Essentials of Christian Theology
InterVarsity Press
Are you intimidated by theology?
Confused? Bored? Michael Jinkins knows
it doesn't have to be that way. "Theology
is our critical and prayerful reflection on
the totality of life," he writes. "We all do
theology on a regular basis, whether or

not we are conscious of the fact." In
Invitation to Theology Jinkins offers a
knowledgeable, helpful and caring guide
to walk you through the basics of the
Christian faith. Following the pattern of
the ancient summary of the Christian
faith, the Apostles' Creed, Jinkins
highlights the key doctrines of God,
Jesus Christ, the Holy Spirit, humanity,
church, salvation and resurrection. He
cuts a clear path through theological
terms, traditions and debates. And in the

spirit of C. S. Lewis, he invites you to consider some of the most profound reflections--from the distant past to the present day--on Christian belief.

Throughout this fascinating journey, the main road is always kept in view: "The meaning and shape of our life together as a community of persons is grounded in the inner life of God, the Trinity, and has been revealed to us in the life, death and resurrection of Jesus Christ." If you are eager to think about your faith, to examine what and why you believe and to reflect on how such faith can be lived out in our world, *Invitation to Theology* is the book for you.

Many Voices, One God InterVarsity Press
The first Encyclopedia of Commercial Real Estate
The Encyclopedia of Commercial Real Estate Advice covers

everything anyone would ever need to know from A - Z on the subject. The 500+ entries inside not only have hard-hitting advice, but many share enlightening stories from the author's experience working on hundreds of deals. This book pulls off making the subjects enjoyable, interesting, and easy to understand. As a bonus, there are 136 time and money savings tips, many of which could save or make you 6 figures or more. Some of the questions this informative guidebook will answer for you are: How to Buy Foreclosed Commercial Properties at a Discount at Auctions Guidelines for Getting Started in Commercial Real Estate and Choosing Low-Risk Properties How to Value a Property in 15 Minutes How to Fake it Until You Make it When Raising Investors

Should You Hold, Sell, 1031 Exchange, or Cash-Out Refinance? [Anti-Intellectualism in American Life](#)
Mercer University Press
Winner of the 1964 Pulitzer Prize in

Nonfiction Anti-Intellectualism in American Life is a book which throws light on many features of the American character. Its concern is not merely to portray the scorners of intellect in American life, but to say something about what the intellectual is, and can be, as a force in a democratic society. "As Mr. Hofstadter unfolds the fascinating story, it is no crude battle of eggheads and fatheads. It is a rich, complex, shifting picture of the life of the mind in a society dominated by the ideal of practical success." —Robert Peel in the Christian Science Monitor

ALWAYS BEING REFORMED

Wm. B. Eerdmans Publishing
The doctrine of God is the foundation of Christian theology and the prerequisite

of all true faith. This translation provides, in the words of Hendriksen, 'a spiritual treat' for the serious reader.

SACRED SCRIPTURE, SACRED WAR

Westminster John Knox Press

You might be surprised to find that God is not a trinity. The Trinity is one of mainstream Christianity's most widely accepted and revered doctrines held by millions of Catholics, Protestants and Orthodox believers. The belief that God is three persons—the Father, Son and Holy Spirit—coexisting in one being is how the trinity doctrine is often defined. But the word trinity appears nowhere within the pages of the Bible. You can not cling to long-held religious traditions if they contradict the Scriptures. Your beliefs must rest solidly on the teachings

of the Holy Bible. This Bible Study aid, "Is God a Trinity?", goes into great detail explaining the non-biblical origins of the trinity and how this false gospel replaced the true teachings of Jesus Christ.

Discover how the Bible communicates a true picture of God and learn about the awesome plan He has promised for you and all mankind. Chapters in this ebook:
 -- Is the Trinity Biblical? -- The Surprising Origins of the Trinity Doctrine -- Greek Philosophy's Influence on the Trinity Doctrine -- How Ancient Trinitarian Gods Influenced Adoption of the Trinity -- A Spurious Reference to the Trinity Added in 1 John 5:7-8 -- How Is God Revealed in the Bible? -- Jesus Was Sent by the Father -- Jesus Christ: "The Rock" of the Old Testament -- The Apostles Understood Jesus to Be the Creator -- Did

Jesus Christ Claim to Be God? -- "In the Beginning Was the Word" -- The Claim of Jesus' Disciples -- "There Is One God, the Father...and One Lord, Jesus Christ" -- God's Plan to "Bring Many Sons to Glory" -- Jesus Christ's Submission to the Father -- How Is God One? -- "The Lord Our God, the Lord Is One" -- Seven Scriptures That Debunk the Trinity as a Single Being -- Elohim: The Plurality of God -- Is the Holy Spirit a Person? -- Does Matthew 28:19 Prove the Trinity? -- Why the Holy Spirit Is Sometimes Incorrectly Referred to as "He" and "Him" -- What About Passages That "Prove" the Trinity? -- The Holy Spirit: God's Transforming Power -- How to Stir Up God's Spirit -- God's Nature and Character -- God's Purpose for You -- The Likeness of God -- Do Some Verses Deny a Divine Family? -- The God Family

Inside this Bible Study Aid ebook: "Most people assume that everything that bears the label "Christian" must have originated with Jesus Christ and His early followers. But this is definitely not the case." "Many historians and religious scholars, some quoted in this publication, attest to the influence of Greek or Platonic philosophy in the development and acceptance of the Trinity doctrine in the fourth century." God the Father is the One who calls us to baptism and a new way of life (John 6:44, 65), and it is His goodness that leads us to repentance and baptism (Romans 2:4). "As even the New Catholic Encyclopedia, quoted from earlier, acknowledges: "The majority of New Testament texts reveal God's spirit as something, not someone; this is

especially seen in the parallelism between the spirit and the power of God..."

Christian Doctrine Wm. B. Eerdmans Publishing

Christianity: A Biblical, Historical, and Theological, Guide for Students is a mutual effort by Kathy Lopez, Don Penny, Glenn Jonas, and Adam English, the faculty of the Religion department at Campbell University. --

Always Being Reformed: Faith for a Fragmented World Westminster John Knox Press

How to Lead When You Don't Know Where You're Going is a book of hope for weary leaders in danger of defining ministry in terms of failure or loss. This book does not attempt to describe where the church is headed; rather, it helps

leaders stand firm in a disoriented state, learning from their mistakes and leading despite the confusion.

HOW THE CHURCH FAILS BUSINESSPEOPLE (AND WHAT CAN BE DONE ABOUT IT)

Wipf and Stock Publishers

In 2004 on Palm Island, an Aboriginal settlement in the "Deep North" of Australia, a thirty-six-year-old man named Cameron Doomadgee was arrested for swearing at a white police officer. Forty minutes later he was dead in the jailhouse. The police claimed he'd tripped on a step, but his liver was ruptured. The main suspect was Senior Sergeant Christopher Hurley, a charismatic cop with long experience in Aboriginal communities and decorations

for his work. Chloe Hooper was asked to write about the case by the pro bono lawyer who represented Cameron Doomadgee's family. He told her it would take a couple of weeks. She spent three years following Hurley's trail to some of the wildest and most remote parts of Australia, exploring Aboriginal myths and history and the roots of brutal chaos in the Palm Island community. Her stunning account goes to the heart of a struggle for power, revenge, and justice. Told in luminous detail, Tall Man is as urgent as *Bury My Heart at Wounded Knee* and *The Executioner's Song*. It is the story of two worlds clashing -- and a haunting moral puzzle that no reader will forget.

A CONCISE HISTORY OF CHRISTIAN DOCTRINE

Westminster John Knox Press

"Modern Reformed Theology In America Has shown astonishing variety in its expression. Grouped under the name "Reformed" are, in fact, five diverse traditions - the Princeton theology, Westminster Calvinism, the Dutch schools, Southern Reformed thought, and Neoorthodoxy. This book provides penetrating analysis of these five traditions and the two leading theologians of each. The result is an important advance in our understanding of what being Reformed has meant and what it should now mean in the late twentieth century." -- Publisher.
Diversity in Faith--Unity in Christ

Abingdon Press

Pluralism presents both promises and challenges for Christian theology in the next millennium. Here biblical scholars, religious ethicists, and theologians reflect on the meaning and abiding relevance of the Christian revelation for communities of faith and the life of the church.

THEOLOGY

InterVarsity Press

Winner of an Award of Merit in the Christianity Today Book Awards, History/Biography category On January 17, 1776, one week after Thomas Paine published his incendiary pamphlet Common Sense, Connecticut minister Samuel Sherwood preached an equally patriotic sermon. God Almighty, with all

the powers of heaven, are on our side, Sherwood said, voicing a sacred justification for war that Americans would invoke repeatedly throughout the struggle for independence. In Sacred Scripture, Sacred War, James Byrd offers the first comprehensive analysis of how American revolutionaries defended their patriotic convictions through scripture. Byrd shows that the Bible was a key text of the American Revolution. Indeed, many colonists saw the Bible as primarily a book about war. They viewed God as not merely sanctioning violence but actively participating in combat, playing a decisive role on the battlefield. When war came, preachers and patriots alike turned to scripture not only for solace but for exhortations to fight. Such scripture helped amateur soldiers

overcome their natural aversion to killing, conferred on those who died for the Revolution the halo of martyrdom, and gave Americans a sense of the divine providence of their cause. Many histories of the Revolution have noted the connection between religion and war, but *Sacred Scripture, Sacred War* is the first to provide a detailed analysis of specific biblical texts and how they were used, especially in making the patriotic case for war. Combing through more than 500 wartime sources, which include more than 17,000 biblical citations, Byrd shows precisely how the Bible shaped American war, and how war in turn shaped Americans' view of the Bible. Brilliantly researched and cogently argued, *Sacred Scripture, Sacred War* sheds new light on the American

Revolution.

Faith Seeking Understanding,

Fourth ed. Baker Publishing Group (MI)

Is it possible to maintain and defend Christian faithfulness and integrity in a pluralistic world without being arrogant, exclusive, intolerant, or irrelevant? Is it possible to be open to change, tolerant of difference, and relevant without compromising? Shirley Guthrie looks to the Reformed Confessions to answer these questions, ultimately arguing that though faithful to the Christian tradition, the Confessions are inherently adaptable.

Jesus the Pastor Abingdon Press

This classic work by Shirley Guthrie probes the important question: how can Christians maintain their identity in a pluralistic society without becoming

exclusive, intolerant, and irrelevant? Now, in this new edition, three distinguished theologians reflect on Guthrie's original question while commenting on and enlarging other key themes in Guthrie's work, including the Trinity and the church, world spirituality, and God's freedom. Together, these new essays add even more depth to Guthrie's profound reflections on how the Christian community can be an open, inclusive, and relevant community without losing its own authenticity.

John Calvin's Doctrine of the Christian Life Fortress Press

Why do so many Christians struggle to relate their faith to their daily work? In this book John C. Knapp argues that the church's ambiguous teachings about vocation, money, and business have

long contributed to Christians' uncertainty about discipleship in the workplace. Drawing on his own expertise in business ethics and numerous interviews with Christians in diverse occupations, Knapp offers a new theological framework for Christian life in the world of business.

Learning Jesus Christ through the Heidelberg Catechism Westminster John Knox Press

The trinity is the least understood and most important concept in the church. Yet many would just as soon jettison it in the interest of ecumenical unity. God in Three Persons defends the significance of a trinitarian definition and explains it in understandable terms.

[Readings in World Christian History: Earliest Christianity to 1453](#) Christian

Doctrine

CHRISTIAN DOCTRINE has introduced thousands to the tenets of the Christian faith. This newly revised edition reflects changes in the church and society and takes into account new works in Reformed theology, gender references in the Bible, racism, pluralism, ecological developments and liberation theologies.

Theology and Pastoral Counseling

Vintage

Christian Doctrine Westminster John Knox Press

Always Being Reformed, Second

Edition Wipf and Stock Publishers

This companion to "History of the World Christian Movement explores how varied and multi-cultural Christian origins and history really are.

Jonathan Edwards for Armchair

Theologians Westminster John Knox Press

This splendid introductory textbook for Christian theology presents two essays by leading scholars on each of the major theological questions. William Placher provides an excellent discussion of the history and current state of each doctrine while the essays explore the key elements and contemporary issues relating to these important theological concepts.

Invitation to Theology Westminster John Knox Press

In this thorough investigation of Calvinist doctrine, John Leith defines the Reformer's teaching on Christian life in the context of his theology. He begins with a discussion of what it means to say that the purpose of Christian life is the

glory of God. He then discusses Christian life in relation to four aspects of Calvinist thought: justification by faith alone; providence and predestination; history and the transhistorical; church and society. Leith's concluding statement summarizes the importance of this book. "Calvin's doctrine of the Christian life represents a magnificent effort to give expression to what it means to have to do with the living God every moment of one's life. No interpretation of the sola gloria Dei ["only God's glory"] has been more vivid and dynamic than Calvin's. For this reason he speaks to the needs of

this generation, which, at least until recently, has been more frequently concerned about the glory of humankind than that of God and which has fallen victim to many false gods and vicious ideologies. Yet if Calvinism is to render its full service to our day, it must be interpreted in the context of the shared faith of the total Christian community. On the basis of Calvin's own principles, no human statement of Christian faith can ever be final and must be continually reformed by the Christian community's apprehension of the word of God as revealed in Jesus Christ."
