Life is hard for Gary. He has a dead-end job, a grouchy boss, and a beat-up car-and he's only in eighth grade! Things go from bad to worse when a wave of bank robberies hits the city and Gary becomes the prime suspect. With time running out to clear his name and nail the real crooks, this teenage tough-guy must rely on cunning, stealth, and good, old-fashioned, two-fisted justice! It's all in a day's work in a city that doesn't exist.

DOWN ALL THE DAYS

Madame Bovary is the French writer Gustave Flaubert's debut novel. The story focuses on a doctor's wife, Emma Bovary, who has adulterous affairs and lives beyond her means in order to escape the banalities and emptiness of provincial life. Though the basic plot is rather simple, even archetypal, the novel's true art lies in its details and hidden patterns. Flaubert was a notorious perfectionist and claimed always to be searching for le mot juste ("the precise word"). Madame Bovary takes place in provincial northern France, near the town of Rouen in Normandy. The story begins and ends with Charles Bovary, a stolid, kindhearted man without much ability or ambition. Gustave Flaubert (1821-1880) was an influential French writer who was perhaps the leading exponent of literary realism of his country. The celebrated short story writer Maupassant was a protégé of Flaubert.

Random House Books for Young Readers
This is the HARDBACK version. Among the top child stars of the 1930s and 1940s was a former stable boy from southern India, the only star with a single name - Sabu. Born Selar Shaik in 1924, he vaulted to stardom in his first film, a British production entitled Elephant Boy (1937). For the next decade he either starred or was featured in several finely crafted adventure films, including the fantasy favorite The Thief of Bagdad (1940) and the definitive version of Rudyard Kipling's perennially popular Jungle Book (1942). Adapting to modern western ways proved remarkably easy due to his above average intelligence and innate charm. After moving to America, the popular performer became a U.S. citizen in 1944, and did his bit for the war effort as a belly gunner, seeing action in the Pacific theater. In the post-war years Sabu's career began its inevitable decline. Fantasy and exotic adventure films were not as popular as during the war, and Hollywood studios found the dark-skinned actor difficult to cast. In the early 1950s he journeyed to Europe, appearing in a pair of Italian films and two circuses. Sabu next made a triumphant return to his homeland where he acted in one film and tested for another. Returning to America, the still young actor was seen in some

minor films and one final foreign film made in Germany. After appearing in a Disney film, India's first and most enduring international movie star passed away suddenly of a heart attack in December 1963, leaving behind an exceptional legacy of memorable motion pictures and an image of radiant youthfulness. *My Left Foot* Createspace Independent Publishing Platform
The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. "My books spent 5 years on the New York Times Best Seller List. They got there through endless hours of hard work. If only Brent had been my marketer, I could have done it in 5 minutes with a simple picture. I'M SO STUPID!"- Tucker Max, 3x #1 NY Times Best Selling Author "Like all good art, this book--and it is definitely a book--exposes a little bit about how society works."- Ryan Holiday, author of the Wall Street Journal bestseller Trust Me, I'm Lying: Confessions of a Media Manipulator "Brent Underwood's book shows the inner workings of the publishing industry and its desire to be the "best". Brent helps create a path toward ending the madness."- Matthew Kepnes, author of the New York Times bestseller How To Travel The World on \$50 a Day

"Unputdownable! Hop don't walk, to your nearest Kindle and download it now! The footnotes alone are worth the cover price!"- Brooke Unger, Americas Editor, The Economist "Putting My Foot Down will keep you on your toes at all time."- Young & Sick, musician/artist "Brent Underwood's foot, a more accomplished author than you or I."- The Paris Review "...status is meaningless, and can be bought for just a few dollars."- BoingBoing "Amen, Brent. Amen."- The Daily Dot "A man put a photo of his foot on Amazon."- Gothamist "The game's definitely afoot!"- Neil Gaiman "Amazing how much perception creates reality today."- Nick Bilton, Columnist, New York Times "...had me from the moment this guy takes a photo of his foot."- Laura Bennett, Senior Editor, Slate "Brilliant."- Martin Robbins, Columnist, VICE "...nails the 'biggest lie in publishing'."- Richard Lea, Books Reporter, The Guardian

Christy Brown was severely disabled with cerebral palsy, unable to use any part of his body other than his left foot. Doctors said he was a 'mental defective' and that he would never be able to lead any kind of normal life; Christy proved them wrong. His

mother taught him to write using chalk on the worn floor of their small home, and Christy grew into a talented artist and writer. His 1954 memoir *My Left Foot* was made into an Oscar-winning film starring Daniel Day-Lewis, while his bestselling novel *Down All the Days* was described by the Irish Times as 'the most important novel since *Ulysses*'. Using previously unpublished letters and poems, this first authorised biography marks Christy Brown's importance as a writer and celebrates his indomitable spirit. His story proves that, with hope and determination, almost impossible odds can be overcome.

Christy Brown Chronicle Books

The book places the struggles for the emancipation of disabled people within the context of Bob's life journey. Born with cerebral palsy in 1951, Bob was to go on and influence both theory and practice in many differing arenas, becoming a student leader and a scholar activist. The book links disability politics to a wider politics.

A Shadow on Summer Penguin

Creative Stress reveals with precision how we can and must transmute negative stress so that we can evolve individually and collectively. It offers the reader a steady climb to the higher reaches of human creativity and fulfillment, and is packed with compelling stories from O'Dea's exceptionally rich experience.

Based on the life of the author, this novel tells the story of a crippled Irish author who moves to suburban Connecticut to finish his second book

The Saga of Martin Van Buren Bates Random House

You can take the dead girl out of the country... Veronica Fischer, small-town bloodsucking madam, is an orphan or at least she finally feels that way. Jules, the one who made her, is gone and cleaning up after him isn't something she ever thought she'd have to do. While her hometown seems to be turning against her, she's forced to set off for the bright lights of the big city with a carload of her dysfunctional supernatural family, hoping not to have to face the Dragon of Chicago. Now she has to rescue a sister she didn't know she had, keep Rachel-her adopted 8-year-old ghost-safe, and try to keep Pekin from unraveling under the onset of the coming storm. Sex, violence, and cryptic undead prophecy-all for fun and profit.

THE CITY THAT WASN'T

Createspace Independent Publishing Platform

Louis van Gaal is a paradox from top to toe. This is the man who, when unveiled as Bayern Munich manager in 2009, described himself like this: "I am what I am; self-confident, arrogant, dominant, honest, industrious, innovative." Former players have described him as "scary," as a "volcano." The former Barcelona president described him as "the devil himself." At Bayern, they said he "vaangalised" their team. And yet at the same time, he is "warm-blooded." He openly admits: "I cry almost every day. There's always something that touches me." Barcelona's Xavi says of him: "People see him as arrogant and aloof but he's really not." Dutch Courage is a detailed dissection of the truth behind the myth of Van Gaal, studying his philosophy and his character, as well as some of the excellent football teams he has produced. This Dutch master has been the head of some of the greatest dynasties in European football - Ajax, Barcelona, Bayern Munich, and Manchester United - as well as the boss of the Netherlands national team (twice). Along the way, he has won a combined seven league championships across Europe. He has also been successful in continental competitions, listing the Champions

League, the UEFA Cup, and the UEFA Super Cup amongst his honours. As head coach of the Netherlands in the 2014 World Cup, he led them to within a whisker of the final, beating world champions Spain 5-1 along the way, before his young Dutch charges were finally beaten on penalties by Argentina in the semi-final. But in 2014 he took on arguably his greatest challenge: restoring Manchester United to their perch after a year in the doldrums. Christian Nerlinger predicts that Van Gaal's United reign will be anything but predictable: "one thing is for sure: it will not be boring." And this book is anything but boring. It is the exciting tale which supporters of Ajax, Barcelona, AZ Alkmaar, Bayern Munich, Manchester United and the Netherlands national team will want to read. Andrew J Kirby is a season-ticket holder at Old Trafford, and writes about United for a number of fanzines and blogs. He is the author of *Fergie's Finest: Sir Alex Ferguson's Greatest Manchester United x11*, and *The Pride of all Europe: Manchester United's Greatest Seasons in the European Cup*. PRAISE FOR THE BOOK "From Ajax to Man United, via Bayern Munich, Andrew J Kirby plots the rise of this indomitable, complex figure with verve and great insight. Despite not being a Manchester United fan, Van Gaal's extreme personality has long intrigued me. Kirby captures it on the page with an uncanny accuracy. This book is exhaustively researched, and offers great psychological insights into the man, as well as the world of football. Most books about football are poor- Kirby's is an exception, and is written with a ferocious intellect that matches its subject matter. A must-read for fans of United, and those of us interested in this colossus of football." - Guy Mankowski, author of 'How I Left the National Grid' PRAISE FOR ANDREW J KIRBY'S SPORTSWRITING "The author knows his stuff," Angela Bowman, Manchester United fan "The perfect gift for the red devil in your life!" Sam Sharp, Manchester United fan "A good read for United fans young and old," AJ Hellina, Amazon reader "A must read for any red," Scott the Red, Republik of Mancunia on *Fergie's Finest*

Fahrenheit 451 My Left Foot

The movie musical has been a much loved genre since motion pictures found a voice and learned to sing. Throughout the decades, audiences thrilled to the glamour of the musicals of Busby Berkeley and were emotionally invested in stories about Austrian nuns and the King of Siam with the musicals from Rodgers and Hammerstein. With the advent of Rock 'n Roll, Heavy Metal, R&B, Motown, Punk Rock, and Disco entering the public consciousness, musicals started to sing a very different tune. Into the 1970s, the movie musical became a daring, dangerous, and divinely decedent cinema experience. Lee Gambin's *We Can Be Who We Are: Movie Musicals from the 1970s* explores this explosive energy and diversity. From the quirky sophistication of *On A Clear Day You Can See Forever* and the dark unnerving genius of *Cabaret* to the sweet sentimentality of *Charlotte's Web*, Gambin's book offers insightful film criticism while exhaustively covering the decade. Some of the films Gambin examines include *Phantom of the Paradise*, *Grease*, *The Wiz*, *Rock'n'Roll High School*, *Bedknobs and Broomsticks*, *All That Jazz*, *Godspell*, *Hair*, *The Rose*, *Saturday Night Fever*, *The Rocky Horror Picture Show*, *Willy Wonka and the Chocolate Factory*, *Pete's Dragon*, *Tommy*, *Kiss Meets The Phantom of the Park*, and many, many more. The book also features incredible brand new interviews from dozens of extremely talented artists who made these movies possible: director John Carpenter discussing his biopic *Elvis*; Lesley Ann Warren giving fascinating insight into the made for TV production *It's A Bird...It's A Plane...It's Superman*; auteur filmmaker Norman Jewison delivering two very different musicals with *Fiddler on the*

Roof and *Jesus Christ Superstar*. This book is loaded with numerous production stories and candid insights into how these films were made and received. Gambin's book also features loads of wonderful photos, many of which have never before been seen including wonderfully candid behind the scenes stills!

The Left Hand of Darkness New York : Stein and Day

New York Times bestseller. They all thought he was gone. But he was alive and trapped inside his own body for ten years. In January 1988 Martin Pistorius, aged twelve, fell inexplicably sick. First, he lost his voice and stopped eating. Then he slept constantly and shunned human contact. Doctors were mystified. Within eighteen months he was mute and wheelchair-bound. Martin's parents were told an unknown degenerative disease left him with the mind of a baby and less than two years to live. Martin was moved to care centers for severely disabled children. The stress and heartache shook his parents' marriage and their family to the core. Their boy was gone. Or so they thought. *Ghost Boy* is the heart-wrenching story of one boy's return to life through the power of love and faith. In these pages, readers see: A parent's resilience. The consequences of misdiagnosis. Abuse at the hands of cruel caretakers. The unthinkable duration of Martin's mental alertness betrayed by his lifeless body. We also see a life reclaimed—a business created, a new love kindled—all from a wheelchair. Martin's emergence from his own darkness invites us to celebrate our own lives and fight for a better life for others.

Just One Foot Createspace Independent Publishing Platform

If you had to name a statue, any statue, odds are good you'd mention the Statue of Liberty. Have you seen her? She's in New York. She's holding a torch. And she's taking one step forward. But why? In this fascinating, fun take on nonfiction, uniquely American in its frank tone and honest look at the literal foundation of our country, Dave Eggers and Shawn Harris investigate a seemingly small trait of America's most emblematic statue. What they find is about more than history, more than art. What they find in the Statue of Liberty's right foot is the powerful message of acceptance that is essential to an entire country's creation. Can you believe that?
