 A Christmas Romance Novella
 She's stubborn and independent. He's sworn to keep her safe. It's a recipe for disaster.... or maybe love!
 Mariah doesn't want a bodyguard... especially not Mack, her brother's super-hunky head of security. Just looking at him puts butterflies in her stomach. But she knows they could never be together. When Mack shows up at the wedding rehearsal she's attending,

everyone thinks he's her boyfriend. Hopefully she can ditch the man before he notices how he affects her. Mack has sworn to keep his boss' sister safe in light of the death threats against their family. His job is to keep her alive and bring her home to her family for Christmas. It's only one woman... only one weekend. How hard can it be? But Mack has had the hots for Mariah since the day they met. Good thing his boss doesn't know. Mack's plan is to keep watch from a

distance. But when a case of mistaken identity forces Mack and Mariah to fake a relationship, Mack has a hard time hiding his attraction. Or keeping his mind on the job! The more time Mariah spends with Mack, the more she's drawn to him. But a man like Mack, hardened and tough from life's circumstances, would never want to be with a woman like her who's had an easy life. They have no hope for a future. Right? Will Mack be able to keep Mariah safe even though her nearness

short-circuits his brain? Will Mariah's stubbornness be the death of her? Grab your copy of this bad boy, fake relationship story from USA Today bestselling author Tamie Dearen FROM THE AUTHOR: You may have seen this story before if you read all of the Christmas anthology, Stockings, Wishes and Christmas Kisses, but there are a few changes and additions in this edition. If you're a fan of the Limitless Billionaire Romance Series, you'll

enjoy seeing some of your favorite characters. If you haven't read the Limitless Series yet, don't worry- this is a standalone romance.

Young Samurai: The Way of Fire (short story) Puffin In Africa only the strong survive. Teenage martial-arts expert Connor Reeves is tasked with protecting a foreign ambassador's family on safari. What should have been the perfect assignment turns into the holiday from hell when their convoy is ambushed by gunmen. Fleeing

through the bush, Connor and his assigned family become the prey in a shoot-to-kill hunt across the African plains. As they fight for their survival, Connor realizes the gunmen are the least of their problems. For no amount of bodyguard training can prepare him for the wilds of Africa and one prowling hungry leopard . . . Acclaim for the bestselling Bodyguard series: 'Bone-crunching action adventure.' Financial Times 'Bradford has combined Jack Bauer, James Bond and Alex

Rider to bring us this action-packed thriller.' Goodreads.com From the author of the Young Samurai series www.bodyguard-books.co.uk *Broken Vow* Penguin In this prequel novella from Ward Larsen, *Assassin's Dawn*, we go where it all began . . . the origin of the perfect assassin! Recruited out of university, Slaton has excelled in training, and is proving highly effective in the operational world. The motivation behind his success is clear to those

who know the truth: three years earlier, the two people he held dearest fell victim to a terror attack. The killer responsible, Ramzi Tayeb, has proved maddeningly elusive. Then a chance: a Mossad operation in Central Europe aims to steal information from Ramzi's brother, a terrorist financier who could lead to the shadowed extremist. Slaton takes the lead, but a mission to hack the man's laptop goes horribly wrong, and soon the police are

investigating a murder. Slaton is withdrawing his team to safety when new information arises. Ramzi himself may soon appear—a rare moment of vulnerability. And so a new mission is born, one that is run not by Mossad, but by the most lethal operative it has ever created—an assassin destined to become a legend. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Perfect for fans of Alex Rider and Jason Bourne, this action-packed conclusion to Connor's third mission sees him evading lethal hunters, both human and animal, in the African plains. Following their heart-pounding, narrow escape at the end of book 5, *Ambush*, Connor Reeves and the diplomat's family

under his protection are forced to run for their lives through the perilous jungle. With their safari vacation cut short, and a band of heavily armed rebel soldiers in hot pursuit, Connor must use every skill and trick he's learned during his Guardian training to ensure their survival. But as they fight for their lives, Connor realizes the gunmen are the least of their problems—no amount of bodyguard training can prepare him for the bloodthirsty predators who roam the

savanna. Combining pulse-pounding action, diabolical enemies, and an insider's knowledge of the tricks of the trade, the BODYGUARD series is the perfect target for fans of Alex Rider, James Bond, Jack Bauer, and Jason Bourne. Praise for BODYGUARD

Little, Brown Books for
 Young Readers

In a world where the
 League and its assassins
 rule, where betrayal and
 treachery are everywhere,
 the only survivors are
 those ones who are...born
 of shadows. For Caillen
 Dagan, a defiant soldier of
 fortune, survival isn't a
 right, it's a brutal daily
 battle. Moving through
 the Ichidaian universe like

a wraith, his brushes with
 the law and death are
 legendary. But when an
 act of rare heroism
 reveals his hidden
 birthright, he's forced into
 a world much more
 dangerous and cold-
 hearted than the bloody
 streets where he was
 raised—one of obscene
 wealth and lethal politics.
 Ferocious and
 determined, Desideria
 serves as an official
 bodyguard for her queen.
 Born of questionable
 genetics, she will do
 anything to prove herself
 worthy of the weapons

she carries and the
 position she's won by
 combat. But when she
 uncovers a ruthless plot
 to assassinate the queen
 and overthrow her
 country's government,
 Desideria is caught in the
 crosshairs. With
 assassination contracts
 out on both of them,
 Caillen and Desideria
 must learn to fight
 together or die alone. And
 if they fail, their
 governments will fall into
 the hands of an
 unimaginable evil.
Bodyguard: Assassin
 Bodyguard: Assassin

Since the birth of our nation and the election of the first president, groups of organized plotters or individuals have been determined to assassinate the chief executive. From the Founding Fathers to the Great Depression, three presidents have been assassinated: Abraham Lincoln, James Garfield, and William McKinley. However, unknown to the general public, almost all presidents have been threatened, put in danger, or survived "near lethal approaches" during their

terms. Plotting to Kill the President reveals the numerous, previously untold incidents when assassins, plotters, and individuals have threatened the lives of American presidents, from George Washington to Herbert Hoover. Mel Ayton has uncovered these episodes, including an attempt to assassinate President Hayes during his inauguration ceremony, an attempt to shoot Benjamin Harrison on the streets of Washington, an assassination attempt on

President Roosevelt at the White House, and many other incidents that have never been reported or have been covered up. Ayton also recounts the stories of Secret Service agents and bodyguards from each administration who put their lives in danger to protect the commander in chief. Plotting to Kill the President demonstrates the unsettling truth that even while the nation sleeps, those who would kill the president are often hard at work devising new schemes.

Clay: I'm an assassin, and I'm not ashamed of it. I'm good at what I do, and the people I kill deserve it. One more contract, one more hunt, one more kill. To be honest, it's getting old. Until this latest job. Suddenly there's someone between me and my

target. What's worse is he gets the better of me, twice! He's a problem I've never had before...and maybe even more. Elliot: After years in the Marines, and playing personal bodyguard, I thought I'd seen it all. An assassin coming after the philanthropist I'm paid to protect was a surprise, but not really a shock. The shock came later. The assassin is a killer with the most beautiful eyes, and damn it, I even trust him...and more. Clay is paid to kill, Elliot is paid to protect...the same person.

The two men stand no chance together. But things aren't always what they seem. As Fate conspires to change the rules of the game, will she change the inevitable outcome?

Bodyguard 03: Ambush Puffin

Celaena Sardothien is her kingdom's most feared assassin. Though she works for the powerful and ruthless Assassin's Guild, Celaena yields to no one and trusts only her fellow killer for hire, Sam. When Celaena's scheming master, Arobynn Hamel,

dispatches her on missions that take her from remote islands to hostile deserts, she finds herself acting independently of his wishes-and questioning her own allegiance. Along the way, she makes friends and enemies alike, and discovers that she feels far more for Sam than just friendship. But by defying Arobynn's orders, Celaena risks unimaginable punishment, and with Sam by her side, he is in danger, too. They will have to risk it all if they

hope to escape Arobynn's clutches-and if they fail, they'll lose not just a chance at freedom, but their lives . . . A prequel to *Throne of Glass*, this collection of five novellas offers readers a deeper look into the history of this cunning assassin and her enthralling-and deadly-world.
