WITNESSING WHITENESS

Harper Collins

The purpose of this special issue is to present several research perspectives on learning trajectories with the intention of encouraging the broader community to reflect on, better define, adopt, adapt, or challenge the concept. The issue begins by briefly introducing learning trajectories. The remaining articles provide elaboration, examples, and discussion of the construct. They purposefully are intended to be illustrative, exploratory, and provocative with regard to learning trajectories construct; they are not a set of verification studies.

Billy Budd, Sailor and Other Stories iUniverse

'And when I shall die, Take him and cut him out in little stars.' This collection of Shakespeare's soliloquies, including both old favourites and lesser-known pieces, shows him at his dazzling best. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.

New Essays on Billy Budd □□□□□□□□□□□□□□□□

This Norton Critical Edition presents three of Melville's most important short novels -- Bartleby, The Scrivener; Benito Cereno; and Billy Budd. The

texts are accompanied by ample explanatory annotation. As his writing reflects, Melville was extraordinarily well read. "Contexts" offers selections from works that influenced Melville's writing of these three short novles, including, among others, Ralph Waldo Emerson's "The Transcendentalist" and Amasa Delano's Narrative of Voyages and Travels. Johannes Dietrich Bergmann, H. Bruce Franklin, and Robert M. Cover provide overviews of Melville's probable sources. An unusually rich "Criticism" section includes twenty-eight wide-ranging pieces that often contradict one another and that are sure to promote classroom discussion. Book jacket.

The Desire for Mutual Recognition Princeton University Press

Winner of the Pulitzer Prize for Drama, 1982 A black sergeant cries out in the night, "They still hate you," then is shot twice and falls dead. Set in 1944 at Fort Neal, a segregated army camp in Louisiana, Charles Fuller's forceful drama--which has been regularly seen in both its original stage and its later screen version starring Denzel Washington--tracks the investigation of this murder. But A Soldier's Play is more than a detective story: it is a tough, incisive exploration of racial tensions and ambiguities among blacks and between blacks and whites that gives no easy answers and assigns no simple blame.

ZOOMAN AND THE SIGN

Bantam

BILLY BUDD by Herman Melville CHAPTER 1 IN THE time before steamships, or then more frequently than now, a stroller along the docks of any considerable sea-port would occasionally have his attention arrested by a group of bronzed mariners, man-of-war's men or merchant-sailors in holiday attire ashore on liberty. In certain instances they would flank, or, like a body-guard quite surround some superior figure of their own class, moving

along with them like Aldebaran among the lesser lights of his constellation. That signal object was the "Handsome Sailor" of the less prosaic time alike of the military and merchant navies. With no perceptible trace of the vainglorious about him, rather with the off-hand unaffectedness of natural regality, he seemed to accept the spontaneous homage of his shipmates. A somewhat remarkable instance recurs to me. In Liverpool, now half a century ago, I saw under the shadow of the great dingy street-wall of Prince's Dock (an obstruction long since removed) a common sailor, so intensely black that he must needs have been a native African of the unadulterate blood of Ham. A symmetric figure much above the average height. The two ends of a gay silk handkerchief thrown loose about the neck danced upon the displayed ebony of his chest; in his ears were big hoops of gold, and a Scotch Highland bonnet with a tartan band set off his shapely head. It was a hot noon in July; and his face, lustrous with perspiration, beamed with barbaric good humor. In jovial sallies right and left, his white teeth flashing into he rollicked along, the centre of a company of his shipmates. These were made up of such an assortment of tribes and complexions as would have well fitted them to be marched up by Anacharsis Cloots before the bar of the first French Assembly as Representatives of the Human Race. At each spontaneous tribute rendered by the wayfarers to this black pagod of a fellow- the tribute of a pause and stare, and less frequent an exclamation,- the motley retinue showed that they took that sort of pride in the evoker of it which the Assyrian priests doubtless showed for their grand sculptured Bull when the faithful prostrated themselves. To return. If in some cases a bit of a nautical Murat in setting forth his person ashore, the Handsome Sailor of the period in question evinced nothing of the dandified Billy-be-Damn, an amusing character all but extinct now, but occasionally to be encountered, and in a form yet more amusing than the original, at the tiller of the boats on the tempestuous Erie Canal or, more likely, vapping in the grogeries along the tow-path. Invariably a proficient in his perilous calling, he was also more or less of a mighty boxer or wrestler. It was strength and beauty. Tales of his prowess were recited. Ashore he was the champion; afloat the spokesman; on every suitable occasion always foremost. Close-reefing top-sails in a gale, there he was, astride the weather yard-arm-end, foot in the Flemish horse as "stirrup," both hands tugging at the "earring" as at a bridle, in very much the attitude of young Alexander curbing the fiery Bucephalus. A superb figure, tossed up as by the horns of Taurus against the thunderous sky, cheerily hallooing to the strenuous file along the spar. The moral nature was seldom out of keeping with the physical make. Indeed, except as toned by the former, the comeliness and power, always attractive in masculine conjunction, hardly could have drawn the sort of honest homage the Handsome Sailor in some examples received from his less gifted associates.

I and My Chimney Macmillan Reference USA

Melville's long poem Clarel: A Poem and Pilgrimage in the Holy Land (1876) was the last full-length book he published. Until the mid-twentieth century even the most partisan of Melville's advocates hesitated to endure a four-part poem of 150 cantos of almost 18,000 lines, about a naïve American named Clarel, on pilgrimage through the Palestinian ruins with a provocative cluster of companions. But modern critics have found Clarel a much better poem than was ever realized. Robert Penn Warren called it a precursor of *The Waste Land*. It abounds with revelations of Melville's inner life. Most strikingly, it is argued that the character Vine is a portrait of Melville's friend Hawthorne. Based on the only edition published during Melville's lifetime, this scholarly edition adopts thirty-nine corrections from a copy marked by Melville and incorporates 154 emendations by the present editors, an also includes a section of related documents and extensive discussions. This scholarly edition is an Approved Text of the Center for Editions of American Authors (Modern Language Association of America).

The Piazza Graphic Arts Books

Thomas Paine wrote the first part of *The Rights of Man* in 1791 as a response to the furious attack on the French Revolution by the British parliamentarian Edmund Burke in his pamphlet *Reflections on the Revolution in France*, published the previous year. Paine carefully dissects and counters Burke's arguments and provides a more accurate description of the events surrounding the revolution of 1789. He then reproduces and comments on the "Declaration of the Rights of Man and of Citizens" promulgated by the National Assembly of France. The manuscript of *The Rights of Man* was placed with the publisher Joseph Johnson, but that publisher was threatened with legal action by the British Government. Paine then gave the work to another publisher, J. S. Jordan, and on the advice of William Blake, Paine went to France to be out of the way of possible arrest in Britain. *The Rights of Man* was published in March 1791, and was an immediate success with the British public, selling nearly a million copies. A second part of the book, subtitled "Combining Principle and Practice," was published in February 1792. It puts forward practical proposals for the establishment of republican government in countries like Britain. *The Rights of Man* had a major impact, leading to the establishment of a number of reform societies. After the publication of the second part of the book, Paine and his publisher were charged with seditious libel, and Paine was eventually forced to leave Britain and flee to France. Today *The Rights of Man* is considered a classic of political writing and philosophy. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

HERMAN MELVILLE, BILLY BUDD

Gale Cengage Learning

The Desire for Mutual Recognition is a work of accessible social theory that seeks to make visible the desire for authentic social connection, emanating from our social nature, that animates all human relationships. Using a social-phenomenological method that illuminates rather than explains social life, Peter Gabel shows how the legacy of social alienation that we have inherited from prior generations envelops us in a milieu of a "fear of the other," a fear of each other. Yet because social reality is always co-constituted by the desire for authentic connection and genuine co-

presence, social transformation always remains possible, and liberatory social movements are always emerging and providing us with a permanent source of hope. The great progressive social movements for workers' rights, civil rights, and women's and gay liberation, generated their transformative power from their capacity to transcend the reciprocal isolation that otherwise separates us. These movements at their best actually realize our fundamental longing for mutual recognition, and for that very reason they can generate immense social change and bend the moral arc of the universe toward justice. Gabel examines the struggle between desire and alienation as it unfolds across our social world, calling for a new social-spiritual activism that can go beyond the limitations of existing progressive theory and action, intentionally foster and sustain our capacity to heal what separates us, and inspire a new kind of social movement that can transform the world.

Omoo: Adventures in the South Seas (Annotated Edition) Macmillan

Seven stories deal with a slave rebellion, an obstinate copyist, an accidental murder, a voyage to the Galapagos Islands, and a bachelors' dinner party *Is This a Dagger Which I See Before Me?* Harper Collins

One of the preeminent authors of the early twentieth century, Susan Glaspell (1876–1948) produced fourteen ground-breaking plays, nine novels, and more than fifty short stories. Her work was popular and critically acclaimed during her lifetime, with her novels appearing on best-seller lists and her stories published in major magazines and in *The Best American Short Stories*. Many of her short works display her remarkable abilities as a humorist, satirizing cultural conventions and the narrowness of small-town life. And yet they also evoke serious questions—relevant as much today as during Glaspell's lifetime—about society's values and priorities and about the individual search for self-fulfillment. While the classic "A Jury of Her Peers" has been widely anthologized in the last several decades, the other stories Glaspell wrote between 1915 and 1925 have not been available since their original appearance. This new collection reprints "A Jury of Her Peers"—restoring its original ending—and brings to light eleven other outstanding stories, offering modern readers the chance to appreciate the full range of Glaspell's literary skills. Glaspell was part of a generation of midwestern writers and artists, including Sherwood Anderson, Sinclair Lewis, Willa Cather, and F. Scott Fitzgerald, who migrated first to Chicago and then east to New York. Like these other writers, she retained a deep love for and a deep ambivalence about her native region. She parodied its provincialism and narrow-mindedness, but she also celebrated its pioneering and agricultural traditions and its unpretentious values. Witty, gently humorous, satiric, provocative, and moving, the stories in this timely collection run the gamut from acerbic to laugh-out-loud funny to thought-provoking. In addition, at least five of them provide background to and thematic comparisons with Glaspell's innovative plays that will be useful to dramatic teachers, students, and producers. With its thoughtful introduction by two widely published Glaspell scholars, *Her America* marks an important contribution to the ongoing critical and scholarly efforts to return Glaspell to her former preeminence as a major writer. The universality and relevance of her work to political and social issues that continue to preoccupy American discourse—free speech, ethics, civic justice, immigration, adoption, and gender—establish her as a direct descendant of the American tradition of short fiction derived from Hawthorne, Poe, and Twain.

Hypothetical Learning Trajectories BILLY BUDD

A thoroughly revised and expanded edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes and contexts, that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. How to Read Literature Like a Professor helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader, the college professor. What does it mean when a literary hero is traveling along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower-and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface and epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

Her America Jazzybee Verlag

"Zooman" is black teen in Philadelphia who senselessly terrorizes his community wit hour regard to race. His most recent crime is killing a 12 year-old girl on a street filled with witnesses, all of who are afraid to talk.The dead girl's father posts a sign accusing the entire community of cowardice in the face of the ever escalating violence." -- Cover [p. 4].

The Dead Father Northwestern University Press

This is the extended and annotated edition including an extensive biographical annotation about the author and his life. *Omoo: A Narrative of the South Seas* (pronounced OH-moo) is Herman Melville's sequel to *Typee*, and, as such, was also autobiographical. After leaving Nuku Hiva, the main character ships aboard a whaling vessel which makes its way to Tahiti, after which there is a mutiny and the majority of the crew are imprisoned on Tahiti. The book follows the actions of the narrator as he explores Tahiti and remarks on their customs and way of life. (from wikipedia.com)

Great Short Works of Herman Melville BoD – Books on Demand

Short stories and a novella from one of crime fiction's most revered writers. Whether they're cops or conmen, savage killers or creative types, gangsters or God-fearing citizens, George Pelecanos' characters are always engaged in a fight for their lives. They fight to advance or simply to survive; they fight against odds, against enemies, even against themselves. In this, his first collection of stories, the acclaimed novelist introduces readers to a vivid and eclectic cast of combatants. A seasoned claims investigator tracks a supposedly dead man from Miami to Brazil, only to be

thrown off his game by a kid from the local slum. An aging loser takes a last stab at respectability by becoming a police informant. A Greek-American couple adopts an interracial trio of sons and then struggles to keep their family together, giving us a stirring bit of background on one of Pelecanos' most beloved protagonists, Spero Lucas. In the title novella - which takes its name from Hollywood slang for the last shot of the day, the one that comes before the liquor shots begin - we go behind the scenes of a television cop show, where a writer gets caught up in a drama more real than anything he could have conjured for a script. By turns heartbreaking and humane, brutal and funny, these finely constructed tales expose the violence and striving beneath the surface of any city and within any human heart. Tough, sexy, fast-paced, and crackling with energy, *The Martini Shot* is Pelecanos at his very best.

Directory of Associate Members Cambridge University Press

First published in 1938, this book presents a selection from the papers of Nicholas Ferrar (1592-1637), intended to provide a detailed illustration of 'the life and work of a saint of the Church of England'. The text keeps as much as possible to the spelling and punctuation of the original manuscripts and editorial notes are kept to a minimum. Illustrative figures and an introduction are included, together with a bibliography and genealogy. This book will be of value to anyone with an interest in the writings of Ferrar, Anglicanism and British history.

Clarel Little, Brown

"Challenging assumptions around Sixties stardom, the book focuses on creative collaboration and the contribution of production personnel beyond the director, and discusses how cultural change is reflected in both film style and cinematic themes."--Publisher description.

BILLY BUDD Samuel French, Inc.

In this radical reinterpretation, Mr. Thompson argues that Melville, seeking to disguise his agonized conviction of the cruelty and malice of God, consistently satirized Christian doctrine. He endeavors to show that Melville resorted to literary deceptions that could simultaneously hoodwink and satirize the point of view of his orthodox readers. This bold challenge to the conventional interpretation of Melville is brilliantly presented and fully supported by external and internal evidence in such a way as to reveal a sinister intent in all of the major narratives from *Typee* through *Billy Budd*. Originally published in 1952. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
