The Fates Divide (Carve the Mark, Book 2) Bloomsbury Publishing USA

From #1 New York Times bestselling author Ellen Hopkins comes a new heartbreakingly tender middle grade novel-in-verse about the bonds between two brothers and the love they share. Now in paperback. Twelve-year-old Trace Reynolds has always looked up to his brother, mostly because Will, who's five years older, has never looked down on him. It was Will who taught Trace to ride a bike, would watch sports on TV with him, and cheer him on at Little League. But when Will was knocked out cold during a football game, resulting in a brain injury—everything changed. Now, seventeen months later, their family is still living under the weight of "the incident," that left Will with a facial tic, depression, and an anger he cannot always control. Afraid of further fracturing his family, Trace begins to cover for Will who, struggling with addiction to pain medication, becomes someone Trace doesn't recognize. But when the brother he loves so much becomes more and more withdrawn, and escalates to stealing money and ditching school, Trace realizes some secrets cannot be kept.

A CURSE SO DARK AND LONELY

Carve the Mark

In the kingdom of Axaria, a darkness rises. Some call it a monster, laying waste to the villagers and their homes. Some say it is an invulnerable demon summoned from the deepest abysses of the Immortal Realm. Many soldiers from the royal guard are sent out to hunt it down. Not one has ever returned. When Asterin Faelenhart, Princess of Axaria and heir to the throne, discovers that she may hold the key to defeating the mysterious demon terrorizing her kingdom, she vows not to rest until the beast is slain. With the help of her friends and the powers she wields—though has yet to fully understand—Asterin sets out to complete a single task. The task that countless trained soldiers have failed. To kill it. But as they hunt for the demon, they unearth a plot to assassinate the princess herself instead. Asterin and her companions begin to wonder how much of their lives have been lies, especially when they realize that the center of the web of deceit might very well be themselves. With no one else to turn to, they are forced to decide just how much they are willing to sacrifice to protect the only world they have ever known. That is ... if the demon doesn't get to them first. From young author Coco Ma comes a dazzling new tale of adventure, power, and betrayal, weaving together a stunning world of magic with a killer cast in an explosive, unforgettable debut.

"The little girl I was would have been thrilled to encounter Meilan... having found a character who embraces the complexity of being both Chinese and American, I would have been able to echo her words: 'I am not alone.'" —New York Times Book Review by Jean Kwok A family feud before the start of seventh grade propels Meilan from Boston's Chinatown to rural Ohio, where she must tap into her inner strength and sense of justice to make a new place for herself in this resonant debut. Meilan Hua's world is made up of a few key ingredients: her family's beloved matriarch, Nai Nai; the bakery her parents, aunts, and uncles own and run in Boston's Chinatown; and her favorite Chinese fairy tales. After Nai Nai passes, the family has a falling-out that sends Meilan, her parents, and her grieving grandfather on the road in search of a new home. They take a winding path across the country before landing in Redbud, Ohio. Everything in Redbud is the opposite of Chinatown, and Meilan's not quite sure who she is—being renamed at school only makes it worse. She decides she is many Meilans, each inspired by a different Chinese character with the same pronunciation as her name. Sometimes she is Mist, cooling and invisible; other times, she's Basket, carrying her parents' hopes and dreams and her guilt of not living up to them; and occasionally she is bright Blue, the way she feels around her new friend Logan. Meilan keeps her facets separate until an injustice at school shows her the power of bringing her many selves together. *The Many Meanings of Meilan*, written in stunning prose by Newbery Honor-winning author Andrea Wang, is an exploration of all the things it's possible to grieve, the injustices large and small that make us rage, and the peace that's unlocked when we learn to find home within ourselves.
