Finding material for your French immersion can be a nightmare, but not anymore! French students regularly have to go through the toughest experiences to find proper reading material that isn't too tough for them - as teachers; we know this. This is why we've created French

Short Stories for Beginners to ensure that young and old students at the Beginner level can have yet another chance to immerse themselves into fun and interactive stories designed for you, the student. Twenty easy-to-read, entertaining and interesting stories await inside, along with the best tools to help you practice once you're done reading each tale. Our book will ensure you not only can read something that will expand your knowledge on French but that you will understand and be able to pick it apart piece by piece in your quest for learning. How French Short Stories for Beginners works: Each story is designed to keep you engaged and interested as well as using vocabulary that you will actually use. The summaries follow a synopsis in French and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in French, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! Do you think you can handle it?
