Paul Turk's sequel to "Faith Beyond The Trials" continues to follow the lives of John and Anna Taylor. In "Trials of Hope," John has returned to the practice of law and becomes embroiled in a high stakes will contest between two wealthy siblings who are acrimonious rivals. To further compound matters, the attorney on the other side of the case is the same lawyer who sued John over the automobile accident he was involved in. In addition to the pressures bearing upon both John and Anna as a result of the probate litigation, the Taylors are also faced with the issue as to whether Anna will be able to become pregnant again. How will the Taylors hold up under the circumstances they are faced with and who will help them in their battles? Hope and perseverance are in great demand as one day slips into the next.

TRIALS OF HOPE

America in the Nineteenth Cent

This is the story of Paul, a sophomore at a high school like no other: The cheerleaders ride Harleys, the homecoming queen used to be a guy named Daryl (she now prefers Infinite Darlene and is also the star quarterback), and the gay-straight alliance was formed to help the straight kids learn how to dance. When Paul meets Noah, he thinks he's found the one his heart is made for. Until he blows it. The school bookie says the odds are 12-to-1 against him getting Noah back, but Paul's not giving up without playing his love really loud. His best friend Joni might be drifting away, his other best friend Tony might be dealing with ultra-religious parents, and his ex-boyfriend Kyle might not be going away anytime soon, but sometimes everything needs to fall apart before it can really fit together right. This is a happy-meaningful romantic comedy about finding love, losing love, and doing what it takes to get love back in a crazy-wonderful world.

Foundation for a Christian

A man named Jesus, whom is considered the Christ by countless people around the world to this day, lost his life at the hands of barbarians while residing in Canaan, where he devoted his life to making those around him aware they had the potential to become gods. Despite the accumulation of so many technological innovations over the past two millennium that were supposed to ease the daily hardship of people everywhere, so more time could be devoted to pursuits that cultivate the mind, evidence indicates that the size of the Homo-sapien brain, male and female alike, has persistently decreased over this passage of time. The pain, and suffering, endured by Jesus was supposed to serve as a wake up call to the savages in his midst, and the generations to follow, that they had much to learn about what he means to be civilized, as we see amply evidence of to this very day.

PEACE AND LOVE TO THE WORLD

Createspace Independent Publishing Platform

The word of love in the book is a spiritual weapon meant for our current generation and the message to the generations to come. The prophetic word is the intertwine of the real life situations, visions, dreams and prophesies which I experienced in my way of faith. The challenges which I encountered and how the Lord helped me to pull through in the name of our Lord Jesus Christ. Nonetheless the malady of hatred which has contaminated the world, it is only peace and love from the Lord which can heal the infectious ulcer which man has suffered. Dignity has been lost in accordance to Hosea 4:6 'my people are destroyed for lack of knowledge: because thou hast rejected knowledge. I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children'. Further, that our Lord Jesus Christ came down with the seed of peace and love to unify the candidates of heaven through the provision of the Holy Scriptures. Let us unite and break the seed of hatred which Satan had planted in the hearts of men. 1 Corinthians 13:3 And now abideth faith, hope, love, these three; but the greatest of these is love. This book is dedicated to all my brothers and sisters in the Lord, especially those who are at the verge of losing hope of survival spiritually. It is therefore, here to impart in their hearts with Peace and Love from our God Almighty. The word in this book is aimed at reconciling the people on earth with love so as to cushion the conflicts among nations. It is in accordance to Isaiah 2:2-3 the message in the book has been written and it is therefore inviting all my brothers and sisters from across the world to experience the Holy Spirit with words of great faith in the Lord. The book is here to comfort the sick, the afflicted and those souls who are persecuted by the enemy. It also embraces all the races and does not stigmatize any person as it is based on the true love from our Lord and the message is inspired by the Holy Spirit with a view to unite the people across the globe. I therefore wish the Church, the United Nations, the governments and other charitable organizations to enhance preaching peace among the people in the land for us to have a better world. It is in this line, that the Lord our God came down on earth to save humanity. More so, we should embrace peace and love to survive this world of troubles. The love of God is unconditional, thus, we should follow suit to have a godly love in our hearts or humanity will be wiped out on the face of the earth soonest. The beauty of welcoming peace and love from God is compared to the bond between the earth and the sun and the rain. There is no segregation in the house of the Lord but we are all equal in the face of our creator. Mother Nature has been very kind to us and it reprimands us whenever we err but our Lord Jesus Christ used to curse Nature. We have continued preaching about the importance of spreading the word of God and also His love which has made us to be who we are on earth. The love of God unifies the people and that it cuts through the rod of hatred which is in the hearts of the evil ones. We should therefore embrace the love of God for us to reach greater heights of love, where all religions, race and tribes shall stand tall in the same platform and pronounce to the higher heavens that we are one people. Women and children needs true love from our hearts. I dream of a beautiful world where we shall be protected by the love of God, because humanity on that day shall have total unite. It is common knowledge that Satan has infiltrated our governments, entertainment industry and a lot more circles of life. Therefore, it is time man woke up from the deep slumber and fight for his life or else he will die naked with shame. However, we wrestled the devil for us to have peace and love so that we get saved but the battle has been tough. The Lord has been fighting battles for humanity because God is love. Amen!!

She was left fighting her demons alone . . . For sixteen-year-old Danielle DeCorso, the old house in Glastonbury was an eerie place to grow up. Coping with mental health challenges exacerbated by a traumatic family dynamic, Danielle watches from the window for two men in a dusty black sedan who keep circling the house and harassing her with phone calls. The two predators drugged her and her cousin, Angie, and then lured them from Pleasure Beach in Bridgeport to a secluded cottage on Long Beach West. She remembers feeling dizzy, the room spinning. She recalls screaming, crying, fighting, and then slipping in and out of consciousness. Angie, however, has no recollection of the incident. When Danielle attempts to jog Angie's memory and convince their best friend, Farran, that the two strangers had victimized them, no one seems to believe her. Alone in her pain, Danielle remains guarded, obsessed, and withdrawn. Soon she is sinking deeper into a tumultuous world of adolescent isolation and change. Grief, guilt, and anger send her spiraling into an even darker place. Tormented by terrifying nightmares, she fears she will lose her sanity, or possibly her soul. Is she having post-traumatic stress hallucinations, as one of her friends suggest, or are her recurring nightmares as real as they seem? Trapped in an unyielding emotional bondage, Danielle continues the fight to reclaim her power. Startling revelations awaken her newfound spirit, inspiring a once naive girl to grow into a woman of defiance and courage. Shattering Truths is a revised edition of Deadly Veils Book One, previously published by Kyrian Lyndon in 2016 under the title Provenance of Bondage. The previous edition is no longer available.

The perfect gift for the lawyers in your life -- for law school graduation, birthdays, firm holiday gifts, retirement, or just because. More than 70 vignettes from life in the practice of law are rendered here as wryly humorous poems. Each one stands alone as the sort of snapshot one lawyer might forward along to another for a laugh or a knowing nod. Together, they comprise a collection to be treasured by anyone who has lived through law school, first jobs, thrilling victories, eye-opening disappointments, and the lifestyle particular to this career choice. This book is not about laughing at lawyers. It's about laughing with them. It's for everyone who's in on the joke: Everyone who has witnessed the madness and met the quirky characters in this field. Everyone who, even just for a second, has wondered if they should have gone to medical school, culinary school... anything other than law school. Everyone who has ever sat down at the end of an evening and thought, "No one would even believe me if I told them about my day." We believe you. Editorial reviews: "In many of the poems, the authors capture perfectly the oddities of law practice and law school. 'Sisterhood' may be one of the most insightful poems that could be enjoyed within any profession. These poems... took the mundane and made it soar." - Arizona Bar Association "A book of candid truths and palpable honesty, with a sincerity that can only come from experience." - North Carolina Bar Association "A must-read for lawyers persisting in long-term practice who like to keep it light, who continue to muse on the sometimes bizarre world in which a lawyer finds himself or herself, and who simply enjoy a good poem." - Colorado Bar Association Featured on Above the Law and Bitter Lawyer. Named the SmallLaw Pick of the Week by TechnoLawyer. (Authors donate a portion of book proceeds to WomensLaw.org, The WomensLaw Project of the National Network to End Domestic Violence.)
