Winner of the Alex Award "Mike Mu\u00f1oz Is a Holden Caulfield for a New Millennium--a '10th-generation peasant with a Mexican last name, raised by a single mom on an Indian reservation' . . . Evison, as in his previous four novels, has a light touch and humorously guides the reader, this time through the minefield that is working-class America." --The New York Times Book Review For Mike Mu\u00f1oz, life has been a whole lot of waiting for something to happen. Not too many years out of high school and still doing menial work--and just fired from his latest gig as a lawn boy on a landscaping crew--he's smart enough to know that he's got to be the one to shake things up if he's ever going to change his life. But how? He's not qualified for much of anything. He has no particular talents, although he is stellar at handling a lawn mower and wielding clipping shears. But now that career seems to be behind him. So what's next for Mike Mu\u00f1oz? In this funny, biting, touching, and ultimately inspiring novel, bestselling author Jonathan Evison takes the reader into the heart and mind of a young man determined to achieve the American dream of happiness and prosperity--who just so happens to find himself along the way.

Description: The business of love is dangerous. For Jennifer Kent, a recent MBA graduate who has been searching for work in Manhattan for four long months, time and money are running out. If she doesn't find work soon, she'll need to return to her native Maine, where the job situation is even more bleak. And where her abusive parents lie in wait. But when an unorthodox arrangement is proposed, Jennifer decides to take it. She agrees to be the "girlfriend" of Alexander Wenn, the reluctant, billionaire CEO of Wenn Enterprises, who is so devastatingly good looking, he needs a beautiful woman like Jennifer on his arm to "keep the wolves at bay." In this case, the wolves are other women, all of whom vie for his attention so aggressively, they keep him from focusing on business at the exclusive events he must attend. It's there that deals are cut. What they want is his money and his power. Damaged by a past event, the only thing Alex wants to do is focus on work. And to forget the past. But can Jennifer deny their white-hot chemistry? As she's swept into this glittering otherworld of society and big business, she finds herself struggling to keep from falling for Alex, an almost impossible feat she nevertheless must meet. Armed with her MBA, Jennifer Kent knows about business. But what she doesn't know is what could destroy her--the business of protecting her own heart. And maybe her own life when it's put on the line time and again.

The first full length graphic novel from the author of Shrimpy and Paul Enter the strange and wordplay-loving world of cartoonist and fine artist Marc Bell (Shrimpy and Paul, Hot Potatoe), where the All-Star Schnauzer Band runs things and tiny beings hold signs saying "It's under control." Our hapless hero Stropopy is minding his business, working a menial job in one of Monsieur Moustache's factories, when a muscular fellah named Sean blocks up the assembly line. Sean's there to promote an All-Star Schnauzer Band-organized songwriting contest, which he does enthusiastically, and

at the expense of Stropopy's livelihood, home, and face. In hopes for a cash prize, Stropopy submits a work by his friend Clancy The Poet to the contest. Mishaps and hilarity ensue and Stropopy is forced to go deep into the heart of Schnauzer territory to rescue his poet friend. Stropopy is Marc Bell's triumphant return to comics; it's also his first full-length graphic novella, one that thrums with jokes, hashtags, and made-up song lyrics. Densely detailed not-so-secret underground societies, little robots, and heavy weight humdingers leap off the page in full color. With Stropopy, Bell continues to explode the divide between fine art, doodling, and comics.

Bad enough that I didn't mind how much it was going to cost me... **AFTERSHOCK** When it came to playing games, my lover Jax was a master strategist. He pulled strings behind the closed doors of D.C.'s most powerful political players, and somehow still found time to nearly sideline my career. What he didn't know was that when I didn't like the rules, I threw them out and made my own. I wasn't going to let Jax get away with it. I wasn't going to let him get away at all. I loved Jax enough that it was impossible to give up. Jax loved me enough that giving up was the only end he'd consider. He didn't think I could swim with the sharks. It was entirely my pleasure to show him that I'd already dived in...
