Currently, there is a great misunderstanding about Islam among Muslims and non-Muslims globally. The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non-Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non-Muslims. Kitaaba Wal-Hikmata - IV Soul of the Qur'an

This book, Allah: Understanding God in Islam, apart from describing what Islam is, explains that all prophets sent by God, including Prophet Abraham, Prophet Moses, and Prophet Jesus (Jesus Christ), were Islams prophets too and that Muslims must believe in them. The book specifically informs readers that Allah is the same God of every human being of any race, culture, or religion. The book delves into the messages of the Quran, Islams Holy Book, to highlight the importance of knowing the true nature of God, called Allah in Islam. It points out that the proper knowledge of God would compel people to adhere to His commandments in having faith in Him and His practical guidance to acquire a close and rewarding relationship with Allah and His creations as well as with all human beings, who, though diversified in various nationalities and faiths, can be united in spirit and togetherness. The book also emphasises that following Allahs guidance with understanding would facilitate people to appreciate the natural gifts Allah has given to every person and so, instead of getting overwhelmed by ignorance and falling into the trap of hatred and hostility, enable them to live a happy, peaceful, and harmonious life.

Gateways to the Divine Simon and Schuster

Islam presents an astonishing situation as it rejects all except those totally committing their will and mind to Allah, Muhammad,

And The Qur'an, along with several other authority figures and traditions. The Bible accepts any and all who will come as humble sinners and seek the One God through the sacrifice of the Messiah of the Jews. This book is in total agreement with the Qur'an when the Qur'an says that most Jews and most Christians are evil, corrupt, and liars-by the standards of right and wrong found in the Qur'an that is. The alternative is also true and again in agreement with the Qur'an. Muslims do not and may not adhere To The teachings of the Bible, which results in being lost by biblical teachings. The simple truth of the Qur'an is that Jews and Christians do not follow the Allah of the Qur'an, except a few who become Muslim. Also true is that the Muslims do not follow the God of the Bible, except a few who accept Jesus. God of the Bible is not Allah of the Qur'an, and Allah of the Qur'an is not God of the Bible, by name, by description, by personality, by judgment, or by love. The Qur'an has its greatest error when it says it is the completion and continuation of biblical revelation. This is fully accepted by Muslims because they have been taught that the Bible is corrupted, not the true one, and they do not read the Bible.

Does Christianity have the power to change lives and keep believers on a righteous path? Does Islam have the answers? There is a collision of thought and deeds in todays world, a clash between faith and finance, between peaceful belief and violent fervor. In Conflict: Christianitys Love vs. Islams Submission, the captivating new book from Dr. Murl Edward Gwynn, deeply explores the contrasting tenets of Christianity and Islam and reveals how the worlds changing religious and spiritual realities impact just about everything we hold dear. Christians, especially those of us in the United States, have fallen asleep to the dangers to their faith and allowed material wealth to take precedence in their lives. Meanwhile, Islam, despite its practice of forced submission, has become the most populous and fastest-growing religion in the world. Dr. Gwynns clarion call seeks to awaken us to the vast differences between Christianity and Islam, not the least of which are the true identity of Jesus the Son, evangelism and salvation, and our relationship of oneness with God. Now, in this hour of greatest need, Christian believers must stand firm in true, faithful understanding of who they are in the eyes of God.

His unending love affair with us is our cornerstone, and by walking in the light of Jesus acceptance and forgiveness, we find true riches that will go with us into eternity; we find truth, strength, and freedom.

"You'll never be loved the way you are now, you never have been, you never will be." That's how Alex Kelly made Zohra Jaan feel, making her dance in the aisle with lascivious romance. But in the greatest essence, Zohra essentially felt like a woman with Alex. Perhaps, there is some truth in his commitment to marry Zohra with oodles of sugar lest it should sound a liable joke on her trust, integrity, and, moreover, her faith. In fact, you would feel exceptionally bemused hearing about this Italian-British handsome hunk Captain Alex Kelly genuinely loving an ordinary orthodox Indian Muslim damsel, Zohra Jaan.

God made the wearing of the Hijab scarf an obligation and instructed Muslim women to wear the head covering in the Holy Quran. So, wearing it is an act of righteousness and an act of obedience to Allah (God). A Muslim woman wears the Hijab to gain the pleasure of her Master. It is the core teaching of Islam that whatever God instructs one to do; it is always best for them to follow the instruction—whether one may understand the logic behind it or not. Islam stresses the relationship between the body and the mind. In covering her body, a Muslima woman shields her heart from spiritual impurities. A Muslimah woman wears the Hijab to uphold Islam's code of modesty. Islam's code of modesty extends to all aspects of one's life, including their dress and how they carry themselves. A Muslim's clothing is an outer manifestation of inner purity, beauty, and humility, as wearing the Hijab for women embodies moral conduct, character, manners, and speech.
