On October 12, 2003 the
first issue of The Notary
News was published by
Victoria Ring of 50 State

Notary. Since that time The Notary News has been distributed free of charge on a weekly basis to a growing number of notary subscribers and fans. Why is The Notary News so popular? Because it is not a typical ezine. Instead of being dominated with advertising (like so many other free ezines) The Notary News provides excellent articles, tips and techniques submitted by other notary signing agents and other "insider" information to help the notary signing agent grow

and prosper their business. The Best of The Notary News is fun to read and beautifully illustrated. Every article as well as the multitude of questions and answers specifically relating to notary signing agents has been meticulously organized to make finding information fast and easy. This book is a perfect compliment to How to Start, Operate and Market a Freelance Notary Signing Agent Business. [Strategies for Effective Balanced Literacy](#) Packt Publishing Ltd

"Redish has done her homework and created a thorough overview of the issues in writing for the Web. Ironically, I must recommend that you read her every word so that you can find out why your customers won't read very many words on your

website -- and what to do about it." -- Jakob Nielsen, Principal, Nielsen Norman Group "There are at least twelve billion web pages out there. Twelve billion voices talking, but saying mostly nothing. If just 1% of those pages followed Ginny's practical, clear advice, the world would be a better place. Fortunately, you can follow her advice for 100% of your own site's pages, so pick up a copy of *Letting Go of the Words* and start communicating effectively today. --Lou Rosenfeld, co-author,
