Mimi Thi Nguyen
examines the self-
interested claims of the

United States to provide
freedom to others, even
as it does so by
generating violence and
displacement through
overpowering warfare.
The Gift Simon and
Schuster
'Her feelings for the child

redeemed her from
bitterness, and shed some
light on the dark industrial
terraces and the waste
lands of the city's rubble.'
One of the most
acclaimed novelists of her
generation, Margaret
Drabble is an unmatched

observer of postwar English lives, portraying social change, sexual liberation, landscape, class and the messy complications of human relationships with intricacy and honesty. In these two stories of lives colliding, a mother buying a birthday gift has her dreams destroyed, and a honeymoon leads to an unexpected epiphany. This book contains *The Gifts of War* and *Hassan's Tower*.

The Transnational History of a Political Idea Tor Books

Four novellas set in the world of the acclaimed and hugely successful *Ender* series, by bestselling author Orson Scott Card.

Gifts from the Enemy Del Rey

As the orphaned niece of a cruel lord, Briand is the scapegoat of the castle. She has few friends and even fewer options, and every day is a struggle to stay ahead of trouble caused by malicious guards and irritable castle servants. Briand is set to be banished to the wildlands, a death

sentence, when she when she accidentally unlocks a hidden power and involves herself in a rebel plot and her life abruptly changes. Imprisoned in the company of a band of rebels, Briand must do what seems impossible: call up sleeping dragons in the north. But the fearsome Prince's assassins called Seekers are looking for her, Briand doesn't know if she can trust the mysterious, enigmatic rebel leader Kael, and there might be a traitor in the rebels' midst.

Ender in Exile Diversion Books

From Orson Scott Card, award-winning and bestselling author of Ender's Game, his first solo Enderverse novel in years. Children of the Fleet is a new angle on Card's bestselling series, telling the story of the Fleet in space, parallel to the story on Earth told in the Ender's Shadow series. Ender Wiggin won the Third Formic war, ending the alien threat to Earth. Afterwards, all the terraformed Formic worlds were open to settlement

by humans, and the International Fleet became the arm of the Ministry of Colonization, run by Hiram Graff. MinCol now runs Fleet School on the old Battle School station, and still recruits very smart kids to train as leaders of colony ships, and colonies. Dabeet Ochoa is a very smart kid. Top of his class in every school. But he doesn't think he has a chance at Fleet School, because he has no connections to the Fleet. That he knows of. At least until the day that Colonel

Graff arrives at his school for an interview. THE ENDER UNIVERSE Ender series Ender's Game / Speaker for the Dead / Xenocide / Children of the Mind / Ender in Exile / Children of the Fleet Ender's Shadow series Ender's Shadow / Shadow of the Hegemon / Shadow Puppets / Shadow of the Giant / Shadows in Flight The First Formic War (with Aaron Johnston) Earth Unaware / Earth Afire / Earth Awakens The Second Formic War (with Aaron Johnston) The Swarm / The Hive Ender

The Authorized Ender Companion

New York Review of Books
 "Civic Gifts traces how practices of reciprocity and organized mass benevolence-that is, philanthropy-have contributed to the development of novel forms of national solidarity and impressive governing capacities in

the United States, contributing even to a famously anti-statist political culture. Sociologist Elisabeth Clemens paints a picture of the US, whether as nation or as state, as a puzzle. How, she asks, did a sense of shared nationhood develop despite the linguistic, religious, and ethnic differences among the settlers? How did a global power emerge from an often anti-statist political culture? How did some version of this collective identity come to be

articulated with organized governance? With *Civic Gifts*, Clemens reveals that an important piece of the answer to these questions can be found in the unexpected political uses of philanthropy and the power of gifts to mobilize communities and to create solidarity among strangers"--

Tor Books

The Authorized Ender Companion is a complete and in-depth encyclopedia of all the persons, places, things and events in Orson Scott Card's Ender Universe. Written by Jake Black under the editorial supervision of Card himself, The Authorized Ender Companion will be an invaluable resource for readers of the series. If you ever wondered where Ender went after he left Earth, before he arrived at Lusitania, you'll find the answer here. If you ever wondered how the battle room worked, you'll find

the answer here. If you forgot the names of the people were who discovered the descolada, the answer is here. The history of Gloriously Bright's world? Here. The Authorized Ender Companion contains all that and more. There are character biographies, time-lines, colony histories, and family trees. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. [A Gift Upon the Shore](#) Scribner

How do we read William Faulkner in the twenty-first century? asks Michael Gorra, in this reconsideration of Faulkner's life and legacy. William Faulkner, one of America's most iconic writers, is an author who defies easy interpretation. Born in 1897 in Mississippi, Faulkner wrote such classic novels as Absalom, Absalom! and The Sound and The Fury, creating in Yoknapatawpha county one of the most memorable gallery of characters ever

assembled in American literature. Yet, as acclaimed literary critic Michael Gorra explains, Faulkner has sustained justified criticism for his failures of racial nuance—his ventriloquism of black characters and his rendering of race relations in a largely unreconstructed South—demanding that we reevaluate the Nobel laureate’s life and legacy in the twenty-first century, as we reexamine the junctures of race and literature in works that once rested firmly in the

American canon. Interweaving biography, literary criticism, and rich travelogue, *The Saddest Words* argues that even despite these contradictions—and perhaps because of them—William Faulkner still needs to be read, and even more, remains central to understanding the contradictions inherent in the American experience itself. Evoking Faulkner’s biography and his literary characters, Gorra illuminates what Faulkner maintained was “the South’s curse and its

separate destiny,” a class and racial system built on slavery that was devastated during the Civil War and was reimagined thereafter through the South’s revanchism. Driven by currents of violence, a “Lost Cause” romanticism not only defined Faulkner’s twentieth century but now even our own age. Through Gorra’s critical lens, Faulkner’s mythic Yoknapatawpha County comes alive as his imagined land finds itself entwined in America’s history, the characters

wrestling with the ghosts of a past that refuses to stay buried, stuck in an unending cycle between those two saddest words, “was” and “again.” Upending previous critical traditions, *The Saddest Words* returns Faulkner to his sociopolitical context, revealing the civil war within him and proving that “the real war lies not only in the physical combat, but also in the war after the war, the war over its memory and meaning.” Filled with vignettes of Civil War battles and generals, vivid

scenes from Gorra’s travels through the South—including Faulkner’s Oxford, Mississippi—and commentaries on Faulkner’s fiction, *The Saddest Words* is a mesmerizing work of literary thought that recontextualizes Faulkner in light of the most plangent cultural issues facing America today.

WAR OF GIFTS

Tor Books
Starting with the premise that the work of art is a gift and not a commodity,

this revolutionary book ranges across anthropology, literature, economics, and psychology to show how the 'commerce of the creative spirit' functions in the lives of artists and in culture as a whole.

The Second Formic War (Volume 1)

Macmillan
In the tradition of celebrated wartime storytellers Somerset Maugham and Graham Greene, Tan Twan Eng's debut novel casts a powerful spell. The recipient of extraordinary acclaim from critics and

the bookselling community, Tan Twan Eng's debut novel casts a powerful spell and has garnered comparisons to celebrated wartime storytellers Somerset Maugham and Graham Greene. Set during the tumult of World War II, on the lush Malayan island of Penang, *The Gift of Rain* tells a riveting and poignant tale about a young man caught in the tangle of wartime loyalties and deceptions. In 1939, sixteen-year-old Philip Hutton—the half-Chinese, half-English youngest

child of the head of one of Penang's great trading families—feels alienated from both the Chinese and British communities. He at last discovers a sense of belonging in his unexpected friendship with Hayato Endo, a Japanese diplomat. Philip proudly shows his new friend around his adored island, and in return Endo teaches him about Japanese language and culture and trains him in the art and discipline of aikido. But such knowledge comes at a terrible price. When the

Japanese savagely invade Malaya, Philip realizes that his mentor and sensei—to whom he owes absolute loyalty—is a Japanese spy. Young Philip has been an unwitting traitor, and must now work in secret to save as many lives as possible, even as his own family is brought to its knees.

The Hive Tor Books Examines gift exchanges as a foundational notion both in anthropology and in debates about international economic governance. This title is

also available as Open Access on Cambridge Core.

A Novel Cambridge University Press

'Searingly honest...

gripping... fascinating and hugely entertaining.'

Sunday Times 'Justin is a great broadcaster because he sounds like a real human being. This hugely entertaining book helps explain why'. John Humphrys 'Moving and frank ... A story of a childhood defined by loneliness, the absence of a father and the grim experience of a Quaker

boarding school. It is also one of the most perceptive accounts of Britain in the 1970s.'

Misha Glenny

.....

Justin Webb's childhood was far from ordinary. Between his mother's undiagnosed psychological problems, and his step-father's untreated ones, life at home was dysfunctional at best. But with gun-wielding school masters and sub-standard living conditions, Quaker boarding school wasn't much better. And the backdrop to this coming

of age story? Britain in the 1970s. Led Zeppelin, Janis Joplin and Free. Strikes, inflation and IRA bombings. A time in which attitudes towards mental illness, parenting and masculinity were worlds apart from the attitudes we have today. A society that believed itself to be close to the edge of breakdown. Candid, unsparing and darkly funny, Justin Webb's memoir is a portrait of personal and national dysfunction. So was it the brutal experiences of his upbringing, or an innate

ambition and drive that somehow survived them, that shaped the urbane and successful radio presenter we know and love now?

A Classic Fantasy with a Modern Twist Tor Books

From the #1 New York Times bestseller *At the Battle School*, there is only one course of study: the strategy and tactics of war. Humanity is fighting an alien race, and we fight as one. Students are drawn from all nations, all races, all religions, taken from their families as children. There is no room

for cultural differences, no room for religious observances, and there is certainly no room for Santa Claus. But the young warriors disagree. When Dink Meeker leaves a Sinterklaas Day gift in another Dutch student's shoe, that quiet act of rebellion becomes the first shot in a war of wills that the staff of the Battle School never bargained for. Orson Scott Card's novel *Ender's Game* is the basis of the hit movie of the same name.

A CHRISTMAS TALE

Penguin UK
 Founder of the phenomenon social media account PreachersNSneakers tackles how faith, capitalism, consumerism, and (wannabe) celebrity have collided and asks both believers and nonbelievers alike: how much is too much? What started as a joke account on Instagram has turned into a movement. Through this provocative project, the founder of PreachersNSneakers is

helping thousands of Jesus followers wrestle with the inevitable dilemmas created by our Western culture obsessed with image and entertainment. In *PreachersNSneakers: Authenticity in an Age of For-Profit Faith and (Wannabe) Celebrities*, Ben Kirby approaches many of the difficult questions plaguing countless Christians' minds, presenting experiences and input from both sides of difficult questions, such as: Should pastors grow wealthy off

of religion, and can their churches ever be too large? Do we really believe that divine blessings are monetary, or is that just religious wallpaper to hide our own greed? Is there space in Christendom for celebrities like Kanye and Bieber to exist without distorting the good news? What about this: Is it wrong for someone—even wrong for author Ben Kirby—to call out faith leaders online and leverage “cancel culture” to affect change? *PreachersNSneakers* will

navigate these challenging questions and many more with humor, wit, candor, and a few never-before-published hijinks. Each chapter will explore the various sides of the debate, holding space for us to make up our own minds. This book is not about finding the perfect, “right” way to do something, but instead learning how to articulate what we believe, why we believe it, and what to do when we want to stand up against cultural norms. This book will doubtlessly become a staple for

church small groups, college ministries, and book clubs, emboldening struggling believers who want to live a more genuine faith. After all, the Lord works in mysterious colorways.

An Ender Story Graywolf Press

A provocative collection of short fiction, edited by one of science fiction's best-known names. Of particular interest in *Future on Fire* are several stories from the cyberpunk school, as well as Pat Murphy's Nebula award-winning "Rachel in

Love" and Ursula K. Le Guin's wonderful "Buffalo Gals, Won't You Come Out Tonight." "Card's selections are excellent and include an interesting range of approaches to science fiction."--School Library Journal At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Three Stories from the Enderverse Subterranean After twenty-three years, Orson Scott Card returns to his acclaimed best-selling series with the first

true, direct sequel to the classic *Ender's Game*. In *Ender's Game*, the world's most gifted children were taken from their families and sent to an elite training school. At Battle School, they learned combat, strategy, and secret intelligence to fight a dangerous war on behalf of those left on Earth. But they also learned some important and less definable lessons about life. After the life-changing events of those years, these children—now teenagers—must leave

the school and readapt to life in the outside world. Having not seen their families or interacted with other people for years—where do they go now? What can they do? Ender fought for humanity, but he is now reviled as a ruthless assassin. No longer allowed to live on Earth, he enters into exile. With his sister Valentine, he chooses to leave the only home he's ever known to begin a relativistic—and revelatory—journey beyond the stars. What happened during the

years between Ender's Game and Speaker for the Dead? What did Ender go through from the ages of 12 through 35? The story of those years has never been told. Taking place 3000 years before Ender finally receives his chance at redemption in Speaker for the Dead, this is the long-lost story of Ender. For twenty-three years, millions of readers have wondered and now they will receive the answers. Ender in Exile is Orson Scott Card's moving return to all the action and the adventure, the

profound exploration of war and society, and the characters one never forgot. On one of these ships, there is a baby that just may share the same special gifts as Ender's old friend Bean... Children of the Fleet

Hachette Digital
From Kirsty Manning, author of The Song of the Jade Lily, comes a gripping World War II set historical novel about

murder, secrets, and survival. A forgotten manuscript that threatens to unravel the past... Fresne Prison, 1940: A former maid at a luxury villa on the Riviera, Margot Bisset finds herself in a prison cell with writer and French Resistance fighter Joséphine Murant. Together, they are transferred to a work camp in Germany for four years, where the secrets they share will bind them for generations to come. Paris, around about now: Evie Black lives in Paris with her teenage son,

Hugo, above her botanical bookshop, La Maison Rustique. Life would be so sweet if only Evie were not mourning the great love of her life. When a letter arrives regarding the legacy of her husband's great-aunt, Joséphine Murant, Evie clutches at an opportunity to spend one last magical summer with her son. They travel together to Joséphine's house, now theirs, on the Côte d'Azur. Here, Evie unravels the official story of this famous novelist, and the truth of a murder a

lifetime ago. Along the way, she will discover the little-known true story of the women who were enslaved by German forces in WWII. Bringing together the present and the past, *The French Gift* is a tender and heartbreaking story of female friendship, sacrifice and loss, and the promise of new love.

Book 2 of The Second Formic War Tor Books
George Pratt, depressed and contemplating suicide, is allowed to see what his community would have been like if he

had never been born, in a hardcover reissue of the story that inspired the film *It's a Wonderful Life*.
100,000 first printing.
Ender's Game Random House
“The reigning queen of historical fiction” -- Fiona Davis, New York Times bestselling author of *The Lions of Fifth Avenue*
The New York Times and USA Today bestselling author of *The Huntress* and *The Alice Network* returns with another heart-stopping World War II story of three female code breakers at Bletchley Park and the

spy they must root out after the war is over.
1940. As England prepares to fight the Nazis, three very different women answer the call to mysterious country estate Bletchley Park, where the best minds in Britain train to break German military codes. Vivacious debutante Osla is the girl who has everything—beauty, wealth, and the dashing Prince Philip of Greece sending her roses—but she burns to prove herself as more than a society girl, and puts her fluent

German to use as a translator of decoded enemy secrets. Imperious self-made Mab, product of east-end London poverty, works the legendary codebreaking machines as she conceals old wounds and looks for a socially advantageous husband. Both Osla and Mab are quick to see the potential in local village spinster Beth, whose shyness conceals a brilliant facility with puzzles, and soon Beth spreads her wings as one of the Park's few female cryptanalysts. But war,

loss, and the impossible pressure of secrecy will tear the three apart. 1947. As the royal wedding of Princess Elizabeth and Prince Philip whips post-war Britain into a fever, three friends-turned-enemies are reunited by a mysterious encrypted letter--the key to which lies buried in the long-ago betrayal that destroyed their friendship and left one of them confined to an asylum. A mysterious traitor has emerged from the shadows of their Bletchley Park past, and now Osla,

Mab, and Beth must resurrect their old alliance and crack one last code together. But each petal they remove from the rose code brings danger--and their true enemy--closer...

[The French Gift](#) U of Nebraska Press
New York Times
bestselling authors Orson Scott Card and Aaron Johnston return to the prequels to Ender's Game following [The Swarm](#) with [The Hive](#), book two in the Second Formic War. Card and Johnston continue the fast-paced hard science

fiction history of the Formic Wars—the alien invasions of Earth’s Solar System that ultimately led to Ender Wiggin’s total victory in Ender’s Game. A coalition of Earth’s nations barely fought off the Formics’ first scout ship. Now it’s clear that there’s a mother-ship out on edge of the system, and the aliens are prepared to take Earth by force. Can Earth’s warring nations and corporations put aside their differences

and mount an effective defense? Ender’s Game is one of the most popular and bestselling science fiction novels of all time. The Formic War series (The First Formic War and The Second Formic War) are the prequels to Ender’s story.
