The First Book of Enoch was lost for centuries to the western world although it was kept by the Ethiopian church. In 1773 the Scottish explorer James Bruce heard that the Book of Enoch may have been in Ethiopia so traveled there and procured three copies. In 1821 Richard Laurence, a professor of Hebrew at Oxford, produced the first English translation. Fragments of ten Enoch manuscripts were found among the Dead Sea Scrolls. It is quoted by New Testament Book of Jude. This book contains all sections of The First Book of Enoch: The Book of the Watchers The Book of Parables of Enoch The Astronomical Book The Book of Dream Visions The Epistle of Enoch It is of particular interest to anyone with an interest in angels and demons, or Bible history in

general. The Books of Enoch: The Complete Set also contains 2 Enoch (also known as The Slavonic Enoch, or The Secrets of Enoch) and contains the Extended Version; and 3 Enoch (also known as The Hebrew Book of Enoch.)

This is the definitive and essential text on creating and sponsoring real estate investment groups. Written by a nationally renowned attorney whose practice is limited to the complex legal aspects of these kinds of securities; it is a concise, easily understood and practical guide on how to proceed. It contains all the basics you need to grasp in the US Securities and Exchange Commission (SEC) regulations governing this kind of investment. The text includes details of the SEC's rules governing the Jobs Act. Long term, this federal legislation is likely to be a game-changer in the syndication of commercial real estate. Regulation A+, finalized just before publication, may provide an important new capital-raising option for smaller companies. The portion of the Act that has been in force since September 2013, allowing for public advertising of fundraising, is also thoroughly examined. Author Gene Trowbridge, Esq., CCIM, works as a lawyer for and consultant to individuals and organizations engaged in group

sponsorships and conducts seminars and workshops throughout the country. He has also been a distinguished and popular member of the CCIM faculty since 1979, helping to shepherd exceptional practitioners to a professional designation that has been called the Ph.D. of commercial real estate. He has been a group sponsor representing over 850 investors in sixteen real estate syndications.

Photography shows us how to look at things from different perspectives, to reflect, to communicate and to express ourselves in a way that goes beyond words. The creative and introspective qualities of this accessible arts medium make it an ideal tool for use in therapeutic contexts. In this book, Claire Craig explores how professionals working with groups can use photography to promote self-exploration and positive change. She explains how the technique works, who it can help, and how to set up and run a group. Each chapter revolves around a key self-development theme, such as communication, reflection, relationship-building and self-esteem, and contains activities which are suitable for all ages and abilities. For each activity, requirements are clearly specified, and both a warm-up and extension activity offered. Along the way, examples of photographs taken by participants in response to particular themes, and the explanations which accompany them, are provided as inspiration. This practical guide can be used in group work across a broad range of contexts, including in schools, colleges, youth groups, community settings, residential care, in-patient and day hospitals. It will be of interest to occupational therapists, arts therapists, social workers, teachers and any other practitioners interested in ways of promoting personal development through creative means.

It is called the armor of God because it is everything God is and provides for the believer. The One who wants to protect us is our Heavenly Father. Each piece God graciously provides reveals the nature and methods of attack. God is showing us the face of the enemy reflected in the pieces of His armor! This book will help you suit up, fight temptation and stand strong in your spiritual life.

The Book of Isaiah is very Rich with Metaphors and Similes, if you are in Love with them, or not; but, most Poor People are not: beCause the Metaphors are far too "Foggy" for them to Understand, which Means that they must Practice Reading all such Books, just to get a Good Understanding of them. At any rate, this Version of Isaiah is by far the Best in the World, and is Rated as "Extremely Good" by Well-Educated People. Therefore,

it is a "must read" Book, if anyone is Interested in Actually Understanding the Bible. Most People are not; but, that is not a Problem: because most People were not Born to be Masters. Indeed, most were Born to be Good Servants of Good Masters, which is Good: because the Masters are like the Head of the Body of Good Government, which Body must have many other Working Parts and Organs, just to Function Correctly as a Body. Therefore, do not let the Hands Despise the Eyes: beCause, what could the Hands Do without Eyes to Guide them, even if the Eyes belong to some other Person, who can See what is Needed. We suggest that Readers of this Inspired Book take their Sweet Time, and read only a few Chapters each Day, and do not attempt to read the entire Book during one Day, even though it will be Tempting to Finish it, quickly, just to Discover those Precious Parts that make it so Famous and Controversial among Religious Scholars, some of whom are very Perplexed by it: because no one can Rightly Deny that God, himself, is Speaking through "Isaiah," who may have been Reincarnated! Indeed, there is the Possibility of it; but, do not let that "Buck you Out of the Saddle," as a Cowboy might say. Remember that this is a Companion Book of: "The New MAGNIFIED Version of The Book of MOORMUN!" (The Story of the White and Dark Indians in the Americas!), Book 040, which is perhaps the Best Modern Book in the whole World! Yes, unlike the Mutilated Bible, the Book of Mormon is much more Understandable, being "a New Revelation from God," you might say; but, it is nothing quite as Enlightening as the New MAGNIFIED Version, which most Definitely contains New Revelations from the Supreme Ruler of this Heaven and Earth.

Therefore, do not let the Sun Set on another Day of Deprivation; but, PLEASE, for your own Sake, Educate yourself with all such Good Books: beCause that is True Wisdom on your part, which will make you Glad that you did. Guaranteed!
