Edexcel  
International

GCSE Maths (9-1), as well as complete coverage of the Pearson Edexcel iLowerSecondary Award and the UK Curriculum objectives. This Student Book follows a unique mastery approach that aims to nurture confidence, build fluency, improve problem-solving skills and develop mathematical reasoning to fully prepare students for the transition to Key Stage 4 and beyond. Developed to

build the skills and knowledge needed to progress to International GCSE 9-1 Mathematics for a consistent learning experience from 11-16. Designed with the international student in mind with appropriate cultural sensitivity, international contexts and written for EAL learners. Follows a mastery approach and unique unit structure that has been shown to help

to build confidence in mathematics. Matched to the iLower Secondary curriculum and the UK curriculum objectives so you can be sure you have all you need whatever curriculum you are following.

Highly motivating differentiated Student Books develop confidence, fluency and problem-solving, supporting progression: \* Full ability range: Alpha (Access), Pi
