also have preparation questions which ease you into the topic. This helps you to organise your revision. You can review the text chapter, and then do the kit questions on that chapter. Our solutions are detailed and also give you advice on how to approach the question and how to get the easy marks.
