Award winning
author Pete
Hautman lets
us in on the
secret.Lita is
the writer.
Adam is the
entrepreneur.
They are JUST
FRIENDS.So
Adam would
never sell
copies of a
self-help book
before he'd
even written
it. And Lita
would never
try to break
up Adam's

relationship
with Blair, the
skankiest girl
at school.
They'd never
sabotage their
friends Emily
and Dennis.
Lita would
never date a
guy related to
a girl she can't
stand. They'd
never steal
each other's
blog posts.
And Adam
would never
end up in a
fist fight with
Lita's
boyfriend.
Nope,
never.Adam
and Lita might
never agree

on what happened, but in this hilarious story from Pete Hautman, they manage to give the world a little more insight into what boys and girls are really looking for.

21st Century Skills Simon and Schuster LGBTQ Notebook Blank Log Book For Trans And Lgbt Supporter: Transgender Heart Journal Gender Is Social Construct Gift You love tolerance and humanity?

You are a proud trans and LGBT supporter? Then get this cool Gender Is Social Construct Gift Journal now or use it as a birthday or christmas gift idea for someone who loves tolerance and humanity. You like to use love and transgender awareness and always want to be at your friends and family? Don't think any longer and grab this LGBTQ Notebook Log Notebook now! If you

like this LGBTQ Notebook logbook or looking for some more blank journals like this, then feel free to click our brand at the top of this page (right over the title). We always try to provide new designs to our customers, so maybe right for you. Here you always will find a perfect gift idea for your birthday kid or for every other occasion, like easter, back to school, fathers day,

mothers day, halloween, christmas, new year and so on. So don't click around anymore and get your product right here!

A TAXONOMY FOR

LEARNING, TEACHING, AND ASSESSING

Independently Published
Fall under the spell of Wake—the first book in an achingly beautiful new series by celebrated author Amanda Hocking—and lose yourself to the Watersong. Gorgeous. Fearless. Dangerous. They're the kind of girls you envy; the kind of girls you want to hate. Strangers in town for the

summer, Penn, Lexi and Thea have caught everyone's attention—but it's Gemma who's attracted theirs. She's the one they've chosen to be part of their group. Gemma seems to have it all—she's carefree, pretty, and falling in love with Alex, the boy next door. He's always been just a friend, but this summer they've taken their relationship to the next level, and now

there's no going back. Then one night, Gemma's ordinary life changes forever. She's taking a late night swim under the stars when she finds Penn, Lexi and Thea partying on the cove. They invite her to join them, and the next morning she wakes up on the beach feeling groggy and sick, knowing something is different. Suddenly Gemma is stronger, faster, and more beautiful

than ever. But her new powers come with a terrifying price. And as she uncovers the truth, she's is forced to choose between staying with those she loves—or entering a new world brimming with dark hungers and unimaginable secrets.

Shaping Maths

Reggie isn't really a romantic: she's been hurt too often, and doesn't let people in

as a rule. Plus, when you're dealing with the Three Stages of Depression, it's hard to feel warm and fuzzy. When Reggie meets Snake, though, he doesn't give her much of a choice. Snake has a neck tattoo, a Twizzler habit, and a fair share of arrogance, but he's funny, charming, and interested in Reggie. Snake also has an ex-girlfriend who's seven months pregnant. Good thing Reggie isn't a

romantic. Definitions of Indefinable Things follows three teens as they struggle to comprehend love, friendship, and depression—and realize one definition doesn't always cover it.

STANDARD FIRST AID, CPR, AND AED

St. Martin's Paperbacks Rather than presenting another narrative of Singapore history, *The Scripting of a National*

History: Singapore and Its Pasts studies the constructed nature of the history endorsed by the state, which blurs the distinction between what happened in the past, and how the state intends that past to be understood. The People's Action Party (PAP) government's unbroken mandate to rule has come in no small part from the way it explains its lineage and record to Singaporeans.

The power vested in various aspects of Singapore's history is thus examined through a consideration of past and present politics. The authors trace state discourses on Singapore history from the decision immediately after independence to recognize the nineteenth-century British acquisition of the island as its founding moment, to the 1980s and 1990s when an essentially

Confucian heritage was recognized under the rubric of "Asian values", and finally to an emphasis on the history of racial fragility and harmony in response to the threat of terrorism in the twenty-first century. Embedded within these discourses is the story of the PAP as the heir of the economic dynamics of the pax Britannica, as an exponent of the morality and righteousness of the Chinese

scholar-gentleman, and as the firm hand that balances the interests of the majority Chinese against those of the minority populations, particularly the Malays. The authors examine the underlying template of Singapore history, the negotiation with its immigrant past, and the popularization of history through conscription of national heroes. The chapters range from considering

how political leaders claim to be historians by virtue of being the makers of history, to the vicissitudes undergone by two originally private homes turned into symbols of Singapore's Chinese modernity. The Scripting of a National History: Singapore and Its Pasts is highly relevant not only to academics but also for the Singapore general reader interested to see what are meant to be received

wisdoms for the citizenry interrogated in a well-reasoned and engaging exercise, as well as for an international readership to whom Singapore has become a fascinating enigma. They may well be intrigued by the anxieties of being Singaporean. *The Usborne Reading Collection (Yellow Set)* Hachette UK Ivy and Tristan have both moved on ~ Tristan, to the other side of the afterlife, and

Ivy has moved on with sweet, dependable Will. But when an accident seriously injures Ivy, almost to the point of near death, she meets her soulmate Tristan again. And at the place of the "in between", their bittersweet reunion culminates in one breathtaking kiss. But unbeknownst to both Ivy and Tristan, it was that one heart stopping kiss that brought Ivy back to life ~ and angels

are prohibited from meddling in matters of life and death. Now fallen from heaven for saving the girl he loves, Tristan is in the body of a stranger, and he must find his way to Ivy once more...

Essentials of Marketing Management

Pearson
Imagine a place where the dead rest on shelves like books. Each body has a story to tell, a life seen in pictures only Librarians can read. The dead are called Histories, and

the vast realm in which they rest is the Archive. Mackenzie Bishop's grandfather first brought her here four years ago, when she was twelve years old, frightened but determined to prove herself. Now her grandfather is dead, and Mac has grown into what he once was: a ruthless Keeper, tasked with stopping often violent Histories from waking up and getting out. Because of her job, she

lies to the people she loves, and she knows fear for what it is: a useful tool for staying alive. Follow Mackenzie as she explores the boundary between living and dying, sleeping and waking, through these two timeless novels, now bound together in this thrilling collection. With stunning prose and a captivating mixture of action, romance, and horror, *The Dark Vault* delves into a richly

imagined world where no choice is easy and love and loss feel like two sides of the same coin.

SINGAPORE, A 700-YEAR HISTORY

Manchester University Press
50 PB of Very First Reading and First Reading Titles

THE SON OF MAD MAT LELA

Routledge
The overall success of an organization is dependent on how marketing is able to inform strategy and

maintain an operational focus on market needs. With an array of examples and case studies from around the world, Lancaster and Massingham's vital study offers an alternative to the traditional American focused teaching materials currently available. This second edition has been fully revised and updated, including a new chapter on digital marketing written by Dr Wilson

Ouzem. Topics covered include: consumer and organizational buyer behaviour product and innovation strategies direct marketing Social media marketing Designed and written for undergraduate, MBA and masters students in marketing management classes, Essentials of Marketing Management builds on the successful earlier edition to provide a solid foundation to

understanding this core topic.

LAW OF TORTS IN MALAYSIA

University of Chicago Press Singapore in Global History Amsterdam University Press *Being Bold with Watercolour* Oxford University Press The Rise of the West, winner of the National Book Award for history in 1964, is famous for its ambitious scope and intellectual rigor. In it,

McNeill challenges the Spengler-Toynbee view that a number of separate civilizations pursued essentially independent careers, and argues instead that human cultures interacted at every stage of their history. The author suggests that from the Neolithic beginnings of grain agriculture to the present major social changes in all parts of the world were triggered by new or newly important

foreign stimuli, and he presents a persuasive narrative of world history to support this claim. In a retrospective essay titled "The Rise of the West after Twenty-five Years," McNeill shows how his book was shaped by the time and place in which it was written (1954-63). He discusses how historiography subsequently developed and suggests how his portrait of the world's past in *The Rise of the West* should

be revised to reflect these changes. "This is not only the most learned and the most intelligent, it is also the most stimulating and fascinating book that has ever set out to recount and explain the whole history of mankind. . . . To read it is a great

experience. It leaves echoes to reverberate, and seeds to germinate in the mind."—H. R. Trevor-Roper, New York Times Book Review
TWELVE RED HERRINGS
 Singapore in Global History
 "It's time for the biggest horse show of the year and Randy doesn't

know what to do. Secretly she wants to compete; she owes it to herself and to her horse, Thunder. But what if she ends up looking like a total fool in front of all those people just like the top rider, April Goodman, says she will."-
