The dragons that have been kept in sanctuaries want their freedom—and their revenge—and the world's only hope is the reformation of the ancient order of Dragonwatch in this New York Times bestselling first novel of a new sequel series to Fablehaven from author Brandon Mull. In the hidden dragon sanctuary of Wyrmoost, Celebrant the Just, King of the Dragons, plots his revenge. He has long seen the sanctuaries

as prisons, and he wants nothing more than to overthrow his captors and return the world to the Age of Dragons, when he and his kind ruled and reigned without borders. The time has come to break free and reclaim his power. No one person is capable of stopping Celebrant and his dragon horde. It will take the ancient order of Dragonwatch to gather again if there is any chance of saving the world from destruction. In ancient times, Dragonwatch was a group of wizards, enchantresses, dragon slayers, and others who originally confined the majority of dragons into sanctuaries. But nearly all of the original Dragonwatch

members are gone, and so the wizard Agad reaches out to Grandpa Sorenson for help. As Kendra and Seth confront this new danger, they must draw upon all their skills, talents, and knowledge as only they have the ability to function together as a powerful dragon tamer. Together they must battle against forces with superior supernatural powers and breathtaking magical abilities. How will the epic dragon showdown end? Will dragons overthrow humans and change the world as we know it?

NOUS SOMMES LES GARDIENS DE LA GALAXIE

Simon and Schuster Oksa Pollock is a 13-year-old girl, moving with her family from Paris to a new life in London. Along with her best friend Gus, she is ready to settle into their new lives. But bizarre things start happening around Oksa. When she finds she has magical powers, the truth emerges: her family are not from this world, but from Edefia, having fled magical, hidden homeland years ago, in fear of all their lives. And Oksa is their queen.

Everlasting Simon and Schuster
The Heart of the World is a land in strife. For fifty years the Holy Empire of Mann, an

empire and religion born from a nihilistic urban cult, has been conquering nation after nation. Their leader, Holy Matriarch Sasheen, ruthlessly maintains control through her Diplomats, priests trained as subtle predators. Ash is a member of an elite group of assassins, the Roshun, who offer protection through the threat of vendetta. Forced by his ailing health to take on an apprentice, he chooses Nico, a young man living in the besieged city of Bar-Khos. At the time, Nico is hungry, desperate, and alone in a city that finds itself teetering on the brink. When the Holy Matriarch's son deliberately murders a woman under the protection of the Roshun; he forces the

sect to seek his life in retribution. As Ash and his young apprentice set out to fulfill the Roshun orders, their journey takes them into the heart of the conflict between the Empire and the Free Ports...into bloodshed and death. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Rogue Knight Farrar, Straus and Giroux
The Gods of Egypt, first published in France in 1992 and now in its third French edition, is a short, elegant, and highly accessible survey of ancient Egyptian religion. The clarity and brevity of Claude Traunecker's book make it especially valuable to readers seeking an authoritative introduction to this complex topic. The Cornell edition, the first English translation, is enhanced by 23 illustrations. Traunecker begins with an overview of the source materials and a

discussion of the historiography of Egyptian religion, a subject relatively neglected by scholars. He then describes the actual and metaphysical worlds inhabited by the Egyptian deities and the role that humans played in the Egyptian universe. Focusing especially on the diversity and number of approaches used by Egyptians to explain their world, *The Gods of Egypt* offers a succinct and highly readable presentation of recent interpretations of Egyptian religion.

Rarely has a young writer won a place among the major talents in fantasy fiction as quickly as James Clemens. In the first four novels of his breathtaking epic, *The Banned* and *the Banished*, Clemens has woven an ever-deepening spell of wonderment with his boundless imagination and matchless storytelling gifts. Now he brings his saga to a masterful and breathtaking climax as the wit'ch Elena faces the unmasked evil of the Dark Lord for the final time in a cataclysmic conclusion that will shatter her understanding of all

that has gone before. . . . The three deadly Weirgates are destroyed but the threat of the Dark Lord remains. And so Elena and her companions have gone their separate ways to prepare for what is yet to come. Elena herself has journeyed to the beautiful city of A'loa Glen, there to recover her strength and spirit. Enter Harlequin Quail. Some might call him a fool, but the little man in the jester's suit claims to be a spy. And he comes fresh from the foul fortress of Blackhall itself, where the Dark Lord dwells. There he uncovered things that spell certain doom- for a final Weirgate remains, the most potent one of all. And with it, in just one moon's time, the Dark Lord will avenge

his earlier defeat, destroying the heart of the land and ushering in a reign of evil without end. Only Elena, with the awesome magicks of the Blood Diary, has the power to stop him. Blackhall is all but impregnable. And according to Quail, the Weirgate is well hidden, in a place known only to the Dark Lord himself. Thus begins a desperate quest like no other. Hunted by the Dark Lord's minions and threatened by clandestine betrayals, Elena and her brave companions reunite in the effort to locate the last Weirgate and destroy it. Along the way, many questions will be answered and illusions will be smashed. Brother will turn against brother,

and the strongest bonds of magic and love will be tested to the breaking point . . . and beyond.

When Claudia Hodges-Bradley meets a fox, she knows it will be an extraordinary day. Not just any fox, this vixen is the magical familiar of the sorceress Morgana Shee. For years, Morgana has guarded the solitary gate between Earth and the Wildworld, a shimmering parallel universe where legends still live. She alone holds the secret of the mirrors that serve as the last surviving passage to enchantment. But Morgana has been betrayed and imprisoned in the Wildworld, and the fox

is determined to recruit Claudia and her siblings for the rescue mission. Armed only with courage and determination, Alys, Charles, Jane and Claudia must save Morgana before the winter solstice, when evil sorcerer Cadel Forge plans to escape the Wildworld and conquer Earth. And with December 21st only 2 weeks away, there is no time to lose...
